The Rectory, Foxley.

January 1981.

Dear Friends,

Christmas is going, the goose is getting thin....
...no I don't think that's right somehow !

At Christmas time the cards and the letters come flooding in and there's never any time to read the letters properly. I always find it's nice to put them to one side until after the hurly-burly and then read them properly.

I came across one today - a duplicated one from Germany from the father of a friend from Scouting days. Some of his English is quite amusing - not that it's got any worse over the years. He once sent a tape-letter which began "Today is the Ninety-twenth of January" - you see what I mean ?

This edition of the annual letter ends with a verse which goes like this:-

" It only takes a word or two To wish a lot of cheer
It only take a thought of you To make the wish sincere
It only takes my Christmas letter To bring it to your here
With many added wishes For a very happy Year."

Now I know what he meant, and I'm sure you do too, even if the third line is a bit comical and strange.

The same is of course true of God. He knows what you mean when you talk to Him. It doesn't have to be any particular form of words ancient or modern - whether in Church worship or private prayer at home. What Jesus is at pains to make clear to us is that God looks upon the heart, and sincerity - and often the words will come out all wrong or even get in the way. But our heavenly father knows better than we know ourselves what we're trying to say, and He understands.

With every good wish

Robin Brookes,
Priest in Charge.

BLUE PETER BRING AND BUY SALE.

PARTIES FOR THEATRE VISITS.

Following on from last months comment on this idea.

We shall (provide response is forthcoming) be organising a party to go to the Theatre Royal in Norwich to see "Jesus Christ Super Star" on Saturday June 25th. Matinee performance tickets will be approximately £3.00 for parties.

So that transport on confirmation of numbers can be made.

Time is on our side this time so lets make this a combines villages outing !!

BENNETTS CORNER - Gardening Hints.

The mild weather over the past couple of weeks has given me the chance to get around and do a few jobs that should have been done before Christmas when we had the snow. Don't be fooled into thinking that the Winter is over because we often get some very cold weather in February and March. If you still have a part of the garden not yet dug, turn it over now and leave it rough, the frost will break it up, and with a sprinkle of lime at the end of the month you will get a fine tilth for sowing in March. I've had an excellent crop of Peer Gynt brussel sprouts so that is the sort to grow this year. If you are after giant onions get some seed started on the kitchen windowsill and prick out as soon as the tops straighten out. Plant some broadbeans in seed trays in the greenhouse, shed or garage but bring them into the light as soon as they are through. If you are troubled with mice get some ALPHAKIL from the chemist put it down at night and collect up the dead mice in the morning.

Seed potatoes are in the shops now so get some of your favourite kinds and set in trays to chit, keep away from the frost. Don't be in too much of a hurry to plant early peas, end of the month is soon enough, but you can start your parsnip seeds, mixed with sand in a warm cupboard, when they have chitted put in a cool place for a couple of weeks before planting.

If you didn't get any spring cabbage plants in we still have some, come and see me at weekends. Don't forget shallots and onion sets can be planted now, they are quite hardy and won't be affected by the frost.

Dormant fuchsias and pelargoniums can be trimmed back and started into growth if you have a little warmth in the greenhouse on cold nights, open the windows on fine days and spray with Benlate or other fungicide to combat mildew.

If you haven't sprayed the fruit trees yet make the effort this weekend, and it is not too late to plant a few raspberry canes or a fruit tree or two, or how about a flowering cherry for the front garden there's still

time. If we do get snow wrap yourselves up warmly and knock the snow off branches and shrubs in the garden and don't forget snow can damage conifers in a very short time by the sheer weight it imposes upon them.

BAWDESWELL PLAYGROUP.

DON'T FORGET our VALENTINE'S DANCE is on Saturday 14th February at 8.00pm in Bawdeswell Village Hall. There will be a bar, disco, refreshments, raffle and tombola - and all for just £1.00. Tickets are available from committee members or Mrs Chesney (Bawdeswell 461).

Come and enjoy yourselves without having to spend a fortune.

