## NOTICE BOARD

Tobacco pouch found in Mill Road around 6 Nov. Call 688386

There is an increasing amount of dog poo through Bawdeswell - especially in The Street - which is really unpleasant when walking the kids to school (as I have done this week).

*A concerned Mum.*

I want to wish my Mum and Dad a very Merry Christmas - and to say a HUGE THANK YOU for everything this last year (and previous years of course!) 2004 has been rather eventful and it just goes to show - you always need your mum and dad however old you are! They have been wonderfully understanding and supportive and fantastic grandparents, having the kids with less than a moments notice sometimes.

Love you both. *Fel x*

Thank you for donations to the Reeves Tale in the Bawdeswell store tin, period July/ Nov, amounting to £36.66 *Ed.*

Looking ahead to the Bawdeswell Village Fete on 26 June next year, please think about making something this winter for a Homemade stall - be it produce or handicrafts - all contributions will be welcomed and will add a traditional stall to the event. *Ed.*

12

**Just to let you know what's going on in your village hall .....**

**Committee:** Chairman, Dennis Barrett, retired in September and Ruth Whitmore was elected Chairman in October. Ruth, Gladys Dewing (Treasurer), Bill Potter (Secretary), and John Driver are pleased to welcome Beryl Mayes and Samantha Elmhurst to the committee.

**Activities:** The Committee has taken note of your comments in the Village Appraisal and has taken on some of the responsibility to provide regular activities as listed below. It is hoped you have found something to interest your family, but if not, maybe you would like to start something else. If so, please let the committee know by contacting Gladys Dewing (01362-688438).

**Celebration Venue:** The village hall is a warm, attractive venue (so regular users say) equipped with new tables and chairs, plus all the necessary equipment to hold a family celebration party, or any other event. Please come and look around before you decide to book elsewhere. Hire Rates are very favourable!

**Village Emergency:** In the event of a village emergency, the hall is the most practical building for every resident to use.

**The Future:** It is clear from comments received from residents and visitors to the hall, that provision for storage of equipment is necessary. After carefully considering the many available options, the committee, on your behalf, has decided to start the process to extend at the rear of the existing hall.

**The most important factor** to be considered before starting this process is to obtain ideas and suggestions from local residents. If you would like more information or, would like to make suggestions to help the committee make the correct decisions, please (a) ring for chat (b) write in (no need to give a name), or (c) email. (see next page).

**To successfully execute a project in a public building** it is necessary for the Committee to adhere to stringent regulations laid down by grant organisations, and

13

the Local District Council. An architect has to be employed to obtain planning permission and building regulations and the committee has to raise funds and prove financial competence.

**Dates and Events to raise funds and enjoy ourselves:**

Sun 19<sup>th</sup> June Open Gardens (see February issue of Reeve's Tale for more information)

Sun 19<sup>th</sup> June Launch of VH "Buy-a-Brick Scheme"

Fri 14<sup>th</sup> October Ascot Race Night & Supper

**Finally**

The Committee would really appreciate your comments so please (a) ring Ruth on 688768, (b) write to Ruth at Old Hall Farmhouse (no name needed) or, (c) email: [ruthwhitmore@onetel.com](mailto:ruthwhitmore@onetel.com)

Many thanks for your help.

## WASTE PAPER BANK

**BAWDESWELL VILLAGE HALL**

**RECREATION GROUND DEVELOPMENT PROJECT**

An 'open' meeting was held on Monday 25th October to discuss the potential development of both the village hall and recreation ground. 14 members attended to express an interest in the project and 3 apologies had been sent.

A presentation was given which covered a number of issues as well as the history of the current situation i.e. a half-built hall and its limitations. The needs and wishes of our community as expressed through the village appraisal, user groups and potential users. The costs and funding of new facilities for the hall and recreation ground.

There was some good discussion and a real enthusiasm to take this project forward.

A steering group was formed with 14 members under the chairmanship of James Lilwall and two members offering to act as secretary.

The meeting agreed to hold a project planning session on Saturday 4th December from 9.30am until 1pm.

