Welcome

A plea for help

We're lucky to have a very dedicated team of delivery people for The Reeve's Tale who we are eternally grateful to for the excellent service they provide. However, each month, we have to unpack boxes of magazines, count them out and batch them up for each member of the delivery team. We drive round and deliver the magazine to the team who then go door to door.

This task only takes us perhaps 1-2 hours each month, but on top of preparing the magazine, running a busy business and looking after a toddler, it's a couple of hours we could really use! Are there any kind-hearted souls out there who would consider taking on this unpacking, batching and delivery portion of The Reeve's Tale process to help us? If you might be able to help, feel free to call us on 01362 688183 to find out more and ask any questions.

Thank you!

Foxley Summer Lunch and Ringing Peal

We would like to thank everyone who organised, and all those who attended, the Foxley village lunch. It was lovely to see so many friends in the hall and the big surprise was the presentation to us of a stunning garden sculpture. We have yet to re-landscape our new garden so this will now be done with the sculpture in a prominent position.

The ringing peal sounded beautiful and was successfully completed with the 6 ringers, ringing at quite some pace, finishing in 2 hours 31 minutes. We gave the ringers much-deserved tea and cakes in the village hall afterwards.

Thank you again to everyone for such a lovely day. We miss all our friends and hope that you will call in and see us if you are in Cambridgeshire.

Revised proposal for the Sparham Deanery: April 2016

We have been seeking, without success, to appoint a part-time Team Vicar Designate for the proposed Reepham/FLEBBS/Wensum groups of parishes. This failure comes after nearly a year of advertising, including six months on the diocesan website and four advertisements in the Church Times. We now have to question whether a new advertisement for a similar part-time post in the Foulsham/Elmham proposed Team Ministry is sensible.

The agreed plan has been to create two Teams, one with 1.5 clergy posts (combining the Benefices of Elmham and Foulsham) and the other with 2.5 clergy posts (combining the Benefices of Reepham, Wensum and FLEBBS); this was to respond to the request that we do not divide the existing Benefices.

A new proposal with four full-time posts, rather than three full-time and two part-time, would draw on a much greater number of potential clergy candidates. One possibility would be to create one Team Ministry across the entire Deanery but that would create too large an area across which to sustain meaningful relationships. If we are to maintain the idea of two Teams, it will mean abandoning the principle of not dividing any of the current benefices. The obvious candidate for dividing is FLEBBS, given its central position. A new proposal, therefore, would be:

Team one:

Reepham Salle Thurning Wood Dalling Alderford with Attlebridge Great Witchingham with Little Witchingham and Lenwade Swannington Weston Longville with Morton-on-the-Hill Elsing Lyng Sparham	Parishes: 11 Churches: 13 Schools: 1 College, 1 High, 3 Primary Population: 5700 Team Rector (full-time) Team Vicar (full-time)

Team two:

Billingford Bintree Guist North Elmham Twyford Worthing Foulsham Guestwick Stibbard Themelthorpe Wood Norton Bawdeswell Bylaugh Foxley	Parishes: 14 Churches: 14 1 has applied to the Diocesan Churches Trust Schools: 4 Primary Population: 5400 Team Rector (full-time) Team Vicar (full-time)
---	---

There will be a formal process of consultation following the development of a draft Pastoral Scheme. This will include two opportunities for PCCs to comment on the proposals and is unlikely to be concluded much before the end of 2016. However, if informal agreement could be obtained, it would allow us to advertise the Team Vicar posts sooner so that the parishes are not left without pastoral care.

The significant difference between this and the previous proposals is that Bawdeswell, Bylaugh and Foxley will join The Elmham and Foulsham Groups. These two groups have already agreed that Sally Kimmis should be the Team Rector Designate but the parishes of Bawdeswell, Bylaugh and Foxley have not been given this opportunity. There would, therefore need to be an opportunity for the three parishes to appoint Representatives who would have a formal meeting with Sally.

Team 1, as described above, is different from the current proposal, only by the exclusion of three parishes. There has, therefore, already been the necessary consultation with all the parishes to agree that Margaret Dean will be the Team Rector, should agreement be reached for this new proposal.

The Pastoral Scheme will dissolve the role of Priest-in-Charge of FLEBBS, and Lyn Page would have the opportunity to apply to be one of the two, newly created, Team Vicars. All the PCCs of the parishes with the group would appoint Representatives who would be part of the appointment process together with the Team Rector and

On Saturday, 14th May The Foxley Village Hall Management Committee organised a splendid Spring Lunch attended by over eighty people. Approximately £550 was raised for The Big C. This was to mark the culmination of the recently completed refurbishment and updates to the fabric of the hall.

