EDITORIAL - JUNE 1991

Dear Readers,

As you are aware, Trish has now retired as editor of the Reeves Tale and we send our thanks to her and her loyal helpers for all their hard work in the past.

Being relatively new to the village this opportunity to edit the Reeves Tale will enable me to put names to faces!

To help lighten the load, I have two 'assistant editors', namely Jane Dickinson and Linda Richardson who will be helping me every month.

If anyone has any suggestions as to how they would like to see the Reeves Tale developed or has any contribution to make then please do not hesitate to contact one of us. Remember this is your magazine.

Jane Thompson - Editor

Beech House, The Street, Bawdeswell. Tel: 491

Gloria Elsdon can no longer help with deliveries of the Reeves Tale in The Street. We welcome Betty Adams who will be taking over and say thank you to Gloria for all your help when it was needed.

Kevin Maylam has offered to take over as editor of the junior page as from next month. Good luck Kevin and thank you to Lisa for all her hard work in the past.

### STREET NAMING COMPETITION

Four suggestions so far: Reeves Walk  
Canterbury Court  
Canterbury Place  
Eglingtons Lane or Way

Does anyone have any more suggestions? What do you think of these names? The competition to find a name for the new Hall Road development will remain open for the next month.

### LITTER

The next litter pick will be on SATURDAY 8th JUNE at 9.30 am. Please bring bin bags and wear gloves. Meet at the Old Village Hall.

### SWANTON MORLEY AIR SHOW

Don't forget folk, our stall on 16th June. Why not treat Dad to a day out on his day. Make it a family day out.

After Bank Holiday Monday a member of the recreation committee will be calling on you for a small item that can be given as a prize on our Tombola Stall. We do need your contribution for your future Village Hall.

Thank you  
Mary Farthing.

A warm invitation to all ladies to join us for the Methodist Circuit Garden Party at 2.30 p.m. on Thursday 20th June. Speaker - Mrs. Margaret Kibble. To be held at Moor Farm, Foxley.

MINUTES OF A.G.M. HELD IN BAWDESWELL SCHOOL ON TUESDAY  
7th MAY 1991 AT 7.30 PM.

PRESENT - Councillors Holmes, Sparkes, Battley, Bramley, Strickland, and Curtis the Clerk and 4 parishioners. An apology was received from Mrs Farthing who has been co-opted as the seventh member of the council.

Councillor Sparkes opened the meeting by welcoming the new councillors and those members of the public attending. He stated that we now own the Recreation Ground and hoped that we would soon be able to hold meetings in a new village hall. It is now a year since we began using the school for Parish Council meetings. The Clerk then invited nominations for Chairman. Cllr. Battley proposed that Cllr. Holmes should take this office. This was seconded by Cllr. Bramley, there being no other nominations Cllr. Holmes was invited to take the chair. It was agreed to hold the election of Vice Chairman until next month when all Councillors are present. The Chairman asked that a vote of thanks be recorded for all the work by the retiring Chairman, Cllr. Sparkes over a period of many years. This was seconded by Cllr. Battley.

Community Car Scheme - Little interest so far. We await more volunteers.

FINANCE - First installment of precept and grant have been received from Breckland amounting to £2,036. Balance of account £2,364.36.

Hire of school for meetings has increased to £8.40. Playing Field maintenance contract is £531.39 this year.

It was agreed to pay the £500 interest free loan from Mr. Gurney to the Parish Room account as previously arranged. A further donation of £500 will be made on receipt of the remaining precept later in the year. New signatories are Cllr. Holmes, Cllr. C. Sparkes and Cllr. M. Farthing. Clerk will arrange mandate with bank.

The Clerk's salary is to be increased to £590 per annum in line with the recommended figure from the Assoc. of Town and Parish Councils. This will be paid monthly by bankers order.

CLERKS REPORT- Due to the resignation of Cllr. Smith another councillor is needed to represent the PC on Bawdeswell Heath Committee. Cllr. Nigel Curtis was proposed by Cllr. Sparkes and seconded by Cllr. Battley and agreed to hold this position.

#### Planning

Permission granted:

3/90/1610/F N. Curtis Continued use of landscaping Business and formation of access.

3/90/1723/F Orbit Housing Assoc. Low cost housing 5 on the Village Hall site.

New Developments:

3/91/405/F Mr. M. Elsdon. Double garage for use with barn conversion. No objections.

