EDITOPIAL - OCTOBER.

Yet another disappointing summer is fading into Autumn all too quickly and as the children return to school, perhaps you may have a few moments to sit back and reflect on some of the pleasures of the holidays before they fade from memory. No, you may not have watched the sun set in the Caribbean, nor felt the effect of temperatures of over 100°F in Greece; you may not even have walked across the strand at Folkham or Wells. But somewhere, there may lurk a memory of something unusual or special which marked your holiday period. We would very much like to have a letter from you and will publish what we can in the next issue.

Recently, we took part in a sponsored walk in Norwich, entirely in the old part of the City, in the course of which we visited twenty one churches to raise funds for charity. But it was not the glories of the old churches which remain in the memory, lovely though many of them are. The old City itself, with its narrow streets, alleys and courtyards, many well off the usual tourist routes, seems not to have changed for hundreds of years and left us with an abiding sense of the peace and beauty of what is surely the most beautiful City in England. Returning home through the intense green of the fields and woods of the local countryside, perhaps there is something to be said for our climate after all. They may even envy us in Barbados and Greece!!

A.R. HOLMES. The Willows, Bawdeswell (Tele 518).

An old lady and a very small boy were seated side by side in church. As the collection plate was being passed, he noticed her fumbling in her pockets. Leaning over he whispered, "here, you take my 20p, I can hide under the seat."

Dear Friends,

A born-again policeman in "The Bill", and an accident victim in "Casualty" who shares her faith with the doctor treating her. What are the television channels coming to? Usually the television portrayal of christians is comical - fussy do-gooders or slightly odd clergy who seem to bungle everything.

Our faith in God should be a natural affair expressed openly when opportunities arise. If we live life "in all its fullness" as Jesus intended then we will get involved with people and be to the forefront of social concern. Hopefully by winning respect through our actions, we will, less and less, find ourselves being written off as the lunatic fringe.

I haven't yet seen how the christian copper in "The Bill" is making out and I doubt if the young woman in "Casualty" will make a reappearance. What matters though is that men and women of faith from Foxley and Bawdeswell are, with God's help, being salt and light in society.

I hope too, that the opportunity of worshipping together when the Bishop of Norwich is with us, (details elsewhere) will be taken up by many. May I extend a very warm welcome to the Flower Festival at Bawdeswell to you all.

Yours most sincerely,

GRAHAME HUMPHRIES (Bawdeswell 397)

SOME REFLECTIONS ON THE LAMBETH CONFERENCE from
BISHOP TIMOTHY.

It was a Nigerian bishop, who spoke to us of the "over-intellectualization" that accompanied too much of our reading of the Scriptures, and the need to re-discover the devotional approach to the Bible as God's living word. From BISHOP PETER. Lambeth '88 was for me a time of real renewal, of vision, of faith and of love for our Church.

BAWDESWELL AND FOXLEY W.I.

August 10th seems far away in the dim and distant past but it was the memorable evening when Mrs. Gladys Dobbs had us visit her home and garden. It was a lovely evening and we really enjoyed mooching around her garden and discussing all the plants and flowers; then as it got cooler we went indoors and were offered some super refreshments which we thoroughly enjoyed.

The competition was for a poem on The Garden in Summer; there was only one entry and this was from Mrs. Olive Curtis but we all agreed it was so good that it should be published in the Reeves Tale for all of Bawdeswell and Foxley to share. I'm sure you will enjoy it.

The rest of the evening we sat and discussed various subjects from Current Affairs to local issues up to the end of a really pleasant evening.

We shall have been on our theatre visit as you read this. I can't see that it can be anything but a success and we shall all be humming "Oh! What a Beautiful Morning". More on that next month.

The 30th September will see a hive of industry in Bawdeswell Church getting the floral decorations and arrangements ready for 1st October. Some W.I. members will be doing their 'bit' but, of course, all of us wish Mrs. Irene Ames, the co-ordinator, every success.

Our meeting on 10th October at 7.30 pm in Bawdeswell Village Hall should be quite fun. Mr. & Mrs. Allen are going to entertain us with Poetry and Prose for Hallowe'en and there will be our pumpkins to judge, of course.

I do hope some of our new residents will make a note of this and come along and join us; you will be very welcome.

Gladys Lowe.

AN IMPORTANT WEEKEND FOR BAWDESWELL

Built as a result of the war-time destruction of its predecessor, Bawdeswell's beautiful modern church is shortly to be decked out in its finest array, on the occasion of a flower festival with the theme "A Countryman's Year". This really is a very special occasion, involving the work of many ladies in flower arrangement, decoration and catering so that the theme is skilfully represented it should appeal to all countrymen, old and new, (including converted townsmen now living here).

