Editorial. (Len's Swan Song)

Although I have not been editing the Reeves Tale very long, I shall certainly miss having the items for inclusion coming through my letter box each month, as this is my last editorial. My sincere thank you's to all who have submitted items.

To all the team who have made my job easy by their hard work and dedication in getting the magazine out on time, my sincere thanks and appreciation.

Thanks for your donations from Mace Stores, General Stores and the Garden Centre which amounted to £4 - 20p which are most welcome in trying to defray the cost of printing which is quite expensive these days.

The deadline for the next issue is the 16th March, please let either Grahame Humphries or Tony HOLMES have your items for inclusion by then. Tony has kindly consented to help run the magazine and can be contacted at, The Willows, The Street, Bawdeswell. Telephone 518.

FOOTNOTE

To the few dog owners who are allowing their dogs to foul the footpaths and grassed areas of Bawdeswell. Not only is it unsightly and not very nice when you walk in it, It is also an offence against the Bye-Laws. Please be more considerate towards others and clean up the mess if your dog is responsible.

Foxley Rectory
March 1988

Dear Friends,

All of us, I'm sure, have gone through what we call a "wilderness experience". Those times of feeling low, depressed and spiritually dry. Many of the Christian Saints through the ages, whose example seem to mark them out as being on a higher plain than us, are often the first to confess to periods of doubt and despair. They refer to their arid state in wilderness terms.

Though I knew the experience I have to admit to never having visited an actual wilderness. My training course in the Holy Land, however, changed that TWO visits to the barren southern region near the Dead Sea helped me to appreciate aspects of Jesus' ministry and relate the term "wilderness experience" to a real wilderness. Though admittedly barren and remote the wilderness has a strange beauty and hidden compensations. We visited the Wilderness of Zin and were fortunate enough to be taken by our coachdriver off the main road and down an extremely windy track into the Rift Valley below us. We then only had a short walk to discover one of the most wonderful experience of my visit - water in the dessert! Literally along the base of the valley were what I can best describe as Sheringham Rock pools dotted all around us. I sat on a rock as the rest of the party continued still further. Soon I became aware of lovely birds flitting between the sparse scrub and the pools. I bex deer appeared on inaccessible rock pinnacles. The wilderness was barren no more.

When our experience of life seems to reflect the wilderness rather than lush countryside perhaps with God's help we might be privileged to discover that he is there with us and gives us glimpses of his presence.

Yours most sincerely,
Grahame Humphries

BAWDESWELL RECREATION GROUND COMMITTEE.

As mentioned in the stop press item with the last Reeves Tale the Committee is now busy arranging some fund raising events for which we need your support. Some details are given below, but the main thing is for everyone to join in and defeat the feeling that there's "nothing going on in the village for anyone". If you still feel this, tell us and suggest what you would like - we will have a go at almost anything which would help create a feeling of community.

In case you have not heard, we are planning to build a centre on the ground which would take the place of the present Village Hall, now nearing the end of its useful life. We hope to obtain some money from local authority funds, for which we have to show that we can find the rest ourselves. By supporting our efforts you will be contributing to the good of the whole village - and, we hope, having some fun in doing so.

You will soon be asked to support a 100 Club, running for a period of 20 weeks, with regular weekly prizes and large ones at the end of the period. The cost will be £5 for the whole period, payable at £1 per time if you prefer. When we knock on your door, we hope you will respond.

In April we plan to have a CHILDRENS DISCO - possibly a joint one - please wait for further details.

On May 21st, there will be a 50/50 Auction in the Village Hall and Mr. Ken Ewing has very kindly agreed to do the selling. We do not want jumble, but will sell anything of value - please look out for details in and around the village; meanwhile, look out something we can sell on your behalf - and ours! We shall give this event wide publicity and hope that there will be lots of interested buyers.

Finally, if anyone has been omitted who had previously wanted to help, let us know. We formed a Committee as best we could, with incomplete records, so we could go into action.

MINUTES OF FOXLEY PARISH COUNCIL MEETING HELD ON 25TH JAN.
VILLAGE HALL, 8.00 P.M.

All Councillors present plus 4 parishioners and Mr. David Sayer, B.D.C. representative.

Minutes of previous meeting taken as read, signed.

MATTERS ARISING

Foul Drainage - A) - Existing System - Chairman contacted Mr. Chapman of Anglian Water to enquire programme of work which had fallen behind schedule. A.W. now plan to start cleaning out existing drains in February, after this will come manholes and rising main. They have allocated in next years budget for any trouble they may encounter. A.W. are probably interested in renting a small part of Surveyors Land approx. 10 x 10 metres. They will also supply a plan of route and size of rising main.

