EDITORIAL - MAY 1991

Dear Friends,

Over the past two years I have made many friends whilst I have been editor of Reeves Tale and it is with sadness and regret that this will be my last Editorial - as you all know, Eddy and I have moved to a much smaller house and are unable to accommodate the photo-copier and paper, if it were possible to house them in Bawdeswell with me being able to go once a month to do the printing it would have been possible to carry on.

Rev. Humphries has found a very kind gentleman who is willing to store the old printer for the time being which has solved one storage problem.

Janet Thompson of The Beeches, Bawdeswell 491 has kindly offered to take over the running of the Reeves Tale and I would like to wish her every success, I am sure she will enjoy it as much as I did. Janet and I will do the June issue together, after that she will take over the editing on her own.

I would like to take this opportunity of thanking all the typists, collators and distributors and of course all of you who went in contributions - I would not have been able to edit Reeves Tale without you - **THANK YOU.**

Yours most sincerely,

TRISH HIDE - Editor

Foxley Rectory
May 1991

Dear Friends,

The plight of the Kurds seemed to dominate April and, as one clergyman I was talking to recently said, it made the first verse of Psalm 121 seem more real than ever - "I will lift up my eyes to the hills, from whence cometh my help?" Someone also commented "where is God in all their suffering?" Perhaps the question needs turning on its head, for God might well be saying "Where are my people that they might help those in need?"

While the situation within Iraq remains a complex and unresolved problem, there could be no doubt in our minds that help was needed, and was needed fast. The swift action of governments was praiseworthy but this alone could not completely relieve the suffering. The aid agencies were looking to ordinary people like you and me in order that they too could make an effective contribution. The United service of Easter Praise on the Sunday following Easter Day in Foxley was a joyous occasion. It gave those of us who believe in the Risen Lord an opportunity to celebrate but also to respond to his commands.

Jesus said "in as much as you did it unto me". Through generous donations at that service £100 has now been sent to the special Iraqi Relief fund being administered by Christian Aid. This alone, of course, is far from enough and I know that many more from the parishes have given and will continue to give generously.

With Christian Aid week coming soon in the middle of May, please be generous in your support for there is no doubt that "the poor are always with us".

Yours most sincerely,
GRAHAME HUMPHRIES

BAWDESWELL & FOXLEY PLAYGROUPE NEWS

Its good to be back at playschool after the Easter break. I hope you all had an enjoyable and restful holiday.

We have a new little girl joining us this term, so we would like to welcome Melanie Share and hope she enjoys her time with us at playschool, its also nice to have a few more girls.

We have quite a busy time ahead of us with two outings to look forward to. One coach trip to Playland Soft Play Centre at Wells on the 13th May, all pre-school children, Mums and Dads welcome, there will be a picnic on the beach, then return in time for school pick-up at 3.30pm.

On the 19th we have booked the education centre at Gressenhall for Buckets, Baths & Boilers, which is based on how things were in Great Grandmas day. This includes an attempt at washing with a dolly tub and mangle ETC... we hope for a good day as we plan to take a packed lunch for a picnic and will return to playschool at approximately 2.00pm.

Congratulations to Vic Myhill for running the London Marathon, all sponsor money to playschool and on the same day, Sundy 21st April, jumble sale at Foxley village hall, thanks to all helpers and supporters.

Don't forget our Charity Cabaret night on 7th June, tickets £5 including BBQ supper, a brilliant evenings entertainment, this event will be the talk of the village for a long time, get your tickets early to avoid disappointment.

We have a "FUNDAY" to be held on the recreation ground on Sunday, July 14th, starting at 12pm, there are many great attractions, including tug of war, bouncy castles, stalls, BBQ and pony rides, something for everyone to enjoy.

ACORN NURSERY SCHOOL

The results of the photographic sessions held last term were even more angelic than expected. Monies raised from the commission will adequately cover our trip to the Dinosaurs Park in May. Our theme for this term is based around the environment, protection of rain forests and jungle habitats - you're never too young to learn! If you see our children walking around the village roaring, squawking or scrambling around hedgerows you'll know their imagination has been stimulated!

Our thanks to Mr & Mrs Holmes for their kind invitation to the Nursery to use their swimming pool in the summer months; the children are already inflating their waterwings. Thanks also to the school for allowing us to entertain each other with drums, bells, tambourines and triangles in a frenzy of musical creativity! We attended the Family Assembly at the Primary School on Thursday 25th April.

We welcome new pupils - Melanie Share and Aaron Fisher, we hope they enjoy their time at Acorn.

BAWDESWELL PARISH ROOM COMMITTEE

At its meeting on April 10th, the Committee heard from Graham Wright that, although the Housing Association interested in the development of our land had not secured appropriate finance for their scheme this year, it had priority for 1992 and in fact, it may be possible to start in a few months time. We hope shortly to meet the officials to negotiate a price for the five plots. The Charity Commission requires that we advertise the land for sale and obtain a valuation from a qualified Valuer. The Chairman was authorised to approach Ken Ewing for this purpose.

We may be able to obtain some free labour from Wilmot Dixon in the form of apprentices under training; it was therefore agreed that we should try to get planning permission as soon as possible. The Chairman agreed to approach our architect in the first place to see what he can come up with and it is hoped that he will be able to meet the committee soon.

