EDITORIAL - DECEMBER 1991

Dear Readers,

Well, here we are, December is upon us and another year almost gone. Christmas will soon be here and we will all be busy with all that last minute Christmas shopping, some of us more last minute than others!

The children all seem to be ready anyway, with their lists of wants and needs. The school and playgroup are already organising Christmas celebrations and here we are at the Reeves Tale thinking about February, which is our next issue. No wonder the year seems to go so fast!

Next year will certainly see some changes in our village, with the Playgroup moving into new premises on the school grounds, the old Village Hall gone and a new one promised and a new childrens playground on the recreation ground which I'm sure will be welcomed by both children and parents alike. It certainly sounds like a busy year!

Can I just thank all those people who have helped us over the year with the Reeves Tale, from all those who contribute articles, Mary Farthing for her help with collating (I don't know what we would do without her kitchen table) and all those people who deliver your copy to your door.

We are actually losing one of our delivery team, Shirley Curtis, who moves to Bintree at the end of November and we need a replacement who could deliver along Reepham Road. Please get in touch if you can help, there are not too many copies along this stretch so it does not take too much time.

Wishing you all a very merry Christmas and a happy New Year.

December, 1991

Dear Friends,

Is it because I'm getting older but certainly Christmas seems to have come round again quicker than ever? It certainly doesn't help when you see Christmas decorations and lights up in October as I did. I also spotted my first Christmas tree adorned with lights a few days before Remembrance Sunday. Even with the longer build up there always seems to be the inevitable rush to buy everything and get the stocks in for just one or two days of celebration. In planning some pause for thought talks for Radio Norfolk I've asked the well known Methodist Minister the Reverend Colin Riches to read the story of Jesus' birth in Norfolk dialect. But the dates I've given him are for the week after Christmas because the christian celebration of Christ's birth doesn't stop at mid-night on 25th December. The Church sets aside time after Christmas Day to reflect on the wonder of the Incarnation and there are still some churches that don't sing carols until the Christmas Eve Communion. We don't go to that extreme and I hope very much you'll join us for our Carol Services on the 15th and 22nd December. But with all the pressures before Christmas Day why not use the time afterwards to let its real and lasting meaning sink in?

Also if you would like to enjoy Colin Riches reading the story why not tune into Radio Norfolk at 8.40 a.m. from Monday 30th December through to Friday 3rd January.

May I take this opportunity to wish you all a very Happy and Joyous Christmas and New Year.

Yours Most Sincerely,

Grahame Humphries  
(Bawdeswell 397)

## BAWDESWELL & FOXLEY PLAYGROUP

We say a very sad farewell to Tony and Hazel Holmes and wish them well in their new home. We would like to say a big thank you to them for their hospitality over the last few months and we look forward to them visiting us in the future.

We have been temporarily housed at the Silver Jubilee, Foxley and we say many thanks to Gilly and Bruce for accomodating us.

The Halloween party held at Foxley village hall on 26th October raised approximately £150 for our portakabin project. The event was marred by irresponsible person or persons stealing a fire extinguisher, we would appreciate information regarding this matter.

We had an interesting morning at Reepham Fire Station, where The children had a chance to ride in a fire engine and use the hoses. Playschool closes on Thursday 19th December and re-opens on Tuesday 7th January. May we wish you all a merry Christmas and a Happy New Year.

### Mother & Toddler Club

Wednesday 13th November was the last mother and toddler meeting for this year, we hope to resume in the near future when premises are available.

## TONY AND HAZEL HOLMES

In November Bawdeswell said goodbye to Tony and Hazel Holmes who had lived at The Willows in The Street for 7½ years.

During that time Tony had become involved with many aspects of village life:- the Parish Council, the Church Meals on Wheels, the village amenities fund and a number of others, always helped and supported by Hazel. We thank them for all they have done for Bawdeswell, and hope they will keep in touch with their friends here.

But what many of us will remember most about them is their helping hand for everyone, their kindness and consideration and their friendship. We offer them our best wishes for happiness in their new home.

HOW WE SHALL MISS THEM!

M.E.J.

