March 1993

Dear Friends

Writing this letter the day after Education Sunday (7th Feb) gives me an opportunity to highlight the chances for learning more about the Christian faith during the period of Lent. I hope, like me, you value every opportunity of gaining new knowledge and insight and, the more interesting way facts are put across, the more likely I am to take notice. I wrote last month about the joint services which take place each Sunday evening in Lent across the Sparham Deanery. You'll see from the service calendar at the back of the Reeves Tale that the sermons at these services are based on St. Pauls first letter to Timothy. Each of the visiting preachers has been asked to take one chapter of the letter and to teach us about its meaning as Christians towards the end of the 20th century. I'm particularly pleased that the Arch-deacon of Norfolk, who retires later in the year, has agreed to round off the series for us at Foxley on Palm Sunday 4th April.

Another series which you can follow, without even leaving your homes, is this year's Lent programmes on B.B.C. Radio Norfolk. The programmes move from their familiar Thursday evening spots to be included in Carol Bundock's morning programmes between 11 am and 1 pm. Each Thursday in the second hour of her programme (12-1) from 4th March until 1st April she will be joined by special guests to explore "Living the Good News in Norfolk". The series should prove that many people are putting their faith into action and will give you the chance to put your point of view once the phone lines are open.

I hope both series will stimulate all who take part and make us thirst for more.

Yours most sincerely

Grahame Humphries

DIGEST OF BAWDESWELL PARISH COUNCIL MEETING
HELD ON 1st FEBRUARY 1993

Clerks Report

-Shell U.K. have sent a donation of £200 towards the planting of trees/shrubs on the recreation ground as part of their 'Better Britain' scheme.
-'National Spring Clean Week' is 16-25 April. A special Litter Pick will be arranged with free tabards and stickers. Details in next Reeves Tale.
-Breckland D.C. have advised that the Old Toll House on the Reepham Road is not a listed building but as there is keen local interest to preserve it this matter will be investigated further.
-Norfolk Highways have agreed to 'Playground' signs along the Reepham Road, but have queried the need for 'Village Hall' ones. The Clerk will write to justify on safety grounds.

Recreation Report

Councillor Wright reported that the road and car park will be completed by 8th February. There is a meeting to set up a Management Committee on 23rd February. From now on all Parish Council meetings will be held in the Village Hall. A vote of thanks was given to Councillor Wright for all his efforts on the Hall and roadway.

School Report

The Chairman reported that a temporary teacher had been appointed for Class 1, on a long-term basis, until Mrs Drurys' situation is resolved.

Parish Paths Walk

The Clerk had made arrangements with the farms involved to clear/use the path from Jott's Lane to Elsing Lane. It was decided to use this path, continue along the Elsing Lane and join the path by 'Shavers' which goes to Sparham Hole, as the route for the walk. A date will be set in the Easter Holiday. This event may become a sponsored walk in aid of the new Hall. A map and further details will be in the next Reeves Tale.

Low cost housing

After consideration of information supplied by Breckland D.C. it was decided to proceed with a Village Survey to determine the need for future housing. The Clerk will find out more about costs, printing and analysis to report back to the next meeting.

Any Other Buisness

-Councillor Farthing asked for news of the trees Norfolk C.C. had promised for the village. The Clerk will report next time.
-British Telecom had announced their intention of replacing the Telephone box with a modern booth. It was agreed that the Clerk should write opposing this.
-A number of people expressed their concern about the uprooting of one of the new seats at the village sign. It was agreed to obtain an estimate to reinstate and invite the culprit to help. Councillor Duncan offered his assistance.
-The Clerk will check whether Dog Fouling legislation protects grass verges as well as foot-paths, as raised in the last Reeves Tale.
-Councillor Duncan was concerned about the danger of pavement parking. This will be mentioned to the Home Beat Policeman, who will post a warning on the cars of regular offenders.

THE NEXT MEETING WILL BE ON MONDAY 1ST MARCH 1993
AT 7.30PM IN THE NEW VILLAGE HALL

LOTTERIES AND RAFFLES

The Parish Council have renewed their registration for such events as required by law. If anyone in the Parish wishes to use this facility the fee is £2.00 and they should contact Mr Sparkes on Bawdeswell 3120.

Foxley Church Roof Fund.

An excellent start has been made at raising the large sum needed to re - roof St. Thomas' Church and the balance at the Bank now stands at £1750. It is understandable that a building which has stood for at least 600 years, and in various forms a lot longer, should need repairs from time to time. Former generations have succeeded in maintaining the church up to this time, and the present congregation is determined to keep faith with Our Lord and the past and continue the tradition. A major survey of the fabric is imminent and much more money is sure to be needed to complete a major renovation. Last year's events were very well supported and it is hoped that the programme arranged for this year will be equally popular:

Sunday 9th May. Roof Fund Gift Day.

The Rector will be in church during the day to receive your contributions to the cause. There will be a gift envelope in your May issue of The Reeve's Tale.

Saturday 12th June. Garden Party at Foxley Lodge.

It is hoped to make this a real old - fashioned village fete, with something to interest everyone.

July. Date to be arranged. **Grand Barbecue in the garden at Church House.**

Thursday 9th September at Foxley Lodge.

Mr John Timpson, the well - known author and broadcaster is coming to give a talk with slides,

"Timpson's English Villages"

and there will be supper and wine.

October. Date to be arranged. **"Gardeners' Question Time".**

In the Village Hall, with a plant stall and special bulb sale.

Saturday 18th December. **"A Merry Christmas Entertainment".**

In church, with minstrels and readings, plus refreshments.

BRECK WOMEN'S INSTITUTE

We held our first "unaided" meeting on 8th February at the Old School Room at Sparham. Most of us are new to the W.I. and are still learning. In spite of this we had a very successful and enjoyable evening. There were 19 ladies present.

MRS ELSIE RITCHIE of Honingham gave a wonderful demonstration of Dried Flowers arrangements.

We have a lot of interesting talks and demonstrations to come in the future.

We're really not "all Jam and Jerusalem".

New members very welcome.

The governing body would like to appoint a clerk to the governors: this involves attending about five regular meetings during the year, and any extraordinary meetings, to take minutes, and to deal with correspondence. There is a small honorarium as a token for doing this work.

Please let the school know if you are interested, and we will pass the details on to the governors.