With acoustic panels in the ceiling, a new floor and redecoration it was a fitting venue for the celebrations to take place.

Village News

It was also an opportunity to thank Christine and Tony Rushbrook, who returned for the event, for their contributions to village life during their residency in the village, particularly their support of the village hall and the church.

With the latter in mind, a peal of 5040 changes (Cambridge Surprise Minor) was rung in two hours and 31 minutes by a visiting team of highly experienced ringers. This was the first peal to be rung in Foxley since 30th October 1949 and it was a delight to hear the bells being rung in this way.

A fuller report will appear in the next issue of The Reeve's Tale.

Scribbles Preschool

It's been a very busy month again with the introduction of our Scribblings room. We are now taking children from birth due to being inundated with requests so we have now got a dedicated room just for our little ones!

We have all recently re-completed our first aid training and are proud to show off our certificate from FlexiMed Training to show all our staff are trained in paediatric first aid giving parents complete peace of mind their children are in safe hands. Also we are delighted that our children will shortly be the first in this area to learn some age appropriate First Aid using the child friendly Flat Stan Program. Many thanks to Kelly and Gary for providing this training.

We look forward to a busy June with many planned activities including a Den Building Day with the Primary School and Swanton Morley Barracks, planning for the village fete, trips out to Redwings Horse Society and hopefully a secret end of term trip. Sssshh though, don't tell the children! This is all on top of all our usual weekly activities and fun.

Lastly, we would just like to say a massive thank you to all the families who came and celebrated our first anniversary barbecue - we hope you all had fun, its because of you that our business is growing into the massive success it is and we look forward to another busy year with you all. Remember to check out our website www.scribblespre-schoolgroup.co.uk or our Facebook page Scribbles Bawdeswell for all our up to date news.

Bawdeswell Business Network

The first meeting of the BBN Breakfast went well, we had 8 people attending and topics ranged from working in Bawdeswell, advertising and 'In or Out' but mainly getting to know each other. Many had good experience in running a company and with a strong business focus were willing to help others. Also attending were media/marketing and graphic designers with great experience in promotion of companies.

The main way for customers to find business locally is through The Reeves Tale, many do not read it, or word of mouth. By gathering together, local businesses can develop a Network and target new local customers. Maybe work on projects together and source the best local employees.

There will be no obligation; no fees and no attendance requirement simply pay for your breakfast when you attend. Bring a friend or colleague as well if you like. We are moving the venue to Hamptons who can provide a better breakfast. Annie is very happy to open the doors early as she used to provide the same service when she was in Reepham.

If you would be interested in finding out how others are doing, increasing your business potential and get some friendly advice or support then join us, for the price of a cup of coffee and maybe a bacon sarny.

Next meeting: Wednesday 8th June; 7:30am – 9:30am at Hamptons, Dereham Road, Bawdeswell. Breakfast available.

To register your interest and for further information please email Alex Kirby alexckirby@hotmail.com.

Bintree Bowls Club

BAWDESWELL, BINTREE, FOULSHAM AND LAKESIDE BOWLS CLUBS enjoyed an afternoon of fun bowls on Sunday 24th April, despite the very cold weather. Thank you Paul Digby for organising the event which will become an annual 'start of the season' occasion. The trophy was won by the Bawdeswell Club.

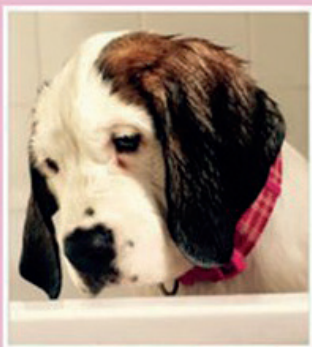

Charity cycle ride

Many thanks to the Foxley Village Hall committee, Carole, Ruth and Pam, for giving cakes and their time on the 1st May, for the charity cycle ride raising money for Walking With The Wounded.

We raised £85 and very much appreciated refreshments by the cyclists. Well done!

Bawdeswell Village Hall

At our May meeting we discussed the snagging items which need attention. The Structural engineer and architect have prepared a list and the contractors will undertake the work. This will mean some disruption to the building for approximately two weeks but we don't have a date yet. We will do our best to ensure that all planned activities at the hall run smoothly while the work is being undertaken and the work will be programmed when there are fewer bookings than normal.

We also agreed expenditure on blinds for Reception and the Office. Other expenditure had to be agreed for maintenance agreements, many of which are legal requirements, so the funds have taken a bashing this month.

We also spent some time planning the AGM which will be held on **Monday 13th June 2016 at the VH at 7.30pm**, all are welcome. There is a lot happening and we would welcome anyone willing to become involved to help run and support this great facility. So please come along and learn more about what is happening at the Village Hall. This building is a facility for the use of the whole community so it would be good to see everyone on the 13th June.