A preview party takes place on Friday, 30th Sept. at 7.30 in the church, which will be open over the whole weekend. Tickets for the party are available from any member of the church council or from the village stores, price £1.50 to include a glass of wine. On Saturday and Sunday, a ploughman's lunch will be served in the village hall and the event will conclude at 6.30 on Sunday with a service conducted by the Bishop of Norwich.

An important occasion, reflecting a countryman's pursuits. Don't miss it!

MINUTES OF FOXLEY PARISH COUNCIL MEETING HELD ON FRIDAY, 22nd JULY 1988 - 8 pm VILLAGE HALL

Present: K. Murrell, C. Skinner, M. Joice,
M. De'ath (Parish Clerk) and 3 parishioners.

Apologies: T. Cook, W. Potter.

Matters Arising:

Village Caretaker: Mr. R. Smith accepted the job as caretaker - cutting grass in specified places and generally tidying the Village Hall area. He has, unfortunately, sustained a bad back and Mr. Potter has taken over for the time being. At the present time the mower is under repair. We wish Ron a speedy recovery.

Bus Shelter: Now repaired and treated and the account of £62 settled.

Emergency Planning Officer: No-one has applied for the job and Parish Clerk will write Major Routledge to this effect.

Concrete Post: Mr. Skinner has now removed the post near Village Hall.

Foul Drainage - Existing System: The sale of part of the surveyors land to Anglian Water is now in hand and hopefully will soon be completed. All residents in Foxley West received forms to sign and return to B.D.C. to ascertain how many residents wish to be connected to the new sewer.

Ornamental village Sign: We have ready the design, the post and someone to make up the design. We still await permission from the new Highways Dept. at Horsham.

Foxley Correspondent: Council feel, as we are a growing village with news to report, we should have our own correspondent. Clerk to speak to Mrs. Gladys Lowe to ask if she would have any objection to our advertising.

Insurance - Village Hall: Municipal Insurance to arrange for their representative to call to sort out the new insurance cover on Village Hall.

Donation: CPRE have sent 10 raffle tickets which Parish Council agreed unanimously we should buy as a donation to fund raising.

Contd.....

FOXLEY PARISH COUNCIL (Cont'd)

OTHER MATTERS - Clerk to write County Hall regarding large pot-hole left hand side of road in Foxley going towards Themelthorpe.

AUDIT - Coopers & Lybrand have no adverse comment. Clerk has dealt with VAT and a cheque for £110.86 was received.

PLANNING APPLICATIONS - Clerk produced record of outstanding applications.

OUTLINE PLANNING - granted to W. de Havilland of Turnpike Farm by B.D.C. - erection of 3 dwellings.

PLANNING APPROVAL - not granted to D.J. Smith, Fairfield, Foxley West, for single storey dwelling. P.C. offered no objection. An Amended Plan has now been received.

PLANNING APPLICATION - C. Skinner, Church Farm for 8 dwellings in Foxley. Parish Council objected strongly - an Amended Plan has been received for 7 dwellings to which P.C. objected.

P. Davis, Moor Farm, Foxley - Conversion of range of former agricultural buildings to 7 holiday flats. P.C. expressed mixed comments.

Mr. J. Fletcher, Street Farm, Foxley. Erection of prefab. terrapin home for disabled daughter. P.C. offered no objection.

Meeting closed at 9.10 p.m. Date of next meeting Friday, 23rd September, 8.00 p.m. Village Hall.

A special word of thanks to all the cyclists and walkers who took part in the Norfolk Churches sponsored Cycle Ride on Saturday, 10th September. Thanks to generous sponsorship both All Saints and St. Thomas will be receiving a cheque from the Norfolk Churches Trust. If you sponsored one of the participants thank you very much for your support. We were also most grateful to those who undertook to be on duty in both churches and to 'sing in' the cyclists.

RETIREMENT OF DR. PEARSON

Araucana,
Great Heath Road,
Elmham, Dereham,
Norfolk, NR20 5EY.

15th August, 1988

Dear Sir/Madam,

Did you know that Dr. G.W. Pearson is retiring from Practice on September 30th, 1988 after serving Elmham and surrounding villages for about 30 years.

To mark this occasion a presentation evening has been arranged in Elmham Memorial Institute for 12th October, 1988 at 7.30 p.m.

If your village is interested in supporting this function, perhaps you would contact the Treasurer, G.W. Marsh at Elmham 634 or myself at Elmham 267. We are sure that many of your parishioners would wish to contribute towards this. (Closing date September 30th, 1988).

