THE REEVES TALE Vol 10 No 8 September 1985

Many thanks for your donations, more details later.

After an appalling summer, most of us will want to forget this years weather, although the timing of the storm to coincide with the opening of Foxley Fete must have been one of the cruellest moments.

Lets hope for kinder weather before the Produce Show which is now being held on the 14th September.

We would still like a volunteer to deliver the magazine around Paradise Road, don't be shy please ring or call round. If you think you could help with the production of the Reeves Tale helpers are always most welcome.

Included with this issue is Bawdeswell's new village guide (for Bawdeswell only) please let me know if there are any mistakes so that we can make amendments in the Reeves Tale.

The deadline for the next issue is 22nd September.

Foxley Rectory

Dear Friends,

September finds us in festive mood within the Church life of our parishes. Foxley is busy preparing for the Flower Festival over the weekend of 20 - 22nd while Bawdeswell gets the month under way with the Parish Concert and Supper Party and towards the end of the month will be turning its attention to the Harvest Festival on the first Sunday in October.

The theme of Foxley's Flower Festival and the focus of Bawdeswell's harvest services is simple and direct " All things come from God ", for it is as we more fully realise our dependency upon Him that our worship will be enriched . Special occasions and services are a time when many of us make the effort to attend but if our relationship with God as Creator, Redeemer and Sustainer is to be strengthened as it should then we need an everyday faith and an all-season time of regular worship. As we receive from God so we can begin to give back to Him through a dedicated life of service and witness.

I hope you will join with us in festive mood and stay with us as we continue to acknowledge God's unchanging faithfulness.

Yours most sincerely

Grahame Humphries

September seems to have come round very quickly, considering what a wet summer we have had and not even anything like a heatwave to lock back on, I hope you have all made the best of it and enjoyed your holidays.

At our next meeting on September 9th we will have Mr Brian Sage with his talk and slides of the Shetland Isles, his talk about Alaska last year was so interesting, I'm sure he will hold us all spellbound again.

I hope everyone has heard by now that our Produce Show date has been moved to September 14th. Entries are open to anyone and I have got spare Entry Forms if required, hand them in as soon as possible to me or any W.I. members.

Refreshments in village hall at 8pm

CHURCH OPEN 10am - 6pm 21st - 23rd.

Many thanks for your Limericks. The winners will be announced at the Parish Concert and Supper Party.

While shopping in Bawdeswell one day,
I met some good folk off to pray.
They said "Come with us "
So without any fuss

I "Amened" for the rest of the day.

Rev. Grahame Humphries

While stopping in Bawdeswell one day,
Peter cried, "I'm in love - hip hooray!
But the girl of his dreams,
Was married, it seems,
To a boxer named Cassius Clay.

Autolycus

When stopping in Bawdeswell one day,
Young Chaucer got thirsty, they say,
So he wrote the Reeve Tale,
For a pint of light ale,
And later decided to stay.

Autolycus

While stopping in Bawdeswell one day,
I fell over a sackful of hay.
It was just near the vicar's
And I tore my new knickers
But everyone shouted 'Hurray !..'

Recreation Centre

The playing field has been sprayed, cut, baled, ploughed, and cultivated, and we are very grateful to Mr Peter Lilwall for all this, and to this men, especially ,Mr David Framingham for his skill and work in the field.

Jobs to be completed shortly are the final levelling, and the sowing of the grass seeds.

The grass seed mixture purchased is a hard wearing dwarf grass mixture, similar to that used on Norwich City Football Ground. For those interested - it contains 40% 'Manhattan' which is the new dwarf grass with a fine leaf but very hard wearing.

It is hoped to get all those interested in the project together shortly to follow up the ideas voiced at the earlier meeting.

The next major work on the field is the erection of a fence between the adjoining property, and any volunteers willing to help would be very welcome. Please contact Tony Smith or Peter Kane.

Adams Pit

During the summer holidays a work party gave up one of their Sundays to start clearing the Pit. Many BMX enthusiasts collected sponsors, and worked very hard cutting down overgrowth and trees, It is hoped to finish the work with one more day soon. The money raised by the sponsorship will go towards providing BMX facilities on the field.