The hall is available to be let by any group or anyone for a private party so if you have a date in mind please contact the Bookings Manager in advance to book the space required. Our congratulations for the future go to the couples holding their wedding receptions in the hall in the next few weeks.

“The Children Act” by Ian McEwan

In *The Children Act*, Ian McEwan references some of the impossible legal dilemmas faced by judges in the high court of England. Fiona Maye is a judge in the family division of the law courts; experienced, revered and extremely competent, she faces difficult judgements and complex cases on a daily basis. McEwan's calm and dispassionate prose style and effective use of technical detail allows us to enter through the doors of the Inns of Court alongside Fiona and to gain some understanding of this rarified world which is inhabited by people who serve judgement on impossible and challenging issues. However when engaging with the messy, uncontrolled outside world Fiona is fallible - or at least the 'real' world is not as knowable and controlled as her legal universe. We join her life at a point when her husband has challenged their marriage, but not his love for her, and she is called on to make an emergency judgement in a case where a young man, not quite 18, will die without the blood transfusion denied him by his religion. In order to determine her judgement she goes to meet the boy in hospital, setting off a sequence of cause and effect which she cannot have predicted and does not have control over. The law consumes Fiona's time and emotions but she remains faithful to it and produces intelligent, cogent decisions at all times regardless of extreme difficulties elsewhere in her life.

McEwan clearly admires the judges that he has met and has stated that their choices '...are often limited to the lesser harm rather than the greater good'. Furthermore he considers that '...what is lawful is not always identical to what is right' and that there is no consistency in the law despite having sentencing guidelines, as judges themselves differ. Having had the opportunity to share their company when socialising over dinner and having read some of their judgements he was struck by their interaction, the beauty of their writing, and the omniscience that reminded him of novelists' attitudes to their characters. He used this experience as the inspiration for this novel, and by introducing much research and real examples of judgements made in the last few years, many of which the reader will recall, he brings verisimilitude to the book.

The Book Club meets in the Workhouse Bar on the first Thursday of every month at 8pm. We are currently reading “Sweet Caress” by William Boyd for discussion at our meeting on the 2nd June and will read “How to be Both” by Ali Smith for discussion at our meeting on the 7th July. Enquiries: Marietta Menzies 01362 688 400.

Bawdeswell Ladies' Craft Club

We have completed more knitting for charity and in fact have 15 cardigans, booties, mittens and bonnets ready for premature babies, very generously knitted by two of our members with wool donated from kind locals. As well as other knitted goods for various other charities. One member was lucky enough to win a raffle prize of a knitted Royal family wedding group at the last FAB Coffee morning which has been donated to the Craft Group. The knitter, though not a member of the Craft group, has always been very supportive of the group with donations of fabric and wool and we are grateful to receive her beautifully made wedding party. Our June dates are the 9th and 23rd at 2pm in the Committee Room at the Village Hall. New members are always welcome.

Short Mat Bowls

Foxley Village Hall

Every Monday 7pm - 9pm and Friday 7pm - 9pm.

Our short mat bowls is not the game you may have watched on TV where the game is played in absolute silence: a single cough incurring instant glares of castigation. No, this is a game where chatter and a considerable amount of laughter (and a cup of tea and biscuit at half time) are an intrinsic part of the evening. The atmosphere is distinctly friendly and sociable. Why not come along and have a go? There will be bowls for you to try and plenty of help and encouragement from members.

Beck WI

Our May meeting was a social one and began with a lively discussion around the two proposed resolutions for the National Federation of WIs campaign. The first concerned calling upon supermarkets to sign up to a voluntary agreement to avoid Food Waste and Food Poverty by passing on surplus food to charities. The second addressed appropriate care in hospitals for people with dementia – this is a call on the government and NHS to improve the wellbeing of dementia patients in hospital by providing facilities for carers to stay and also visit outside normal visiting times. The group voted unanimously to support the first resolution and was in agreement with the second but with some reservations. Following the debate, we rewarded ourselves with home cooked refreshments and wine before continuing on to business matters!

The Beck is an enthusiastic group which meets on the second Monday of each month at 7.30pm in the Old School Room at Sparham. We have a very varied programme in progress for 2016 and guests are always welcome to join us.

