BINTREE AND FOULSHAM CRICKET CLUB

The Club was formed in the autumn of 1979 as an amalgamation of the original Bintree and Foulsham clubs which had been dissolved in the early 1970's.

The 1980 season was the first for the Club in its present form, and a total of 32 matches were played, of which 11 were won, 1 was tied, 2 were drawn, and 18 were lost. Although these results are not startling, they were considered generally satisfactory, bearing in mind that it was the Club's first season, and that the summer was a wretched one for playing cricket.

Most important, however, was that all the players enjoyed their cricket and a good Club spirit was developed.

The Club's ground is on the Village Hall field at Bintree, where cricket had not been played for seven years prior to last season, but despite this, the pitches performed pretty well, and it is hoped that they will continue to improve as time goes on.

This season, the Club will again be competing in the Mid-Norfolk League, with friendly matches being played on Sundays. In addition, a team will be entered in several Cup Competitions.

New members are always welcome, and anyone interested is invited to contact the Secretary, Mike Hemming, on Bawdeswell 522. The 1981 season commences on Saturday 2nd May, with a home fixture against Holkham.

Annual subscriptions are £3.00

NB Congratulations !! Does this inspire any reactions from our home territory. ED.

BENNETTS CORNER - GARDENING HINTS.

With the brief spell of fine weather we had in February, I thought perhaps we could make an early start this year with our work in the garden. I noticed while driving around that some folks had already made their first cut on the lawn and forked around the flower borders, but for those of us who are not so enthusiastic, and that includes me, will have to wait until the ground dries out after all the rain. After a dreary Winter we look forward to the coming of the Spring flowers, and I am always reminded of the poem by Wordsworth,

I wandered lonely as a cloud
That floats on high o'er hills and vales,
When all at once I saw a crowd
A host of golden daffodils
Beside the lake, beneath the trees
Fluttering and dancing in the breeze.

After all the rain I'm afraid most of my daffodils were soaking wet and in a recumbent posture. It did however have it's compensations because we had to pick them and now we have flowers in every room.

One of the greatest joys in the Spring is the rock garden, noting seems to deter the colourful little rock plants, the saxifrages and violets, the loveliest shades of Aubretia, and Alyssum which spreads like a golden carpet over the rocks. Look out for little spears of grass which spring up amongst the clumps of rock plants, pull them out now while they are small or they could take over later. Bellis Daisies are a nuisance on the lawn but the larger pinks and reds are a must in any rock garden.

In the flower border, if you didn't break up the perennials in the Autumn you can do it now but you must be careful not to break off those tender new shoots.

A better plan of course is to get a few different plants and cut down on the summer bedding.

In the greenhouse start taking cuttings of Chrysanthus and fuchsias, they need a little warmth but with the longer days, should root up quite quickly. Plant a few lettuce seeds, and, tomato seedlings should be ready to prick out into 3" pots. If you want a few seedlings we have

BENNETTS CORNER - CONTINUATION

.... a few over, come and see Brian ordmeand
we'll get you started again if yours have failed.

My broad beans are already through and plants
will be ready first week in April. Early rhubarb
is always welcome so place a bucket over a couple
of crowns a little forced rhubarb will "keep
you going" till the main crop comes along, cover
the remainder with straw to protect it from frost.

In the vegetable garden now is the time to
sprinkle a little lime around to sweeten the soil
before you start planting, rake it in and leave for
a week or two, but not where you are going to plant
your potatoes. Dust along the rows with Bromophos
(The gardeners friend) to kill soil pests.

Roses must be pruned this month, there are many
schools of thought about pruning roses, when, how, where
to cut and how much. My advice is avoid pruning
in frosty weather, take out all spindly growths,
and cut all main stems to an outward growing bud.

Don't be in too much of a hurry to use fertilizer
or you'll make too much soft growth too early
which can be damaged by late frosts.

Early use of weed killer on paths is reccomended
but the best weed killer for the garden is called
a "HOE" !

FRIENDS OF BAWDESWELL SCHOOL

Thank you for the support given to the
"School Fund" Sponsored Spell. We would
like to point out that whilst this function was not
organised by us, the proceeds are still used to
the benefit of the children.