Those who worked so hard were, Stuart Taylor, Andrew Taylor, Andrew Sparkes, Colin Sanderson, Karina Taylor, Lorna Sparkes, Eilidh Taylor, Marcus Sayer, Steven Hook, Jennifer Sanderson, Jason Kane. Parents helping were Charlie Sparkes, Robin Taylor, Sandy Taylor, Elly Sayer, Tony Smith, Stephanie Kane. A great time was had by all ! Many thanks to Mr Elly Sayer for bringing his chain saw, and to everyone who sponsored the youngsters, they will soon be knocking on your doors for the money and I can assure you they have earned it !

Bawdeswell Parish Council

Items covered during the Parish Council meeting on Monday 15th July 1985.

1. As usual there was no meeting planned during August as it is holiday time. The next meeting will take place in the Village Hall at 7.30pm on the 16th September 1985. All parishioners are welcome.

2. Old Surveyors Land

The 21 days notice displayed for the Declaration of Transfer of these areas from District to Parish Council responsibility has expired and the documents are now with the Charity Commissioners for the final arrangements.

An on-site visit at Adams Pit was arranged with Mr Scowen, an environmental scientist from Norfolk County Council, interested in the upkeep of ponds; also present were Councillors Kane, Eglinton, Smith and the Parish Clerk. Mr Scowen is very interested in the project and has given advice as to what the Parish can do to start with, i.e. clear away undergrowth and rubbish and then a further check will be made to decide what help can be given from the County Council. Arrangements were made and with the help of parents and BMX enthusiasts, a sponsored weekend scheme has started clearing the pond.

3. Highways

An on site visit was arranged between Mr Jefferies of Highways Dept. and the Parish Clerk in July to confirm positions for planting trees this autumn in the Fakenham and Norwich Roads near the Bus Shelters and opposite the village school.

A letter has been sent to the Highways Dept. at the request of Councillor Curtis, concerning the lack of pedestrian footpaths along Dereham and Reephams Roads. It is requested that road signs "Caution - No Footpaths" be positioned to warn vehicle drivers of the dangers concerning pedestrians.

5. Recreation Centre

The present Insurance Policy held by the Council will cover normal activities on playing fields; BMX and childrens play areas will also, subject to supervision and inspection controls, be covered. Buildings are not covered, but the two Bus Shelters will now be covered under a new section to be added to our policy, and also any future buildings contemplated for the recreation area.

A further £1775.00 has been transferred from Council funds to Recreation Account.

6. Re-numbering Council Houses

The re-numbering of dwellings in Folland Court and Paradise Road came into effect from 15th August 1985; it is hoped that inconvenience to residents will be minimal.

7. Citizens's Advice Bureau

The Council has made a grant of £5.00 to assist this activity. The workload at Dereham Cherry Tree car park offices within the last twelve months has increased enormously and will now be open on Wednesdays and Fridays from 10.00am to 3.00pm. Advice is free.

8. Parish Documents

Old 1800 documents of the Inclosure Act of Parliament for Bawdeswell have been purchased from Mr Barrett of the Bell Inn Flats for the sum of £19.00.

9. Footpaths

Councillor Smith requested bridle-way signs for the Heath and Common Lane, also foot-path signs at Elsing Lane will be considered in the allocation of signs from the District Council during 1986.

Mum and daughter meet after 30 years

Mrs Rosemary Dack of Folland Court was told early in her life by her Dad and Mum, Mr & Mrs Cyril Bugdale, that she was adopted. Naturally curious about her original parents, Rosemary was able to start searching for them about 4 years ago when the law was changed. With help from Mr Grainger of Norwich Social Services 'Finding Care Unit', an uncle was traced in Woodbridge, Essex. From there Rosemary's natural mother was eventually tracked down in America.

Rosemary discovered she has a sister, and two brothers, and that her mother lives in Idaho, U.S.... In July of this year, what was expected to be a meeting with her uncle turned out to be a marvellous surprise when Rosemary's mother and family also arrived in Bawdeswell - staying at South View for a few days.