## RECIPE FOR LATTICED HADDOCK

1 packet of frozen smoked haddock  
2 oz flour  
2 oz butter  
½ pint of milk  
4 eggs  
toast

Boil the haddock until cooked. Remove any dark skin. Put flour and butter in a saucepan and blend together. Add the milk gradually until you have a white sauce. Break the eggs into a bowl and stir well. Then tip into an omelette pan in which a little butter has been added. Do not stir at all, shake pan occasionally and wait until egg is cooked through and set. Take off the heat and leave to get cold. Place the haddock in white sauce in a flat oven-proof dish. Cut the egg into strips and lay across the haddock in a lattice design. Put into oven and warm through rapidly. Serve with hot toast.

### MINUTES OF PARISH COUNCIL MEETING HELD ON MONDAY 4TH NOVEMBER

**PRESENT** Councillors Holmes, Sparkes, Battley, Curtis, Bramley and Strickland. An apology was received from Cllr Farthing. Also present were the Clerk and 6 parishioners.

**MATTERS ARISING** A letter of thanks received from Miss M. Joice Chairman of Governors, Bawdeswell School, for the cheque for £25 sent to Mr. Winterbones retirement fund.

Letter received from Mr. D. Gurney about the chimney of Old Toll House. On inspection he believes it to be safe.

The Chairman suggested Old Bell Loke to Mr. Elsdon instead of Meadow Loke but as The Bell is already in use it was agreed that Meadow Loke should stand.

Cllr. Curtis reported a meeting between the architect, Graham Wright and the Bowling Club about siting of the new Bowling Green. It was discovered that the old measurements were used in planning the new Green thus giving rise to the problem. If Breckland Planning Dept. allows the Hall to be moved 15 feet to remedy this.

Cllr Bramley asked about finance for play equipment. Chairman has confirmed budget for the remainder of the year so project can go ahead.

Footpath signs have been erected by Cllr Curtis. A vote of thanks was given.

### RECREATION REPORT

The Charity Commission have at last been satisfied that no further information is needed and will eventually authorise the sale of the old Village Hall. The Old Hall building has been sold for £178.00

A grant application has been made to Norfolk Rural Community Council who needed an actual tender not just an estimate for the work. Another application has been made to the Rural Development Commission who would be interested in helping if an additional use be found for the Hall. Mrs Wright prepared an excellent "profile" showing how deprived the village was in comparison with others of a similar size to be sent with this application. The local surgery and Mrs Olley from the Community Health Dept. were approached and both were enthusiastic about the Halls use as a Health Clinic. Other possibilities include Education classes or possibly a day centre.

Village Hall Committee - Mr. D. Gurney is to replace Cllr. Holmes as Chairman

ANY OTHER BUSINESS

Cllr Bramley asked if the Village sign could be repainted. The Clerk explained that she had already been approached and was more than willing to undertake its renovation if the sign could be taken down. Cllr Curtis agreed to "have a go". The Chairman stated that the intention had been expressed to transfer the deeds of the Recreation Ground to the Parish Council who will remain as custodial trustees. The split between the Bowling Club and the Village Hall is to be decided once the sale of the Old Hall has gone through.

Letters of resignation were tendered by Cllr Holmes and Cllr. Curtis both of whom are leaving the Village at the end of November. Cllr Battley then presented the Chairman with a card, two cut glass goblets and several gift vouchers in recognition of his unstinting service to the village over the years that he has been here.

Cllr, Curtis is also the Parish Council representative of Bawdeswell Heath trustees. Cllr Strickland has offered to take over this role and attend the annual meeting in November.

Just before the meeting ended Mr and Mrs Cooke arrived. They were concerned by the tree cutting being carried out within view of their property by Messrs Harrold. The trees were not listed and permission was granted to cut down 2 of the 3 applied for. He was also told that the hedges have to be replanted along the Reephams Road. They had been removed to facilitate drainage by modern machinery.

There being no other business the meeting closed at 8.35 p.m.

The returning officer will now be notified of the two resignations and notices posted in the village. We will be notified in due course as to whether an election is necessary or whether new Councillors can be co-opted.

There is a copy of a letter of thanks from Tony Holmes on the opposite page.

The Editor,  
The Reeves Tale,  
Bawdeswell,

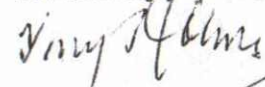

Dear Jane,

I shall be grateful if you will allow me the use of your columns to express my appreciation for the cut-glass goblets and Jarrold's gift vouchers presented to me at the Council meeting yesterday evening. Hazel and I were also very touched by the greetings and good wishes expressed in the card which accompanied the gifts.