3/91/405/F C. & P. Rogers. Erection of 9 two bedroom starter homes, Phase 3, Hall Road.

Concern was expressed regarding access through Hall Road by the extra traffic that will inevitably be produced by extra housing. No speed limit in Hall Road. Not entirely happy with the density of the proposed housing and is there still a need for more starter homes in the village alongside those already in the pipeline?. Also, no play area has yet been agreed. These observations will be passed on to the

Planners at Breckland and the Clerk will contact Mr. Rogers about any progress towards the promised play area.

RECREATION REPORT - The Village hall site has been valued and the Trustees have asked that the property be offered for sale through Ewings of Reepham. No approach yet from Orbit Housing. The Chairman has dealt with minor queries from the Charity Commissioners and has also invited the architect to attend a meeting to discuss ideas, free labour etc. for the new hall.

ANY OTHER BUSINESS- School Report - an apology from Miss Joice who could not attend, but Cllr. Sparkes reported that all is well at the school. The Governors term of office ends next year and Miss Joice will remain our representative until then.

Cllr. Battley reported fly-posting on telegraph poles in the village by Fakenham Lions. Clerks will politely request that these are removed after the event, pointing out that as we are entered for the best kept village competition we do not appreciate this activity.

The question of street lighting has again been broached, but it was agreed that there is enough private lighting in most areas, it is to our advantage financially not to have lighting and at the last open meeting on the subject, the village was most definitely against installation.

Mr. Mercer queried whether the new development adjacent to the Recreation Ground would prevent a splayed entrance being constructed as originally intended, to facilitate driving out of the gateway. It is hoped eventually to provide an access through from the street through land owned by Mr. Elsdon. Concern was expressed about the load on the sewerage system in the Hall Road development. This will be taken into consideration by the planners.

There being no other business the meeting closed at 8.35. The next meeting will be held in the school on Monday 3rd June at 7.30 pm.

## GO VEGETARIAN

Have you ever wanted to try a vegetarian diet, but not known what to put in place of that meat? Well, for several years now the manufacturers of meat products have been using a substance to "stretch" their products that is 100% vegetable in origin. In other words, many sausages seen in a butchers will contain about one third vegetable protein. Now some enterprising food manufacturers have gone further and produced a whole range of sausages, burgers and other "fake" meat products from this Textured Vegetable Protein or TVP as it is known. There are burger and banger mixes, mince and chunks all much cheaper and healthier than any meat. TVP is higher in protein than most meat, but it is lower in fat, has no cholesterol and has fewer calories. The really good news is that this new "wonder food" is now available at our local store. Why not try it. Here a couple of recipes that have gone down well with my meat eating family. If you like them, give me a call and I'll get a few copies made of a dozen or so recipes for circulation.

Bawdeswell and Foxley Playgroup

We have a new little girl joined us at playschool this term so we welcome Abigail Kirkcaldy and hope she enjoys her time with us.

On Monday 13th May playschool had their summer outing, the coach left from Bawdeswell School at 9.30. We had a couple of hours at the soft play centre at Wells, which the children thoroughly enjoyed, then the coach picked us up and took us down to the beach for a picnic and the weather was wonderful. The children came back with shells, seaweed and dead crabs all collected from the sea pools. After brushing our sandy feet, we finished with ice cream and lollies, then back to the coach in time to pick up from school, it was just 'perfick'.

The Fun Day on Sunday 14th July on the recreation ground is the next event. We have three tug of war teams coming along to show us how its really done. A team consists of eight and Viv the milkman will be referee. Please come and cheer the local teams or form your own team ring Wendy on Bawdeswell 320 for details.

On Wednesday 19th June we are taking the children to the Rural Life Museum at Gressenhall for their Baths, Buckets and Boilers exhibition and then for a picnic afterwards, returning to The Willows at approximately 2pm. We are keeping our fingers crossed for a sunny day.

Our visit to Bawdeswell School to see the newly hatched chicks and listen to a story from Mrs Drury was wonderful our thanks to the school for inviting us.

Our trip to the Dinosaur Park has been arranged for June 14th weather permitting.

Packed lunch days have proved so successful that we are now including Fridays after half term.

Our morning at the heath was very enjoyable we hope to visit the heath regularly throughout the summer months.

Half term approaches, we break up on the 24th May and return on Monday 3rd June.