After an emotional reunion, and another visit to Bawdeswell in August - Rosemary now has two mums! She discovered she was born in Cockleshall, Essex, and when her mother was unable to keep her, she was adopted at 6 months of age. She has an invitation to go over to the States to stay with her brother who works for a logging company (and lives in a Log Cabin) near the Silver Mine in Idaho that employs most of the family. Still a British Citizen, Rosemary's Mum - June Derry married an American - Gene, and they settled in Idaho on the edge of the Yellowstone National Park.

Mr & Mrs Cyril Bugdale are thrilled that Rosemary has found her natural mother and Rosemary and family are planning to move to Whissonsett shortly, - We wish them well in their move.

Congratulations

To Mr C.R.J. Bugdale of Folland Court, Bawdeswell. Cyril was notified on 22nd July from the Officer Commanding at RAF Swanton Morley, that he has been awarded the 'Imperial Service Medal' by HM Queen, in recognition of meritorious service.

Cyril tells me he has worked for the RAF for 31 years
-nice one Cyril! Ed.

Mrs Elisabeth Gurney

It was with great sadness that we heard of the sudden death, while on holiday, of Mrs Gurney of Bawdeswell Hall. The funeral service on Thursday 1st August was one of the largest gatherings that Bawdeswell Church has seen in recent years and bore witness to the love and affection in which 'Betty' was held.

The lasting message of her sister - in - law's address at the service was of her sparkle and as a great encourager both of her family and of her wider circle of friends. She had for many years been an active member of the congregation of Bawdeswell Church, serving both on the Parochial Church Council and on the Deanery Synod. We thank God for her life and assure her family of our continuing prayers.

The Rector

Bawdeswell Over 60's Club

We've had quite a few outings over the last few months. These have included a visit with some of Foulsham Good Companions to Beccles, where we looked around the Waveney Centre. This is a centre specially designed for the elderly which is open all day, serving light meals and teas, and offers a variety of activities.

In June members and friends went to the Waveney Fish and Bird Centre at Diss, then on to Southwold finishing a Lowestoft for tea.

We have also been to Kilverstone Wildlife Park. Another outing took us on a tour round Thetford Chase, the fen land, Sandringham and Hunstanton. All these activities have been most enjoyable.

New members are always welcome from Bawdeswell and Foxley. We meet at 2.30pm on Wednesdays in the Communal room at Folland Court.

St Thomas's Church Tower Appeal

The Appeal is now well over the £5,000 mark thanks to the last three fund-raising events which raised the following amount:

18th May Concert at Bliching Hall - £431.12
23rd June Barbecue at Beck Hall - £465.90
20th July Fete at Foxley Lodge - £393.11

None of these sums could have been raised without the support of villagers in Foxley and Bawdeswell; the Committee is most grateful to all who helped to organise the events and, just as important, those who came to them. The weather did not relent for the fete but Lady Freeland made the best of it and appeared delighted to be back in Foxley once again. Darts from the Silver Jubilee, strawberries from Beck Hall, and Charles Stewards wizardry with the tombola all helped to swell the funds. We are particularly grateful to St Johns Ambulance for their effective demonstration.

Work on the tower should now begin so that the first phase of the restoration can be completed.

Please support the next event - the Flower Festival in the church. On Friday, September 20th, there is a service at 6.30pm at which the musical group 'Saraband' will be performing. Refreshments afterwards in the village hall from 8pm onwards. The church will then be open on Saturday, Sunday, and Monday from 10 - 6pm. Refreshments and stalls in the village hall on Saturday and Sunday.

All donations towards the Appeal will be welcome at the church, which will be floodlit over the weekend. Organ music will be played at intervals on each day.

As the flower festival is incorporating this years harvest thanksgiving, we would be most grateful for any gifts of produce or flowers to be brought to Mr Martin Chases Home or to the Church from Wednesday evening on.

All produce together with items for the Bring 'n Buy and Bric a Brac stalls will be sold at the village hall during the Festival.

Your most generous support and of course your presence with us whenever possible throughout the weekend will be much appreciated.