If you would like any further information about the project, or have any views or ideas you would like to share with us please drop me a line at Church View, call 01362 688499 or email: [pjlilwl@hotmail.com](mailto:pjlilwl@hotmail.com).

This is a real opportunity to get some fantastic facilities for our community that we so desperately need. As a group we are prepared to give the commitment, time, energy, enthusiasm knowledge and experience to make this happen! We need all of your support.

**BROADBAND IS HERE**

After all the campaigning, Broadband has arrived for subscribers on the Bawdeswell telephone exchange without any ballyhoo or trumpets sounding.

Broadband provides a much faster connection to the Internet for computers and more importantly allows the telephone to be used at the same time.

Many computer owners have been renting a second telephone line to overcome this problem and now is perhaps the time to cease it and go for Broadband.

To get Broadband visit the website of several Internet Service Providers and choose the best option for you. You need not change your e-mail address.

Here is a summary of some of the deals on offer.

**www.BT.com** from £17.99 a month 10x the speed of your present connection,  
but limited to 2 hours surfing per day.

£24.99 10x the speed of your present connection, but limited to 15 hours surfing per  
day.

£29.99 a month 20x the speed of your present connection. No limits.

**www.tiscali.co.uk** £25 set-up fee  
£15.99 a month 3x the speed of your present connection.  
£24.99 10x the speed of your present connection.

**www.onetel.co.uk** from £22.99 10x the speed of your present connection.  
Pay £29.99 and included are free UK landline phone calls (to mobiles 2p/min).

**www.wanadoo.co.uk** from £17.99 20x the speed of your present connection,  
(Formerly *Freeserve*) but max 8 hours per day.

**www.supanet.co.uk** from £19.97 10x the speed of your present connection.  
£22.96 20x the speed of your present connection. No other charges or restrictions.

The OneTel deal that includes un-metered phone calls is worth considering if your monthly phone calls exceed £7.

Whatever your supplier you still need to pay BT the line rental. Their call prices have come down a bit because of competition. They have some interesting deals combining Line Rental and Calls, but Broadband they market separately. However, one package offers a low-cost extra phone line using the Broadband circuit. It is hard to work out what is best for you. In general the special deals are only of benefit to heavy users, and the average household should stick to the simplest arrangement.

You can get more information on the Internet from the above websites or visit **www.bawdeswell.net** and put your question to *Just Ask* or to *Google*.

## BOOK CLUB

Held in The Old Workhouse Bar on the first Thursday of the month at 7.30pm.

Our choices for November were *Touching the Void* by Joe Simpson and *Alias Grace* by Margaret Atwood.

By coincidence, the film of *Touching the Void* was on TV on the evening of our book club, so we finished in good time to go and watch it!

This is the harrowing yet heart-warming account of the author who, as a young man, fell into a crevasse whilst climbing in Peru, was presumed dead by his companion, yet, despite a badly broken leg, made it down the mountain single handed against all the odds.

The book is well written, though I had difficulty with the early chapters, containing, as they did, many mountaineering terms: however, the book soon became gripping and left me wondering at the bravery and strength of character of the author and at the "madness" of mountaineering in general.

*Alias Grace* is a novel based on the true story of Grace Marks who was convicted, at a very young age, of complicity in a double murder and spent many years in prison.

My sympathies were aroused by the account of Grace's early years but, once imprisoned, she became an enigma for me in the way in which she apparently accepts and adapts to her fate whilst, around her, doctors examine her, others pronounce her mad, yet others, believing in her innocence, campaign for her release and the governors wife makes use of her needlework skills.

I found the book an excellent read which held my attention to the end, at which point the reader is still left wondering at the truth of past events.

Our choices for the December meeting are :-

*The Stone Diaries* Carol Shields.

*Liza's England* Pat Barker.

and for January :-

*The Lady in White* Wilkie Collins "

--plus our own choice of poem.

*Kath Miners*

## WENSUM VALLEY BIRDWATCHING SOCIETY

We are having a Christmas party on the 16<sup>th</sup> of December at Lenwade Village Hall. All are welcome but please bring your own refreshments.

