EDITORIAL

Firstly, we apologise for the rather shabby and late publication this month. This will be improved by next issue.

Many thanks for those most welcome donations especially those received from our friends in the village who reside in the various holiday cottages.

Has the idea of adverts fallen on stony ground ??

IDEA !! A sponsored slim to raise funds for us.

Remember the deadline for insertions is 20th of the month.

Our strength is in your news.

BAWDESWELL AND FOXLEY WOMENS INSTITUTE

We were pleased to welcome two new members and the prospects of yet a third, to our May meeting.

It was also a great pleasure to have members from both Bintree and Elsing join us for that evening. The demonstration on sweet making was enjoyed by all.

Our June meeting will be held on June 8th in Bawdeswell village hall at 7.45pm and the speaker will be Mrs Mary Green on the subject of places of interest to visit in East Anglia.

The competition will be "Flowers in an Egg Cup"

Our thanks to those who Bring and those who Buy from our stall each month.

BAWDESWELL PRIMARY SCHOOL

Some of the children took part in the Dereham and District Swimming Gala on Tuesday 12th May. All who took part were a credit to their school and we are particularly proud of Matthew Reynolds who was outright winner of the boys under 11 backstroke, and will go on to represent Dereham District in the Norfolk Schools Gala in June.

The football team have also done us proud in the Reepham schools football tournament by winning the runners up trophy and individual medalions. Well done all.

DO NOT FORGET the schools Sports day and fete on Saturday 20th June.

An event of Celebration without fundraising arranged by the Churches of the Rural Deanery of Sparham, Norfolk.

What a joy it is to see the sun after so many dull and wet week-ends and what a difference it makes to our gardens. As many of us drive to our work each day we see the gradual change from brown to green and marvel at the wonders of nature and we reflect on the last words of our loved ones as we said good-bye, "if it keeps fine you'll be able to cut the grass tonight dear !!" and you have a little moan to yourself as you narrowly miss the on coming car.

With all the rain we've had the moss has almost taken over in the lawn so if you want to keep the grass nice for the summer sprinkle some mercurized lawn sand, about a couple of hands full to each square yard. After about 2 weeks rake out the dead moss and give a similar dressing of Weed-n-Feed.

The vegetable garden should be well under way and many of the seeds are through.

If you used Bromphos soil insecticide before planting you should have no problems with soil bugs. Some of our customers have brought in samples of onions with holes in and cabbages with white knobs on the roots caused by soil pests, don't mistake cabbage root fly for club root which is brown and affects the whole root. If you get this pull up and burn and don't plant cabbage family in the same place again.

Draw the soil over early potatoes, we may still get another frost. If you haven't planted runner beans don't worry we still have plenty of plants.

Cabbage, Brussels and cauliflowers can be planted now and follow up with sprouting broccoli next month.

Spinach will provide a lot of nourishment for growing children. Try poached egg on creamed spinach instead of beans or spaghetti on toast.

Salad stuff is always a must even in the smallest garden, lettuce, radish, spring onions and cress on the kitchen windowsill is a useful addition to any sandwich.

In the flower garden don't be in too much of a hurry to plant out bedding plants, get some ready and protect from frost till the end of this month.

Hanging baskets should not be put in their permanent position till the 1st or 2nd week in June, As daffs finish blooming bend over the leaves and tie down.

In the greenhouse the first truss of tomatoes should be set, so you can start feeding once a week keep the side shoots pinched out or you may find you have a double top. Cover the white roots of cucumbers as they show through the soil and feed every week with Blood and Superphosphate equal parts or as an alternative Fish Blood and Bone Fertilizer. If you have other flowering plants in the greenhouse keep feeding until the flowers appear and then only water. No feed.

In the fruit garden as the flowers of apple and pears die off spray with an insecticide to kill apple sawfly and codling moth.

The perennials should be well up now and the succulent new shoots are a rare treat for the greenfly so get that spray gun working and give them a good blast off.

Also a handful of Fish Blood and Bone Fertilizer hoed in before planting bedding plants, to build up strong plants for better summer flowers.

My last word this month is to those who are not too keen on gardening. Please keep ypur weeds down for the sake of others.

PARTIES FOR THEATRE VISITS

Due to lack of numbers to form a party booking we suggest persons carry out their own individual bookings.

The Rectory, Foxley.

May 1981.

