## EDITORIAL

For once, we must through necessity "hog" the lime-light in this issue.

Firstly, failure No.1, mechanical problems mean that your next issue will be printed on the duplicator as was before last October. This should not effect your Reeve's Tale in any great way.

Secondly, failure No.2, the "kitty" is practically empty. It costs about £12.00 to produce each issue and, whilst we are most grateful to all those who have given so generously, to survive we still need cash to flow in.

The suggestion of charging a small sum for your Reeve's Tale is a last resort and therefore we suggest the following :-

Finally, and hopefully, we welcome advertisements from local traders. It is anticipated to use a third of a page per advert, in a format of your choice. Double or treble adverts can be produced pro-rata. To produce these economically orders and payments will be on an annual basis i.e. June to June. The minimum annual suggested sum per third page is £12.00.

A reminder that your correspondants for insertions are :- Tony Cook - Foxley.

Robin Brookes - Foxley.

Gilly Spencer, or us at  
17, Hall Road, Bawdeswell.

Because of our new printing methods ALL insertions must be with us on or by to 20th of every month. Publication date will be the 26th of every month, therefore, although every effort will be made to include late items publication cannot be guaranteed.

Do you STILL want a Reeve's Tale ??????????  
It is up to YOU.

David and Marion Oldfield.

## BAWDESWELL PLAYGROUP

The final playgroup session of last term was a happy, busy and a sad one. At 11.00 o'clock the children started their sponsored walk and all the children completed the 10 lengths of the hall spurred on by Mrs Chestney and the adults who had come to encourage them. The children were rewarded with crisps and orange juice. Well done little ones.

Then came the sad part, saying goodbye to Mrs Chestney, As a token of our thanks and appreciation the mums and children gave gifts to remember us by. June has been our Supervisor for over a year and has worked very hard, often in difficult circumstances, giving stability, her time, energy and loving care to the children who grew very fond of her. We will miss her and all wish her and her family well in their new home and life.

Thank You June.

The good news is that two ladies from the village will be taking over playgroup from next term - Mrs Bridget Sayer as Supervisor and Mrs Terri Walters as Assistant. We are delighted to welcome "Old Hands" (not meant literally) back to playgroup and hope they will be very happy with us.

We also said goodbye to Caroline Millar who will be starting school at Easter. New children are always welcome to join playgroup.

To Jacqueline Seviour on May the 20th.

The Rectory, Foxley.

May 1981.

Dear Friends,

First of all I must say a very big thank you to all of you who have turned out and supported the services of worship recently, especially the radio service which would have turned really rather flat if only a few had been there to take part !

It's been a joy to see lots of families and children in both churches for the family services. Thank you too to those of the Anglican church who attended the chapel at Foxley at the beginning of last month. I hope we shall have kept it up this month too.

If you look at the plan of services you will see that I am taking Sunday May 31st off. I hope you will turn out to support the Rev'd William Howard, at the morning Series III Joint Family Communion Service.

He is the Curate of St. Catherine's Mile Cross, Norwich.

For the evening service, I shall also be very sorry to miss the ministry of Canon Maurice Burrell the Diocesan Director of Education. Despite his grandiose title Canon Maurice is an exceedingly pleasant and down to earth person and will be well worth hearing.

The departure of a member of the parish in a town situation happens all the time and sometimes almost goes without notice. However the departure of Charles Steward from the farm where he has operated for the past 21 years to his home area of Scarning will mean the loss of a well loved man from the Foxley congregation who cannot be replaced. Leaving aside his many responsibilities in this immediate area and the county as a whole, above all I shall miss him for his warm hearted encouraging disposition and gentle smile - a true gentle-man.

May God go with you, Charles.

Yours in Christ's Service,

Robin Brookes.

WITH SADNESS

The sudden 'home-call' of Molly Trivett saddened many people in both Foxley and Bawdeswell,

Her infectious chatter and laughter and involvement in charitable concerns will be greatly missed. Our sympathy is extended to Aaron Trivett and other members of the family.

WITH JOY

Stephanie and Robert Rickett on the birth of their daughter Hannah Kate on the 16th of April.

WITH APPRECIATION

A great time was had by all who came to the Hot-Pot Supper on Saturday 28th April.

Many thanks to Jan and Jimmy Turner for organizing a super evening and raising money for the Bawdeswell Church Quota.

On the last afternoon we had the "Easter Bonnet Parade" by the children. Many of the children had bonnets and watched by a large number of the mums, they displayed them class by class. Each year we are amazed at the originality and the hard work that has obviously gone into their production and this year was no exception. It was pleasant to see. Each child who took part received a small prize.

The top class wrote poems about their thoughts concerning Easter, a selection of which follow this article.

We are very proud of Lorna Sparkes, who has been learning to play the piano for just over a year.

Recently she took her grade I exam and passed with distinction. This is a remarkable achievement especially as she is only 8 years old. Well done indeed Lorna !

Our grateful thanks to the Friends for the hard work they put into the "Jumble Sale" and to those who turned out in unpleasant weather to support us.

#### EASTER POEMS

I like the smell of a lovely cream egg.  
I like the middle of the egg and I think the best bit is eating them.  
I like the whirly circles on the painted eggs, they are like fireworks.  
I Love the sugary, bready smell of hot cross buns.  
Marcus Sayer 3rd year.

Easter is brilliant because you get brightly coloured eggs.  
The happy cheerful Easter bunny hops casually along.  
The tasty adorable hot cross buns make me drool at the mouth.

Nick Reynolds. 4th year.

#### EASTER POEMS CONTINUED.....

The custard coloured fluffy chicks are chirping sweetly,  
The brightly coloured eggs are bumping together to be first,  
The hot cross buns have lovely melted butter soaked in them,  
The red hot sugary buns are very sweet like a bowl of icing sugar.

Adrian Hankey. 4th year.

The busy floppy Easter bunny is cuddly and fat,  
I like the sweet tasty gooey eggs,  
Crisp, sticky hot cross buns, taken straight from the oven,  
Are round and shiningly plump,  
Steaming like little trains.

James Lilwall. 4th year.

The spectacular Easter bonnets are garden bright,  
I like their beautiful and lovely colours,  
brilliant like fireworks.  
The Easter chicks are chirping and squawking like mad,  
They are fluffy round and plump.  
I like the smashing Easter eggs brightly painted.

Carlene Burlingham. 3rd Year,

#### WANTED

The playgroup are looking for your good condition unwanted toys, in particular a tea set, kettle, cot and covers, dolls prams etc.

If you have anything to sell or donate please contact our new supervisors Mrs Bridget Sayer or Mrs Terri Walters.

## BIG C APPEAL

The Spring Sale held on 25th April made £401.46p

Our Grand Total will be announced in next months issue of Reeve's Tale. We plan to hand over our total proceeds to Mr Clive Bamford personally, on May the 27th.

So if there is anyone who still wishes to contribute to our appeal and missed our functions held to raise money to help this worthy cause would they let Jenny, Carol or Joy at Foxley have their contributions or Gladys Dewing at Bawdeswell. The dead line for these contributions is May 25th.

Many Many thanks to All who helped , donated or supported us in any way.

To have achieved such a large sum has made it all worth while and very rewarding.

## FOOTPATHS

We all appreciate the facility of some where to walk free of traffic hazards. But, it would appear from complaints received by authorities that the foot-paths are now receiving far more "foul" use from animals.

Gentle reminders can often prevent unpleasant "results" in more ways than one.
