EDITORIAL

Almost everyone has their idea of the ideal country village. Most of us would like to see a green, perhaps with a duck pond, inevitably a mediaeval church, village hall for social events, village stores and post office. And let's not forget the village pub, bowling green and sports field.

Bawdeswell and Foxley enjoy these facilities in fair measure, including one of the best village stores for miles around. But wouldn't it be delightful to have a village green, complete with duck pond? We have the possibility in Bawdeswell, with Adams Pit just begging to be cleaned out and civilised - any of you with ideas on how this could be done without undue cost to the hard pressed council? And if we still want to improve the village, (and cease to envy Foxley) we surely ought to have a village pub?

One day, we hope to have a new village hall and sports centre, the latter available for both villages. But there's a long way to travel before this can be completed. How about YOUR ideas for a better village? Let us know and we'll publish the most interesting letters.

Foxley Rectory
May, 1988

Dear Friends,

It was a real joy to include a Baptism in last months Family Worship at Foxley. Baptism is by rights a public occasion which should take place in the context of regular worship. The local Christians welcome the newly baptised as fellow members of the Lord's family and rejoice with the child's or adult's human family as they receive the sign of the cross to show that they "must not be ashamed to confess the faith of Christ crucified".

By their involvement in the baptism service the local congregation can also involve themselves by praying regularly for those whose baptism they have witnessed.

Many Anglican churches now insist on Baptisms taking place in main services, thus restoring it to its rightful place and returning to a practice which was part of the life of the early church. While I would not want to say that afternoon family baptisms were out, it will always be my hope that baptisms like that of Thomas Robinson on 10th April will be at a main service. So don't be surprised to be asked if you are thinking of approaching me regarding baptism. If the service does take place later in the day I always ask one or two regular members of the congregation to come along. Their presence forges the link with the local congregation and makes the words "we welcome you as a fellow member of the Lord's family" real.

I hope it won't be too long before we are able to share in an equally happy occasion again in the church's calendar.

Yours most sincerely,
Grahame Humphries

BAWDESWELL AND FOXLEY W.I.

We held our meeting on Monday, 11th April, in Bawdeswell Village Hall and the first thing that struck me was the table full of lovely flower arrangements, all quite simple but very Spring-like. These were for Part 1 of our three part competition and later in the evening our speaker, Mrs. Wayne Heapy, judged that the one she liked best was by Mrs. Gladys Dobbs; her second choice was by Mrs. D. Lake and equal third by Mrs. M. A. Curson and Mrs. G. Lowe. Members all agreed to send a donation to the R.N.I.B.

The subject of Mrs. Wayne Heapy's talk was Food and Nutrition. She cooked some very appetising light snacks, all very nutritious, using fresh vegetables, low fat and, of course, unadulterated flour and bread. The selection of groceries on display showed us what to choose for healthier eating and what not to buy. It certainly gave us food for thought.

After some super refreshments, provided and served by Mrs. M. A. Curson and Mrs. I. Ames, our Secretary read out the Resolutions which we will mull over during the next month, then at our May meeting we will decide which way we want the delegate to the A.G.M. to vote for us. A member from Swanton Morley will be representing us at the Albert Hall this year and will be at the May meeting.

Our May meeting on the 9th May at 7.30 p.m. is rather special. Mr. Bryan Sage, who is a well known Wild Life Consultant, is to give an illustrated talk - "Wildlife in Coastal Habitats". A small charge of 50p will be made for any member of the public who wishes to come; this includes refreshments, of course. Look out for posters in the shops.

MINUTES OF FOXLEY PARISH COUNCIL MEETING HELD
ON 25th MARCH, 1988, AT VILLAGE HALL

Present: K. Murrell, C. Skinner, T. Cook, W. Potter,
 M. De'Ath (Parish Clerk), plus 6 parishioners and
 Mr. David Sayer (B.D.C. representative).

Apologies for absence: Mrs. M. Joice.

MATTERS ARISING:

Foul Drainage: Chairman spoke on the existing system. Mr. Sayer said we will get a complete sewerage system if a great enough number of people are interested. Chairman and Vice Chairman have carried out a survey (not yet completed) to find how many residents wish to be connected. Mr. Sayer said if 70% of residents agree it becomes automatic, all are connected. Chairman has been in touch with a contractor who has given an average length price of £350 - £500. Being connected could also mean increase in value of property. All new properties would be connected to new sewer. Anglian Water will conduct their own survey.