However, we are organising a "Jumble Sale" in
Bawdeswell Village Hall on Saturday April 11th
at 2.30pm Jumble will be welcome either to
the school or the Hall on Saturday 11th.

BAWDESWELL PLAYGROUP

On the last Thursday of term, 9th April, the
children will attempt a sponsored walk up to ten times
up and down the village hall. Anyone who would like
to come and encourage the little ones on this "marathon"
are welcome from 11am. Please help our funds by
sponsoring any playgroup child you know.

There are vacancies at playgroup for new children
to come and join us. If you want to know more please
contact Mrs Chesney on Bawdeswell 461.

Our "Blue Peter Bring and Buy Sale" on Saturday
28th February raised £61.20. Thank you to everyone
who supported us, inspite of the dreadful weather.

The weather was also awful when the children went
to the Castle Museum. The shoppers got soaked but
the children had a super time. They saw old toys,
painted, looked around the museum and "entertained"
some of the visitors with their rhymes and songs !

Most unfortunately for us Mrs June Chesney will be
leaving the village in the near future so we are needing
a Supervisor and once again an Assistant Supervisor
as Mrs Wilson was unable to continue. We do seem
to have had an unfortunate time with our assistants
but we can assure you that the children don't eat them !
Seriously this is the villages' playgroup, so come
on ladies of Bawdeswell and Foxley - the children need
you if playgroup is to continue. If anyone is interested
please 'phone Gilly Spencer, on Bawdeswell 383.

The Rectory, Foxley.

April 1981.

Dear Friends,

I'm writing this the day after Mothering Sunday Service at Bawdeswell Church..... How delightful it was to see so many.

I hope you will turn out in the same kind of strength for the Easter Day Services and especially the Service for BBC Radio Norfolk.

Having written so much last month, I've promised Marion Oldfield to keep my remarks to the minimum this time.

Good Friday and Easter Day - (or Resurrection Day which I personally prefer) go together as a unity.

Our Lord died to carry the weight of all our sins and to receive the punishment that we deserve for our misdeeds.....but gloriously he arose on the Sunday morning..... giving us real hope and faith.

It may be that you have never come into full membership of the Church. There is to be a Deanery Confirmation in May. If you would like to be prepared for Confirmation please let me know. (Adults and youngsters of at least 15+)

If you (or someone you know) are totally unable to come to Church at Easter time and would like to receive Communion at home, then please let me know.

For those of you going away.... have a super time and don't forget to look up your nearest Church and attend at Easter time.

With Every Good Wish.

Robin Brooks.

BIG 'C' APPEAL

Our appeal has really got off to a flying start, which we hope will continue. Our thanks to everyone who has supported us or given donations.

Pottery Party £42.20
Fashion Party £39.50
"Open House" £160.97

Please don't forget a VERY important date
April 25th 2 pm.

FOXLEY VILLAGE HALL 'Spring Sale' to be
opened by Mr. Martin Chase.

We would be grateful for bottles etc for Tombola - or a cake for the cake stall - or just something for the White Elephant stall, in fact we would be grateful for anything you no longer have need of.

If you are able to find anything could you let Jenny, Carole, or Joy at Foxley or Gladys Dewing at Bawdeswell have it by Friday April 24th or cakes to the village hall by 12noon on the Saturday.

Personal note from Gladys Dewing - who would like to say a big thank you to all who helped with refreshments etc at her "Open House".

BAWDESWELL C.P. SCHOOL

This months report is in brief due to the fact that our usual correspondant, Gilly Spencer, has been away from school due to illness.

We would however, report that it was most encouraging to see so many parents taking a keen interest in thier childrens work and acedemic future at the Open Evening on the 1st April. No doubt most of you will, from that function, be well aware of the past month's activities at the school so that an explicit

report this month is not imperative.

Wishing Gilly a speedy recovery.

EDITORIAL

As may be noticed we are still minus advertisements.

This is mainly due to some uncertainties which we must clarify to secure a stable situation.

Could we make a request, for budding reporters to pass their news to us at 17.Hall Road. Remember it is no use complaining about coverage of a function etc. after printing, we are not clairvoyant.

If you want to tell others tell us first.

David and Marion Oldfield.