B) - Extension to Existing System - Letter received stating B.D.C. must make the first move. Mr. Sayer stated A.W. are dealing with at least 80% of the village and consider the project only minor, there is not a lot of sewerage work going on, presumably to keep the rates down. Foxley Parish Council have made formal application for first time sewerage for the whole of Foxley, and the matter will be placed before the Environmental Health Committee for consideration at its meeting on 23rd February, 1988.

Ornamental Village Sign - Agreed unanimously Miss Webdale's design of Fox in Wood. Mr. Cook proposed - seconded by Mrs. Joice that Miss Webdale receives £20. Also £5 to Miss Waters for her design, agreed unanimously. Mr. Murrell to contact Mr. David Nottage who has agreed to act as agent to obtain free estimate to carve Miss Webdale's design.

Village Hall Signs - Proposed by Mr. Cook, seconded by Mr. Skinner that Parish Council order signs etc. Parish Clerk to write to B.D.C. Highways.

Neighbourhood Watch Scheme - At the meeting held on 18th January, it was agreed there is a basis for 2 schemes. Schemes to be set up by co-ordinators who were named as Mrs. Helen Cook and Mr. John Fletcher for Foxley Village and Mrs. Marjorie De'Ath for West Foxley. Residents to receive information on the scheme by letter or visit by the co-ordinator.

Village Guidelines - Amendments proposed by Mr. Cook

BAWDESWELL & FOXLEY PLAYGROUP.

Has Spring really come at last? Actually being able to venture out without the benefit of thermal underwear! Hopefully we will be able to dispense with keep fit exercises and obstacle races at playschool to warm the children up.

February at playschool has been quiet (relatively speaking), we have been concentrating on trying to get the children to learn different colours and shapes. Thankfully due to funds being sufficient we have been able to buy some more table games to encourage learning in a more "fun way".

Valentines Day cards were many and varied having given them the materials and a rough idea, creativity flowed with some amazing results! (Some seemed to think the best idea was just to stick themselves to the cards !!)

As soon as the Sheep oblige we are hoping to take the children to see some new born lambs which should be an enjoyable experience for the children and hopefully the lambs too.

BIRTHDAYS FOR MARCH.

LUCY HALE 4 YEARS ON THE 6TH

RACHEL CHILVERS 3 YEARS ON THE 9TH

HAPPY BIRTHDAY GIRLS.

FORTHCOMING ATTRACTION.

As its been so long we are having a coffee morning on Tuesday, 22nd March at 10-30 a.m. There will be cakes for sale, a book stall and childrens clothes and equipment 0-5 years. The children will be showing their Easter Bonnets, hopefully along with the mums. Please come and support us.

As it is his last edition as editor, playschool wish Len Neil good luck for the future and hope he has a successor who can read my scrawl.

MINUTES OF BAWDESWELL PARISH COUNCIL MEETING HELD ON MONDAY, 1ST FEBRUARY, 1988 IN THE VILLAGE HALL AT 7.30 P.M.

Present - Councillors C. Sparkes, (Chairman), L. Neil, R. Eglington, M. Farthing, A. Smith & A. Wright. District Councillor D. Sayer and 11 parishioners.

Minutes of previous meetings - Meetings held 4.1.88 and 15.1.88 taken as read, agreed and signed.

MATTERS ARISING - 3/87/1946F Proposed Planning Development on land off Hall Road.

Chairman opened a general discussion stating the main six points as recorded in the Reeve's Tale, February issue, which were fully covered at the 15.1.88 meeting, had been returned to Planning Dept. along with the attached list of 30 parishioners signatures agreeing with remarks as submitted.

Points raised in open discussion - Councillor Wright suggested incoming items concerning agenda matters should be circulated to Councillors before meeting - this would be considered. Mrs. Irene Ames stated the minutes of 15.1.88 meeting, not reported in Reeve's Tale. Chairman - full details not published due to late receipt by Editor for publication. It was also suggested the 31 dwellings should be spread within village and not confined to 3.6 acre site. Chairman replied matter had been taken up with Mr. Rudkin, Planning Dept. who confirmed the density was well within standard practice per acre. It must also be remembered the extra people in the village would mean eventual added facilities. Parishioners still have plenty of time if they wish to write direct to THE CHIEF PLANNING OFFICER, THE GUILDHALL, DEREHAM, NR19 1EE stating their personal views which should be more influential. District Councillor D. Sayer had requested information regarding previous appeals concerning development in the area. Clerk was able to provide the necessary documents. D. Sayer said he would study them and make use of information extracted. Councillor Smith asked if he would look into developments now in the village and whether they were in accordance with planning applications. D. Sayer said he would certainly look to the interest of the village and speak on its behalf.