We have been allocated a stall at the Swanton Morley Air Show on Sunday 16th June and Mary Farthing agreed to organise the collection of items for a tombola.

Graham Wright and George Kemp agreed to approach the owners of the Old Rectory Restaurant to see if we can arrange for a dance and possibly a BBQ in the late summer or early autumn.

At the time of writing this footnote, (in late April), you are no doubt aware that four nominations were received by the Returning Officer for the new Parish Council. All four papers were invalid due to omissions.

In the meantime, if you have any queries on parish matters and wish these to be raised at the next meeting, whenever, of the new Council, then please contact the new clerk, Mrs S Watson, at the number listed in the minutes.

As you probably know, I am not seeking re-election this time and may I take this opportunity of thanking my fellow councillors, including of course, those who retired mid term, for their guidance and judgement during my eight years in office, the last four as Chairman. The experience has been enlightening.

I also wish to thank our energetic and diligent retiring clerk, Marjorie, for all her work over the last six years. Happy retirement, second time!

VILLAGE CORRESPONDENT

There is a vacancy for Foxley for Dereham and Fakenham Times. Entries go in the "Village Life" section. If you wish to take this on, please contact the Times at High Street, Dereham. If nobody comes forward, I would be willing to do it but could not attend midway daytime events, due to the nature of my job.

Cllr. Eglinton notified us that the farm is no longer owned and farmed by the Eglinton family after almost a century in the village. Good wishes for the future of the family in which ever direction they are going were extended by the members of the Council.

Cllr Holmes to make inquiries on behalf of the Hall Site Trustees as to who owns the edge between the properties of Mrs O'Neil, Mrs Adams and the proposed Bowling Green Site.

There being no further business, the meeting closed at 8.10pm.

COMMUNITY CAR SCHEME

Breckland District Council has set up a fund to support volunteer run community car schemes. Is there a need for such a scheme in Bawdeswell?

Drivers are paid a mileage allowance; fares are determined by the organisers - between bus fares and taxi charges; the scheme is non-profit making.

If you think you could offer your services as a volunteer driver or if you would like to use such a scheme for doctors visits, hospital appointments, shopping etc. please let me know your views. If there is enough interest I can obtain more details from Breckland on setting up such a scheme.

Ring me on Bawdeswell 245 or write to the Clerk P.C, Mrs Curson, Rainbow Cottage, Bawdeswell.

COUNCIL MEETING

Bawdeswell Council A.G.M. is to be held at the school on 7th May at 7.30pm. Everyone is invited to this meeting, so why not come along and see what goes on in your village.

BAWDESWELL RECREATION COMMITTEE - FUNDING

Once again we have booked a stall at the Swanton Morle Air Show on the 16th June this year, and are hoping, through the generosity of the people of Bawdeswell, we will have a large number of prizes for our **TOMBOLA STALL**. The stall was a great success last year, perhaps some of you handy ladies or gentleman could make some small item that we could give as a prize, some of the committee members will be calling on you at the end of May or beginning of June, we will let you have the names of collectors at a later date.

MARY FARTHING

WOULD YOU LIKE YOUR IRONING DONE?

An extra fee of £1.00 for adults and 25p for children will be payable for entries taken on race day. We regret the necessity for this, but late entries cause an enormous amount of work.

The organisers of the fun run would gratefully receive any offers of help, especially for MARSHALLING on the day. If you have any queries (or offers of help) please ring Andy Bush on 0362 84 4114.

BAWDESWELL HEATH FUEL AND ALLOTMENT TRUST

I know many families in Bawdeswell and surrounding villages enjoy the heath in all seasons, in particular it was lovely to see so many families enjoying the snow this year, the whole heath rang out with squeals of delight. It's also a haven for dog lovers, a place where man and his best friend can enjoy complete freedom. Best of all it's there to be enjoyed by every one and it's very natural splendour is something to be treasured in these times of development, building and constant change.

The heath is managed by the Trustees, it is a charity which dates back to 1719 the land having been donated and held in Trust. As a charity it has very few resources, relying solely on donations, good will and sales of timber. Perhaps your family would like to donate a tree to the heath, all help offered would be greatly appreciated.

In the olden days fuel from the heath was given to the needy and bracken was used for bedding. Even today Parishioners from Bawdeswell still benefit from this trust, normally a payment is made in the case of Bereavement to the surviving partner.

At a recent meeting of the trustees it was decided to give people of Bawdeswell and others who enjoy this facility the opportunity to help keep the heath in good order. A working party of volunteers would be asked to help out with clearing dead wood and ditches planting trees and bulbs, keeping the heath alive and well for future generations to enjoy as we all do now.

Perhaps the children from Bawdeswell School would like help with the planting and keep details of new trees planted with the date and growth recorded.

If you would like to help out - contact Mrs P Williams, Secretary, on 454. A special thank you to Mr Mercer for all his work recently.

Please do go out and enjoy Bawdeswell Heath but please do not take motorised vehicles or motorbikes onto the heath as this spoils the enjoyment of others and damage the plants and trees.