We have spent eight very happy years here and will always have memories of our stay and of the many friendships we have been fortunate to make. We shall hope to continue to see many of you in future, even though we have moved to Norwich.

From both of us, our thanks and warmest good wishes to you all.

Very sincerely,

(TONY HOLMES)

### IMPORTANT NOTICE

Would those motorists using the farm track from the main road through to Paradise Lane as a short cut into the village please stop this practice.

This is not a public right of way. There are often children playing or pedestrians with dogs passing through Paradise Lane not expecting vehicles to suddenly appear from the direction of the track.

Efforts are being made to note the registration numbers of offending vehicles and these will be reported to the appropriate authorities.

### PRESCRIPTIONS

As from Wednesday 20th November repeat prescriptions from Elmham Surgery can be obtained by leaving the order form at the house of Mrs. Kath Minors - 2 Church Close - any Wednesday before mid-day. As at present the prescriptions may be collected at the Bawdeswell Stores on Fridays, after 4.00 p.m.

                             Mrs Gillian Saker  
                             Mr Charles Skinner  
                             Mr Paul Davies.

Clerk   Mrs Shirley Watson.

WAR MEMORIAL    -    is still on the schedule of tasks to be undertaken by the scouts.

BUS SHELTER      -    Repairs costing £55 have been carried out.

VILLAGE HALL WINDOWS    Councillors commented at the last meeting on the smart appearance of those already installed and looked forward to seeing the completed job.

BEECH TREE      -    Unfortunately, funds had already been allocated to the village hall to assist with the village hall windows. Parish Council were therefore unable to help the church with the substantial cost of having this tree felled.

PLANNING        -    Bungalow at Moor Farm - refused by Breckland.

The Gamp display advertisement - refused by Breckland Parish Council had raised no objections to either of these applications  
R. Parfitt - removal of agricultural occupancy condition - Parish Council recommended approval.

SURVEYORS LAND    -    a suggestion was brought before the meeting that this land be turned into a children's playground. Clerk to contact Anglia Water to ascertain the expected completion date on the pumping station.

RESIGNATION OF CLERK    -    Mrs S. Watson regretted having to make this decision, but changes in her circumstances meant that she was unable to give Foxley P.C. the necessary time.

NEXT MEETING    -    8pm 28th November 1991.

## BAWDESWELL SCHOOL

As villages have very efficient grapevines, no doubt you have already known for some time that Mr. Brian Winterbone who teaches the children in Class 2 will be retiring at Christmas. You may be totally amazed to know (I certainly was!) that Mr. W. started teaching at Bawdeswell School on January 11th, 1955 (the Christmas holidays must have been longer in those days!) I confess to being three years old at the time.

Naturally we wish to mark Brian's retirement and we are holding a farewell party at the Silver Jubilee public house, Foxley, on the evening of Thursday 19th December, from 8.00 p.m. to 12.00 midnight (licensed bar available).

Tickets are £5 per person, which includes a buffet meal and a contribution to a farewell gift. If you would like to come, please send a sealed envelope to the school, marked BW in the top right hand corner, containing a note detailing the number of tickets required, with full payment and a self addressed envelope (for returning the tickets to you).

It would be nice to see Mr. Winterbones ex-pupils on the night!

Mrs. Cath Parker has been appointed by the Governors to take over Class 2 in January. We look forward to welcoming her to our school.

We are hoping to put on our own adaptation of the Pied Piper story on the afternoon of Monday, 16th December.

This has given us just under seven weeks from script (thanks are due to Mrs. Drury for this) to performance and we would like every child in the school to participate. Wish us luck and come and see the show!

PAUL SHREEVE - HEADTEACHER

### PLANS FOR THE PLAYGROUP

We are on the move again! As I write we are just packing up to move to another temporary home. Jilly and Bruce have kindly invited us to use a Room at the Silver Jubilee for Playgroup sessions..We are very grateful and can now look forward to a warm winter!

At the moment we have exactly £5000 in our portacabin fund. We have received planning permission to put a portacabin on the school playing field and are making arrangements to connect into water and power services. Before Christmas the Staff and Committee members are to visit Mattishall Playgroup who are also in a portacabin, to get a few tips and some inspiration!