Other items discussed were:-

Finance - Precept and Bank Balance.

Recreation - Fund Raising to take place which included

March - starting 200 Club, April - Disco, May - 50/50 Auction. Please support them.

Highways - The Recreation Ground footpath kerb, road repairs in the Street and Reephams Road, replacing the post at Adams Pit and re the Highways Dept. to be split into two districts.

Street Lighting - B.D.C. offered lighting for the proposed development off Hall Road if approved by County. It was agreed no street lighting required.

Any Other Business - a letter of appreciation to B.D.C. for their assistance in marking out Recreation Ground - it was suggested Council and Recreation Committee Members to visit Thetford to discuss ideas and facilities for the village.

Best Kept Village Competition - Bawdeswell did not do as well as in 1986, but hoping interest will be raised by parishioners we are entering again for the 1988 competition.

Tree Planting - B.D.C. help for damage to trees in village - agreed matter to be discussed at next Recreation meeting. N.C.C. offer to assist tree planting in our area was declined.

Reeve's Tale - Council informed funding was low and a donation from the Council would be asked for.

Council Vacancies - Councillor Farthing raised the question regarding intended vacancies on the Parish Council. The Chairman and Councillor Smith referred to normal procedures. B.D.C. Attleborough would be informed and notices would be displayed in the local shops and Parish Council notice board. Councillor Ward has left the village and Councillor Neil will be resigning and leaving the village. Both resignations as from 1.3.88.

Dogs - Councillor Farthing raised the question of dogs fouling footpaths, Chairman stated notices are available and will again be shown on P.C. notice board.

Next Meeting - 7th March, 1988, 7.30 p.m. in the Village Hall.

'Late News' - A Planning Application has been submitted to Breckland District Council with proposed 3 garages for spare land, Chaucer Close, Bawdeswell for Mr. P. Bennett dated 4.2.88 asking for observations within 14 days.

" YOUR THOUGHTS PLEASE"

Page 14.

When I moved here, I could not imagine a Village Community such as Bawdeswell not having a village Public House, a place where one can keep in touch with each other, have a laugh, or a quiet drink, where families don't have to go out in the car and risk one's job by having a couple. I would like to know your views on having a Public House in Bawdeswell, whether you would be for or against it and where in the village if we were to have one, the best place to have it. Please can you contact Mrs Karen HART by placing a note in the box in the General Stores, Bawdeswell, stating your views. I would also like to start some after school activities, because I know how children can be a handful when they come home from school, they need to let off steam. I would like to know your opinions on having dance, gymnastics, beavers, cubs or some other activities. Please can you let me know what would be your child's interest and if possible, I could get something started. Please put it down on paper and put it in the box at the General Store.

BAWDESWELL AND FOXLEY W.I.

On a cold Monday night in February it was very kind of our President, Mrs Hazel Loose, to invite us to have our meeting at her home "Thatched Cottage". It was so much cosier and warmer than the Village Hall and I am sure you will all join with me in saying "thank you for your hospitality".

It seems a long time ago since our last get together for our Christmas Dinner, so it was nice to meet up again and to see quite a few new faces too, come again, the more the merrier. Our speaker was Mrs. Oldman who is an expert in Canvas Embroidery, she was very interesting and brought many examples of what can be done with this type of work, and what wonderful heirlooms they will become.

During the short business part of the evening, the possibility of an afternoon outing to Swannington Gardens was suggested by the President, also an evening at the Theatre, when there is something on that will suit most tastes. Everyone present was happy to go along with this, so more news of arrangements later. Refreshments were served by Mrs. Loose and Mrs Kemp and after a good old natter we departed into the cold night.

Next month, March 14th, we shall meet in Bawdeswell Village Hall at 7.30 p.m., for a demonstration of Knitting machines from "Pocahontas". I am sure that there must be many ladies who have thought of investing in a Knitting machine, well here is a good chance to ask all the questions and get the answers from the experts. Anyone who would like to join us for the evening will be very welcome.

GLADYS LOWE.

The Reeves Tale would like to thank Carol Nottage for her very kind gift of a wide carriage typewriter for use in its production - now all we want is a typist to use it.