Another date for your dairy is our "Great Blue Peter Bring and Buy Sale". This will be held on Saturday 28th February at 2.30pm in Bawdeswell Village Hall. If you want to bring along your contributions early we will be at the Village Hall during the Saturday morning, otherwise bring them along when you come at 2.30pm in the good old bring and buy manner. What we are looking for are toys, books, games, un-wanted gifts etc. in good condition.

It should be good fun and worthwhile for such an excellent cause.

On Wednesday March 11th the playgroup children are going to see an exhibition of toys at Norwich Castle Museum. They will be going by private coach so if anyone would like to go to Norwich either to see the toys or for shopping the coach will be leaving Bawdeswell Village Hall at 9.15am and returning from Norwich at 12 noon. The cost will be 50pence per adult. If you would like to take advantage of this just turn up at the Village Hall.

Mrs. Stephanie Kane worked very hard before Christmas running a Webb Ivory Catalogue which raised over £50.00 for playgroup funds. Well Done Stephanie.

Mrs Michelle Buck has kindly volunteered to act as our temporary assistant supervisor until we find a permanent replacement. We are most grateful for this offer but remember the position is still open so 'phone Gilly Spencer (Bawd. 383) if interested.

BAWDESWELL PLAYGROUP CONTINUED.....

We warmly welcome the following children who have joined the playgroup this term :-

Sadie Pardon, Ginny Smith and Louise Baker.

We omitted to congratulate Michael Flynn last month, who had a birthday on the 8th of January. Also we all wish Michael and his parents every success and happiness in their new life when they shortly move from our area.

As a result we are sorry to lose Mrs Celia Flynn from our committee as she has been a very enthusiastic and hard working member.

Talking of losses, we are pleased to inform that the grand sum of £41.29p was raised from our Sponsored Slim. Thank you for your "loss" to achieve a fantastic gain.

JULIAN MEETINGS - MID NORFOLK GROUP.

The first and third Wednesdays are again our meeting nights for this month.

We do hope you will all be able to attend.

BAWDESWELL PRIMARY SCHOOL.

The children have settled down well and are working hard. The senior boys are looking forward to the better weather when they can enjoy a full programme of football fixtures.

The 4th years are becoming extremely proficient at swimming. Twelve children have been entered for the Bronze Medalion Swimming Test.

Julia Elia and Kurt Taylor have gained their Amatuer Swimming Association Stage 1 and 2 Awards.

Christian Robinson has gained his 800 metres award.

The third years are going swimming on Friday mornings this term and after only 3 lessons Barry Mears has gained his 10 metres Certificate.

On Tuesday 20th January Class 11 went on an outing to Sparham woods, thanks to the kindness of Mrs. Maggie Sayer.

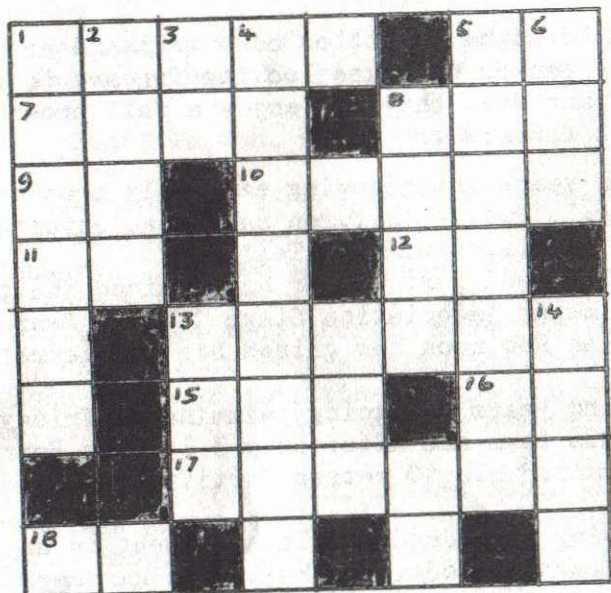

There they observed a deciduous wood in Winter and the site of a fortified Norman Manor House, which was all very interesting.

It is with great regret that we have learnt that our school meals service could be withdrawn after the end of this term. But we await with interest the present discussions.