We have only to confirm the specification for the building to meet Norfolk Social Services standards and then we shall be ready to buy a portacabin early in the new year. To some of the Committee, Mums and certainly to the staff it may seem that the prospect of a "proper" home for the playgroup has been just a dream but the children have taken all our comings and goings as a big adventure and it is actually only 18 months since we started our fundraising, so, to have collected such a substantial sum of money in so short a time is very good. Many of the Reeves Tale readers and local businesses have helped us by supporting our fundraising events and hopefully will continue to do so and have some fun too, as we still have more to raise to cover installation and fitting out costs. We would like to thank all of you once again for your help and hope that you will continue so that we can reach our goal.

After the Car Boot Sale (a joint effort with the New Village Hall Committee) we shall have a rest for a while but have exciting plans for next year including another Cabaret and a Games Night, and then a Jumble Sale in February.

### WATCH YOUR REEVES TALE AND NOTICE BOARDS FOR DATES AND DETAILS.

### COME ALL YE CAROL SINGERS !

The Playgroup Mums and children are going to sing Christmas carols outside the village shop on Monday 23rd December from 6.30pm to 8.30pm. Anyone, young or old, is welcome to come and join us.....the more the merrier!.....or come and put a penny in our "hat".

### A PLAYGROUND FOR BAWDESWELL

The Parish Council has agreed to allocate £850 out of this years budget to start a play area on the Recreation Ground. Strong, safe, attractive equipment does not come cheap so to make our money go further we need volunteers to install it and help with basic materials. I already have some names but need more.

We also need a large surface water drain concrete pipe section (to partly bury) to use as a tunnel and 3 old tyres of various sizes (i.e. tractor, lorry, car) to make a monster- use your imagination!!!

This is a lot to ask but it will be such a welcome addition to the village.

If anyone can help with labour or materials or any more ideas, please ring Debbie Bramley on Bawdeswell 753. Thank-you.

## POPPY APPEAL - BAWDESWELL

The area service this year was held in Bawdeswell Church and the collection raised £147.28 towards the work carried out by the Royal British Legion. The house to house collection details will be in the February issue of the Reeves Tale as the total will not arrive in time to go into print this time. Thank you once again to the faithful band of collectors and a sad goodbye to two of them, Tony and Hazel Holmes. A special thank you to the pupils of Bawdeswell School for their enthusiastic support this year, and to all those who gave so generously. Thank you very much.

Irene Ames

## BAWDESWELL CHURCH FLOWERS

Thank you to all who have helped keep our church beautiful from Easter until Harvest. Sadly we shall be missing Hazel Holmes' name from the rota next year but thank you Hazel for the lovely arrangements you have done for us over the past years. Any offers to take Hazels' place will be gratefully received, in fact more people are always welcome and I can recommend doing church flowers as very theraputic! Miss Celia Joice is already working her magic with cyclamen which keep our church bright during the winter months. We hope to decorate the church for Christmas on the 14th December. All gifts of flowers, greenery and help would be most welcome.

Irene Ames

## ADVANCE NOTICE

### THE BEECH TREE SAGA AT FOXLEY

The beech tree which was felled under the supervision of Breckland District Council (because of a tree preservation order) has now been split and sawn. We would like to extend our thanks to Norman Buck for his help. The original contractors left such enormous pieces that it has been a real problem in knowing what to do next. Norman's expert help with chain-saw and axe has been invaluable. We are currently selling the small loads and hope to have the churchyard completely tidied by the end of the year.

Grahame Humphries

### EVERYONE WELCOME!

On Sunday 29th December at 3.00 p.m. The Redgrave Strings will perform a Programme of Carols, Concertos and Christmas Music at Bawdeswell Church.

This should be a very enjoyable afternoon and we hope to see you there.

### BAWDESWELL CHURCH CLEANING

We must say a big thank you to Hazel Holmes for all her hard work keeping our church clean and for a long while, until Pearl Blake came along, the brass so bright.

We hope that Hazel and Tony will be very happy in their new home.

How lucky we are that Edna Johnson, Beryl Pratt and helpers have taken on the cleaning and Pearl will continue with the brass.

Grateful thanks to you all.

Mrs. Ames