Next meeting June 13th – A demonstration of “flower arranging” by Antoinette Curtis

8. Planning

REFERENCE: 3PL/2015/1424/F

PROPOSAL: Residential development of 36 dwellings

LOCATION: BAWDESWELL: Land off Hall Road

APPLICANT: Sovereign Group Limited

The Council referred to their adopted policy on development. There was concern over the unsustainability of the development, the development being outside the settlement boundary and lack of infrastructure to support the development. There was reference to the recent objection submitted by the PC to becoming a Local Service Centre (LSC) and concern that approval of this application would create danger of having LSC status imposed. It was confirmed that the PC have always objected to applications outside the settlement boundary. It was recognised that there would be a settlement boundary review later in the year at which time there may be pressure to include the proposed site within the village boundary. Concern was raised over drainage and the existing problem with the sewerage system. District Cllr Bambridge confirmed the application would go to planning committee due to its large scale nature. There was reference to Breckland's lack of land supply and how this may affect the outcome of the application should it be refused and go to the Planning Inspectorate.

Members of the public expressed concern over lack of infrastructure, electricity supply issues and sewerage concerns. With the exception of 7 people who abstained from the show of hands, the remainder of the public in attendance recorded an objection to the planning application.

It was agreed to query ownership of proposed amenity land. The Council submitted their objections to Breckland Planning and a copy of the submission can be viewed on the website

The Friends of Bawdeswell Church

The Race Night was a great success and everybody seemed to enjoy themselves, there was much excitement and it was lovely to see such a mixed age group there enjoying the thrill of the races. Thank you to everyone who sponsored a race and those that bought horses, each winner receiving a bottle of fizz to add to the overall enjoyment of the evening. Our thanks go to Peter Jervis and the Quotatis team for their sponsorship and it was great to see some of their staff on the night. The food, hot dogs supplied by Lilwall's Hog Roasts and Dan's local ice cream, was perfect and well received. We made £950 after expense which was a fantastic result!

'protecting & enhancing this unique building for the future'

Plans are now well in place for our next event, the Taverham Brass Band concert and picnic, on July 10th. Tickets are £7.50p and children are free. The concert in the main hall will start at 7pm and weather permitting we can all picnic in the park from 6pm and during the interval. It promises to be a special evening and if you haven't heard the band before you will be in for a very special treat indeed.

It is great to see the clock finally working again and we've paid our £1000 contribution towards the work that has also been funded by the PCC and Parish Council. Work on the portico is still outstanding but in hand and hopefully we can get this completed very soon.

July 10th: 'Concert & Picnic with Taverham Brass Band' Last Night of the Proms – gates open at 6.00pm and concert starts at 7.00pm, Village Hall

Letter from Lyn

I am writing this letter with sad news. A few weeks ago I was informed by +Johnathan, the Bishop of Lynn, that Archdeacon John Ashe and the Rural Dean, Tim Dean, would propose a new Pastoral Scheme which would result in a reorganisation of local benefices. This reorganisation results in the benefice of FLEBBS being split up. The Church Wardens were informed on the same day by the Archdeacon.

On the following day, at the chapter meeting, the new Pastoral Scheme was discussed along with the consequences of my post as Priest in Charge of FLEBBS being dissolved. At that meeting, the Archdeacon concluded that this new Pastoral Scheme should be progressed. Tim Dean concluded by explaining that the next step was to send the new scheme to the Parish PCCs for a short review period, until 21st May 2016. Advertising for two new Team Vicars would follow with the intent that interviews would be held in July, and appointments made in August of this year.

After the appointment of the two new Team Vicars there is a further period of review; 30 days with the Diocese of Norwich and 30 days with the Church Commissioners in London. It is the Archdeacon's intention to formalise the new Pastoral Scheme while advertising and making the new appointments so that these reviews can happen. After these reviews have been completed the new Pastoral Scheme can be put into effect and the FLEBBS benefice dissolved along with my current post as Priest in Charge.

I have asked the editors to print a copy of the details of the new Pastoral Scheme as presented by the Archdeacon and Rural Dean (see page 15). It explains the planned parish re-ordering into benefices and describes the two new leadership teams of stipendiary clergy. If you have any comments or questions about this new scheme, please contact the Archdeacon or Rural Dean directly.

I am currently assessing my own options and await the details of the newly created posts.

The King's Head Bowls Club

play on the Bowling Green behind the hotel and have done so for over 115 years. Back in the 1890's the green was situated where the garden is now and only had 3 rinks. In the village archives there are press cuttings dating back to 1902 of a Coronation presentation of "several woods" by Mr L W Boyle to various Bowls Clubs of the Parish that aroused a general feeling of *esprit de corps*"

In 1949 the brewery Steward & Patterson agreed to lay a new green on its present site next to the rear car park. This was laid with top quality Cumberland Turf at no cost to the Club with the proviso that the Club kept it in good condition. The Club purchased a new mower for the purpose.

The current green was first used on 3rd May 1950

Today we are a small but well known club with around 26 members.

The club plays in 4 leagues throughout the summer season (May to early September)