Another well attended evening as we heard Malcolm Rains, using our newly acquired projection equipment, talk about the birds of China when he re-visited a major migration site 160 Km east of Beijing after a period of ten years.

Birds to look out for this month - among the list provided by our bird recorder are:- Redwing, Fieldfare, Brambling, Siskin, Redpoll and also in December look out for the 'turkularis-bootiful' which will be appearing in large quantities toward the end of the month.

We are out and about on the 4<sup>th</sup> of December. David Pelling is taking us to Lynford Arboretum. We start from Waitrose (Safeway) car park, Swaffham at 9.30 a.m. Bring stout footwear and a packed lunch.

Best wishes to you all for Christmas and the new year and happy birding.

## DEREHAM STAMP CLUB

Are you interested in stamps, postcards, local history, family history etc? Have you an interesting collection? Are you willing to show it to others? Would you like to meet others with similar interests? Then we would like to meet you.

The 'WE' in the above statement is the Dereham & District Stamp Club. Since 1975 the Club has provided a focal point for philatelists in the local area and at our peak we had over 35 members, but now we are down to 8 and are in danger of disbanding. But, as Baldrick would say 'We have a cunning plan'.

What we wish to do is expand the remit of the club beyond stamps into other collectables areas. The reasoning behind this is simple - many of our members not only collect stamps but also postcards, cigarette cards, ornaments, books, bottles, toys etc which are related to their stamp collections or other interests.

Our next meeting is on **Thursday 16<sup>th</sup> December @ 7:30 pm @ Church House** (adj Phoenix Hotel) and appropriately the theme for the evening will be: **'The Festive Season'**

Members and visitors are invited to bring along a few examples relating (tenuously or directly) to the theme for display and discussion.

## REEPHAM & DISTRICT ROTARY

The club has had some extremely interesting meetings over recent weeks. Members and wives visited the Eastern Anglian Air Ambulance at Norwich airport where last year's Vice President Ivan Tubby presented a cheque for £7,000 to Peter Mendham. This was the main charity for Ivan's year as President. It is the largest sum the club has ever raised and certainly went to a very good cause.

We have also visited the recycling centre at Costessey, which was organised by Rotarian Paul Smith. It was a very interesting evening and it was brought home to us all just how important it is to recycle our rubbish.

At a recent meeting the club gave a Paul Harris fellowship to the Reverend Gus Jones. Gus has done a tremendous amount both for Rotary and other charities in his 80 plus years. He originally joined Wembley Rotary club in 1966 and became their President in 1973. He and his wife Muriel moved to Norfolk in 1987, originally joined Aylsham Rotary club and then had a 'free' transfer to Reepham and is still an honorary member of the club. He is a great man and well deserves the award.

The club made a record amount of money at the Aylsham Show art tent. Over £1,500 was raised despite the appalling weather. A large number of pictures were displayed this year, which was mainly down to the efforts of Rotarian= David Baxter, who was in charge.

## THE BECK WI

Our President, Aleathia, welcomed members to the Beck's Annual Meeting on 8th November. Ruth read the Minutes of last year's Annual Meeting and also the Annual Report.

Aleathia thanked committee members for their valuable help throughout the year, mentioning those who had helped in any way. She then spoke briefly on the financial position and had a draft Balance Sheet for all to see. Forthcoming events were discussed, including our Christmas Dinner on Monday 13th December - therefore no meeting on that date.

A new but smaller committee was then elected - Aleathia, Ruth, Gill and Jennifer. The evening ended with a short but lively Beetle Drive. The winner was Margaret Pointer.

Our first meeting in 2005 will be on Monday January 10th at 7.30 pm. in Sparham's Old School Room.

## NORFOLK CARERS' VOICE

- Do you provide unpaid care or support *for* someone?
- What help could you have?
- Fed up and don't know what's happening in Norfolk?
- Have you got something to say and want to make a difference?

What is the Norfolk Carers' Voice?