Surveyors Land: £250 has been offered by Anglian Water to buy part of the land for Pumping Station.

Mr. Cook suggested we look into leasing the land to Anglian Water. Clerk to contact Mr. Dewing who is acting as agent for us. Mr. P. Bennett of Foxley wishes to lease part of the land to store glasshouses for approximately 6 months followed by a business of 5 years duration. Storage on our terms for a weekly rent of £4 was not carried.

Note: This result was interpreted as carried at the meeting but it was afterwards realised that insufficient votes were in favour.

Ornamental Village Sign: Mr. David Nottage has taken approved sketch away for woodcarver to produce an estimate.

Village Seat: This has arrived and Mr. N. Mears will fix the seat in recommended position.

Neighbourhood Watch Scheme: Very poor reception in West Foxley. Survey not yet finished in Foxley village.

Village Guidelines: Proposed Guideline extension to include part of Mr. Skinner's land at Old Fakenham Road. Turned down by Planning Office. Parish Council was not consulted when the Guideline was extended to include the land at Turnpike Farm. Mr. Potter said Parish Council should be consulted and Mr. Cook said we should express our deep concern as to the principle. Clerk to write to Planning Office.

Village Caretaker: A gentleman from Bawdeswell applied and will let us know in due course if he will take the job. Mower and hand tools must be provided.

Bus Shelter: Estimated cost to repair is £47. Mr. Skinner proposed, Mr. Potter seconded and it was agreed repair should go ahead.

Bawdeswell School Governor: Is anyone interested in taking over the position of local School Governor as Miss Joice may step down? Chairman to speak to Charles Sparkes about an entry in the Reeves Tale.

BAWDESWELL AND FOXLEY PLAYGROUP

Where is the year going to? With lighter nights and warmer weather it is beginning to feel as though summer could be just around the corner. At playschool we shall soon be starting our outings which the better weather encourages. Next month will be our annual trip to Reepham Fire Station, which is always a popular if rather "soggy" event.

Many thanks to all who supported our Easter coffee morning. It was very successful with £34.22 being earned towards playgroup funds. The children (or should I say the mothers) once again excelled themselves with the Easter bonnets. I think Gertrude Shilling could learn a thing or two! Thanks also go to Mrs. Lowe who had the unenviable task of judging the millinery.

Happy Birthday Greetings for May go to

Christine Eglinton - 4 years on 3rd May,
Stephen Eke - 4 years on 31st May.

Also many congratulations to Sharon Eke on the birth of a lovely baby girl, Zoe, on 30th March.

We have had quite an increase in attendance at playschool recently. With twenty children on all three mornings the hall suddenly seems to have shrunk - another good reason to press on and get the new one built!

Lastly, we would also all like to welcome Barbara Duncan as the new playschool assistant and wish her the best of luck in her new job.

Until next time,

Melanie Chilvers

The village Schoolmaster

'In arguing too, the parson owned his skill,
For e'en though vanquished, he could argue still;
While words of learned strength and
thund'ring sound
Amazed the gazing rustics, ranged around,
And still they gaz'd and still the wonder grew,
That one small head could carry all he knew.'

VIEWPOINT

I was sad to read Melanie Chilvers' letter in your April edition. If she had come to the Meet of the Foxhounds at our house, she would have found:

- 1 That she, along with everyone else, was made welcome.
- 2 That the hounds were well behaved. They were let out of the transport van into a grass field to relieve themselves on arrival. Thereafter for the next fifteen minutes or so they were on the gravel in front of the house; there were no messes. They were then exercised again on grass before coming through the village. If a hound was caught short, I must apologise. Perhaps Mrs. Chilvers may learn, if she lives in the country for as long as I have done, that, however well trained, dogs are not always predictable in their habits - nor for that matter are cats or small children!
- 3 That I rode in front of the hounds personally to ensure that no child, nor cat, nor dog, nor anything else was loose or out of control in the street so that no harm could befall them.

Yes, Mrs. Chilvers, whilst we foxhunters enjoy our sport, we do try to be considerate to others. For example our local Hunt compensates on the rare occasion that damage is done and we are unable to rectify it reasonably.

Finally, from the several comments I have heard from fellow villagers, the sight of the Hunt passing through Bawdeswell was obviously very much enjoyed and I therefore hope to be able to bring hounds and horses again in the future.