Dear Friends,

First of all a mention of a few forthcoming special dates :-

- 1) June 18th a Barbeque-Fair at Paradise
Thurs. Lane House. 7.00pm
- 2) June 21st Shining Lights - Musical presentation
Sunday at Sparham Church - 6.30pm
Well worth seeing. Performed by the
Choir and People of St. Andrew's
Gorleston.
- 3) July 4th Country Churches Pionio Day.
Sat. at Reepham High School. 11.00am
- 5.00pm.
Variety of events for all the family.

Several villages will be represented by the carrying of a Parish Church banner in a parade prior to the informal gathering for worship. If anyone is willing to take on the task of carrying the banner for Bawdeswell and Foxley please contact any of the Church Wardens,

Have you been in the garden lately - my wife's doing very well with ours! Trouble is, as Bishop Timothy of Thetford says, "gardening doesn't stay done" and with the mixture of warmth and rain the weeds are soon back if you don't keep on top of it.

It's a bit like that in Christian life. You may have had a dramatic conversion or a gradual one, but unless you keep your Christian faith in practice, the weeds of the old life start to take hold again.

with every good wish,

Robin Brookes.

BAWDESWELL PLAYGROUP

We will soon be the proud owners of a store shed adjoining the village hall, in which we can store all our equipment. We thank the village hall committee for giving the necessary permission for it's erection.

On the occasions when we are asked to clear the present store room, Mr and Mrs Ames kindly allow us store facilities and therefore we express appreciation and trust we will not impose on their good nature much longer.

The little ones are busy selling "Sunny Smiles" in aid of National Childrens Homes. We ask your kind support for this worthy cause.

Doubtless we are all aware of the number of children killed and injured in motor car accidents and in the light of this we have available car stickers to remind the car driver ie, "Pull back, Give my Child a chance." These are available from Stephanie Kane at 60pence each

We are most grateful for the kind offer of expert help from Mrs Denise Laycock, who worked previously as a playgroup supervisor, staying temporarily in the village.

DO NOT MISS

" BITS AND PIECES"

this will be held at 2.30pm in Bawdeswell village hall on Saturday 13th June.

There will be a collection of Party - Plan goods including :- Small Talk (childrens ware), Wickery (basket ware), Pine ware, Calico Pie, (crafts), Griflame (cosmetics), and stainless steel as well as the usual cake stall, produce, raffle, teas etc.

This is a unique opportunity to attend all these parties at one go. Christmas is only a short time away so start buying early and avoid the rush. A percentage of the sales will go to playgroup funds so please help us with your support.

WITH SADNESS.....

Alec James Parfitt who died on May 7th. at the age of 75 in a very real sense belonged to Foxley.

As a member of the Methodist Church first at Billingham and then at Foxley he was organist and used his musical ability to good effect in the worship of the Church. His Church loyalty extended to the Anglican Church where he worshipped regularly.

He was a countryman at heart and loved anything and everything connected with the countryside.

As a sportsman himself whose prowess was recognised beyond Foxley he was a great encourager of others.

It was to Alec Parfitt that many went for help and advice knowing they would receive sound and considered judgement.

Although he will be sadly missed in many ways we rejoice in his memory and thank God for his life and service to others and especially to the Church to which he belonged.

WITH JOY.....

To Derek and Heather Moore, Foxley, a bonnie son - Jamie Stephen Moore.

WITH APPRECIATION.....

THE BRITISH RED CROSS.

The sum collected in Bawdeswell was £35.75p.

Our thanks to those who collected and to those who gave.

HOT POT SUPPER

The Hot Pot Supper raised £88.30 towards Bawdeswells share of the Diocesan Quota and we are truly grateful to Jan and Jimmy Turner.

BIG C APPEAL

A cheque for £728.72 was handed to Clive Bamford on May 27th and we listened to Mr Bamford's history of the Big C Appeal which to date stands at £150,000.00 but before a scanner can be bought and used a £37,000. alteration to the oncology department has to take place, this the Big C is undertaking and work should start in about 6 weeks time, also the Big C is providing other vital pieces of cancer equipment from people like us.

Our appeal was only £71.00 short of being able to buy an infusion pump vital in the treatment of cancer, therefore it is hoped that with your help we can raise this £71. and then through the Big C Appeal have this equipment presented to the Hospital from Foxley and Bawdeswell People.

The £71. how are we going to raise it?

Can every family spare us a few pence, this is all it will take, there are a lot of houses in our two villages.

Please take your donation in a sealed envelope to Bawdeswell Post Office or give to Jenny, Joy or Carol.

PLEASE HELP US. We are so near to give some real help to the Norfolk and Norwich Cancer Department.