The Norfolk Carers' Voice is a register of carers who want to hear what is going on and perhaps to have a say in improving the help that is available. If you are 18 or over and one of the 81,000 people in Norfolk who provide unpaid help and support to an adult relative, friend or partner who cannot manage because of illness, age or a disability, this could be for you.

What happens if I want to join?

The Norfolk Carers' Voice questionnaire can be obtained from the Crossroads Norfolk Carers' Helpline by telephoning 0808 808 9876 or email: [norfolkcarers@hotmail.com](mailto:norfolkcarers@hotmail.com). If you are happy to give us your contact details, we will be able to give you information about support for carers in Norfolk. And if you want more involvement, we can also ask what you think about support for carers and whether you would like to work with us to improve services. Your details would be held on the Norfolk Carers' Voice Register.

This Register is managed by the Health Information Team, Eastern Support Services who work with other organisations to improve the quality and availability of information for people using GP surgeries and the project has been funded by the Norfolk Carers' Grant.

Your information will only be accessed by named Social Services, Healthcare staff and the Manager of the Crossroads Norfolk Carers Helpline, who distributes 'The Norfolk Carers' magazine, and will be protected by the Data Protection Act 1998.

## BENEFICE CHOIR

The choir sang at the benefice service on Sunday 31st October at St. Mary's Sparham. They contributed two anthems during communion and gave a good lead to the hymn singing. Thank -you to Albert Peachment for his organ playing and turning out to the Thursday rehearsal.

The choir must have made a good impression as we have been asked to sing at a wedding on the 31st May next year by a couple who attended the service.

The choir is making excellent progress becoming quite musical, singing unaccompanied in 3 parts and staying in tune!

As I have told them, I wouldn't have believed it of them earlier in the year. We are now working on the next service which will take place at the end of January when you will hear a 4 part choir, singing in tune and unaccompanied! Not bad in a year..... thanks to all of you for your commitment and enthusiasm, Well done for working so hard. We will be able to relax at our Christmas party on Thursday 9th December and raise a toast to a very musical 2005 !

If you are at all interested in joining please get in touch my number is 01362 688499

### *The Only Song in Town.*

Water chuckles,  
tinkling and twinkling,  
on sun-shiny stones,  
framed by fuchsias ready to explode  
and lance-like lilies  
upthrust from the ruffled mirror,  
drip-circled and circling,  
of their pool.

Plump pigeons  
flutter and clutter,  
call and coo.  
Small birds start in a whirr of wings,  
while bees pass,  
flower to flower,  
humming on their way.

Water droplets,  
fine enough to fly,  
glide gracefully across the blue  
moved by the wind  
that lullabies the leaves,  
hushes the tree-tops  
and shakes the silent, hanging,  
ornamental bells of flowers.

Thus, music of the here and now  
punctuates the day,  
sings "Glory"  
and praises God  
by being.

### **From the Rector**

Dear Everybody, hello again.

We decorate our houses at Christmas time, often both inside and out. Some of the decorations are new each year, the cards, the holly, the wreaths on the door. Others live in the loft or garage and are brought out year by year: the lights, the Christmas tree baubles, the toy Santas for the windowsill. Some of these may be decades old, and part of our Christmas family traditions.

Decorating the house should not be a chore. It's an opportunity for us to be thankful for the homes that we have. As we think of the Holy Family temporarily displaced by the authorities from their home, in order for a census to be taken, it reminds us of all those families who do not have a home. Those who cannot afford one, those who have lost them by mental or family collapse.

Also, Jesus, Mary and Joseph were changed from temporary travellers to refugees. They fled to Egypt because of a real threat of persecution and murder, as soon as Herod discovered what he thought of as a rival. Refugees are mostly only victims; they are in danger because they are perceived as a threat, sometimes only for being from the wrong tribe. They make their homes in camps or in other countries, but their true homes are where they have been driven from.

For most of us, decorating a home, especially with age-old possessions, is a sign of stability. For those who are under threat, it is a sign of defiance. Let us also, this Christmas, remember to give charitably for the relief of refugees and the homeless.

God bless you this Christmas

David Head