Yours faithfully,

E.G. Bidewell,
Chairman

MINUTES OF BAWDESWELL PARISH COUNCIL MEETING HELD ON MONDAY,
5TH SEPTEMBER, IN VILLAGE HALL AT 7.30 P.M.

Present - Councillors Sparkes (Chairman), Farthing, Wright,
Eglington and Holmes.

Apologies - Councillors Smith and Cooke

Minutes of Previous Meeting - taken as read, agreed and
signed.

The Childrens Roadshow was a big success; thanks to Mr.
and Mrs. Dawson for making their services of water and
electricity available.

Clerk's Report - A letter had been received from Eastern
Counties Bus Co. apologising for their buses speeding through
the village and assured us that this practice will discontinue.

A letter from B.D.C. regarding the repositioning of the
speed limit signs along Norwich Road and the County Surveyor
should be contacting the Council in the near future.

Some of the Highways repairs have been completed and the
Chairman agreed to contact N.C.C. again to discuss the
remainder.

A letter from N.C.C. regarding 'no motor vehicles' signs
on the Heath stated that they would have to be put up by
the Landowners. Councillor Eglington (who is a member
of the Heath Committee) agreed to raise the issue at the
next Heath Committee Meeting.

Planning - Mr. & Mrs. Holt, Rose Cottage, The Street -
2 storey extension - no observations.

Mr. A. Battley, General Stores - Glass fronted Notice
Boards - no observations.

Any Other Business - Councillor Farthing had received
complaints regarding the old road that leads off the Norwich
Road. This road is actually a private road that belongs to
Mr. Gurney, Bawdeswell Hall, who is currently having work
carried out on the road to convert it into a drive to his
residence.

Councillor Farthing had also received complaints about the
loudspeaker system used by Bennetts Garden Centre. Action
is to be taken to rectify this problem.

A letter had been received stating that Dr. Pearson from
the North Elmham surgery, is retiring soon. A party is

to be held, full details in the Reeve's Tale. (page 11).

A letter had been received from the Citizens Advice Bureau
inviting the Council to attend the Committee Meeting.
Chairman to attend if possible.

The Council would like to know villagers opinions of whether
they would prefer the old type or new type of Telephone
Kiosk. Telecom are replacing kiosks in the area.

200 Club - next draw end September with the final monthly
payouts including top prize of £100. If the few outstanding
payments are not paid before the draw their tickets will
be classed as void. It will also be considered whether and
when a further draw is organised.

A.G.M. Parish Councils - 15.10.88 - Chairman to attend if
possible. Also Councillor Holmes proposed that the Council
submit a resolution requesting that local councils have more
say with regard to Planning Applications. This was seconded
by Councillor Wright and unanimously agreed.

The Chairman stated that the Financial Accounts were looking
good and hopefully the Council should be back in the black
next year, after the November discussions regarding Council
Finance.

Mrs. Olive Curtis stated that the new bus timetable will be
available soon and as she is soon to leave the village Mrs.
Farthing agreed to liaise with Eastern Counties in the future.

Mr. Battley expressed concern regarding the entrances into
Mr. Gurney's property, if both the front entrances are closed
off the emergency services would have a long way to travel.
It was stated that one of the front entrances is believed to
be staying open.

Recreation Ground

Councillor Holmes stated that plans had been received from
the Architect for the new Village Hall but the idea of
having a high roof to allow for Badminton had had to be
abandoned as it was too costly. New plans are now being
drawn. Hopefully the sale of the land which the current
Hall sits on will bring in a large amount of money, obviously
there are a lot of problems yet to be overcome, including what
will happen during the changeover period but with everyone's
enthusiasm these can be overcome.

NEXT MEETING 3.10.88

BAWDESWELL RECREATION GROUND COMMITTEE

During the holiday months, our money-raising activities have been suspended, but we meet shortly to go into action again. Meanwhile, the Architect has been to see us again and is drawing up amended plans from which we should be able to seek planning permission for the development of the combined village hall and bowling green area (plus a little more land). This is subject to the agreement of those concerned but our hope is that the proceeds can be made available to build the promised new hall and sports centre on the recreation ground.

This has been a long drawn out business but events could now begin to move more rapidly and you will be kept fully informed.

APPROPRIATE QUOTES

From the towns all Inns have been driven: from the villages most. Change your hearts or you will lose your Inns and you will deserve to have lost them. But when you have lost your Inns drown your empty selves for you will have lost the last of England.

Hilaire Belloc - This and That

(Anyone feeling worried? - Editor)

The Chancellor of the Exchequer is a man whose duties make him more or less a taxing machine. He is entrusted with a certain amount of misery which it is his duty to distribute as fairly as he can.

Robert Lowe, Viscount Sherbrooke,
House of Commons, April, 1870

31 Hall Road,
Bawdeswell.

I would like to take a little space to thank most sincerely my neighbours and friends in Bawdeswell, plus others whom I scarcely know - who have sent messages of sympathy, flowers and donations since my dear husband's sudden passing on August 27th. Their kind offers of help and words of comfort have touched me emotionally. Although we came here in July last year as virtual strangers, we were not made to feel that way. We were welcomed into the community who, with their cheery words and friendly waves, made my husband so very happy here. My thanks to those who travelled to the Crematorium, and to the Rev. Humphries for taking the service. In times of trouble it's so comforting to know people care. Special thanks to my family who have been a tower of strength to me by being there when I needed them. My heartfelt thanks to you all.

Phyllis V. Dance

1. Bawdeswell Heath is a precious amenity for the quiet enjoyment of all of us; somewhere to take children and dogs for walks in lovely surroundings. Unfortunately, the privilege is being abused by people riding motor cycles on the heath and, indeed, by cars from the Billingford road lane access. There has even been reported the sight of a Land Rover crossing the swamp at the Dereham road entrance. We shall be grateful if those responsible will respect the privileges of those who wish to continue the quiet enjoyment of this valuable amenity

2. Phone Boxes. It is proposed to install a new style box in place of the old one by Bawdeswell church. Apparently we have to enquire whether there is a majority in favour of keeping the old red box. Surely not, but if you don't agree, let the editor know, please.

3. Recreation Ground Committee. Watch for an announcement soon about the draw for the top prize of £100 and others. But be quite sure that you are fully paid up - otherwise your ticket will be invalid!

4. Bus Services. As Mrs. Olive Curtis is leaving Bawdeswell soon - (we shall miss you, Olive) - responsibility for liaison with Eastern Counties Bus services will, in future, be assumed by Mrs. Mary Farthing of Hall Road, Bawdeswell.

5. Dr. Pearson to retire. Elsewhere in this issue you will find a letter referring to the retirement of Dr. Pearson of North Elmham who will be known to many patients living in our two villages.

FOXLEY VILLAGE HALL ANNUAL GENERAL MEETING

The A.G.M. held in the village Hall was poorly attended. The Committee was re-elected en bloc as follows:

Chairman.....Mr. Bill Potter.
SecretaryMr. Howard Lupton.
TreasurerMr. Keith Murrell.

Other Committee members: Mrs. Pam Weeds,
Mrs. Helen Cook, Mr. John Fletcher.

Hall Bookings: Mr. & Mrs. H. Lupton. Bawdeswell 522

Hire Fees:

Monday - Thursday inc... £2.00 per hour.
Fridays and weekends ... £2.50 " "

Monday - Thursday inc...£10.00 per day
Fridays and weekends ...£15.00 " "

Deposit of £25 on full day bookings. New fees to come into operation from 1st October.

Chairman informed the meeting he was pleased to see the first phase of the re-development of Village Hall finished; this included painting all the outside walls, installation of a new canopy, the purchase of another cooker and replacement hot water heater in toilets. Many villagers had passed favourable comments about the new face lift.

The audit of the books had taken place during May. The Treasurer's report showed a profit of £212.79 in the last financial year. This, however, is a rather false figure as £614 had been spent since the audit and only £87 income had been received.

The Chairman expressed the need to continue with up-grading of the hall. This will take place in the new current year with the following planned:

Redecorate the entire internal walls and ceiling including toilets and kitchen. Fitting of additional door in cloakroom to add extra storage space.

THE GARDEN IN SUMMER

by Olive Curtis.

I am sitting in the garden
 Scratching from head to toe;
 Midges and greenfly surround me -
 I can hear things buzzing too.
 But although I'm being eaten,
 I really must confess
 I do enjoy the garden
 In spite of all the pests.
 I love the morning freshness,
 The scents and butterflies,
 The spiders' webs among the flowers,
 The ever changing skies.
 The splashing of the fountain
 As it falls among the leaves
 In the pond that lures the dragonflies
 With their beautiful azure gleam.
 And in the summer evening
 When the garden's cool and still,
 The heat of the day forgotten
 And the bird song just a trill,
 One looks at the beauty around one,
 Petals closed on another day,
 And knows that God has been working
 In His very special way.
