WELCOME

Just three more issues...

Earlier on this year, we made the decision that we could no longer take care of The Reeve's Tale. We've enjoyed being custodians of the magazine for the past 5 years, but with so many other commitments in our life, it's time to pass the baton.

We've put several hopeful calls out via the magazine to find a willing successor (or team of successors), but to no avail. Time is now running out. We will keep the magazine running until the end of the year as many of our advertisers are paid up until then. But if we still haven't found anyone willing to take on the task, the December issue will be the last.

We're really hoping that someone will be able to find the time and willingness to give it a crack. If you think you might be able to help, please do get in touch using the details below. We're more than happy to have a chat.

Many thanks,

Emma and Gavin

Litter in the park

I was at the park with my friends and we were amazed at the amount of litter that had been left by people. All this rubbish being left by people who are visiting the park is not very pleasant for other families. Could a sign be put up to remind visitors to use the bins or take their litter home?

Thank You from FOBS

The friends of Bawdeswell School want to say a massive thank you to everyone that attended the school Fete as well as all the other events we have organised this year. Your generosity means a lot and has enabled us to give the children new books for their library as well as educational experiences outside the classroom. As always we are looking for new members to join us and continue the great success the friends have achieved in the last couple of years. The next meeting is the 19th September 7pm at The Workhouse bar.

Update from Bawdeswell School

It has been another busy half term and we are soon going to be saying goodbye to our Year 6 children. We wish them all the best with their transition to Reepham High School and beyond.

We look forward to welcoming all the new Reception children. They have had several visits throughout this half term which has helped them to get to know us so September won't be so overwhelming.

I would like to take this opportunity to say a big thank you to everybody who organised, attended and supported our school fete. We raised around £900 for the school – a brilliant effort!

To finish our term we have a Year 6 BBQ day, whole school trip to Bewilderwood, school disco, circus visit and our church service on the last day of term.

Anyone who wishes to volunteer or look around our school, please feel to call the office and make an appointment.

Best wishes

Emma Yerby Smith, Head of school

VILLAGE NEWS

Bawdeswell Village Hall

Welcome to our Summer.

We plan to open our Afternoon Café through the school summer holidays but we need volunteers to help us. The Trustees would love to have volunteers working with them to serve hot and cold drinks, confectionary and icepops. If you could help us, and be available from 2.00pm to 4.00pm, please get in touch with us (use our contact numbers below). We'll partner you with a Trustee so there's no worry about what to do, or charge etc. The more volunteers we have, the more afternoons we can open!

Breckland Holiday Activities are returning to Bawdeswell! We're delighted that Aspire PE will run their sessions from the Village Hall each Tuesday afternoon. The first session is 30 July and will run weekly until 27 August. Each session will start be from 1.00pm and finish at 3.00pm. The Activities are open to all children 5-11years. Cost per child is £3. (See Breckland Holiday Activities Facebook for more information.)

Following England's successful Cricket World Cup we wondered if there might be more interest in cricket. We have some cricket nets in our storeroom and we'd be willing to erect them if there was some interest. Do let us know.

We're celebrating being open for four years but we're not sitting back on our laurels!

- Our Trustees have participated in financial training with Y's Bookkeeping Services to help improve our processes and make sure we have the right audit trails and governance in place to help run our financial systems efficiently.
- 10 Trustees and Volunteers have undertaken training and have now gained their Level 2 Food Safety in Catering qualifications. Congratulations Everyone!

And we're beginning Year Five with refurbishing our Main Hall floor, to make sure we keep it in tip-top condition for all our users. We are also considering improving our meeting rooms facilities for hirers by installing projectors, screens and white boards.

Our Tuesday Coffee Hub continues to be open all through August, but our Soup and a Pud Lunch will have a rest in August, re-opening on Thursday 26th September.

“The Colour of Milk” by Nell Leyshon

Set in 1830, this short novel tells the heart-rending story of Mary who is an illiterate farm girl working with her three older sisters on her father’s farm. She is fifteen when, a year later, she writes her own account of that year as she leaves the farm (sold into servitude by her father) to work at the nearby vicarage looking after the Rector’s ailing wife.

When the Rector is widowed, Mary’s life appears to follow a pre-ordained inevitability for a young woman of her class and circumstances. Her life on the farm was one of patriarchal domination and brutality, meted out by her father and ignored by her mother; at the vicarage she has the opportunity to learn to read and write but the cost of achieving literacy comes at the highest price.

This novel is written in short sentences with longer passages joined by lots of “ands” which some members of the Book Group found off-putting. However, this creates an authenticity which others found beguiling. The book is segmented into seasonal sections which reminded some of Hardy’s Tess of the d’Urbervilles – that and the plot line of a young woman being forced to submit to sexual advances with the inevitable consequences. Also, as with Hardy, Leyshon writes lyrically about the natural world. This contrasts vividly with the brutality of Mary’s life.

The book gives a voice to someone who is usually voiceless; Mary has a “bad leg” but a fiercely outspoken attitude which refuses to be cowed. The novel contrasts with the many examples of historical fiction which give a “happy ending” through the accepted norm of marriage. This creates a very bleak narrative. Her voice was seen by some members to represent not only many women throughout history but also in the present day, who have been abused and discarded.

Some members of the group loved this novel and read it twice – others didn’t feel that it was for them. The style and content engendered fierce debate at the meeting and it was a novel all will remember even if they didn’t enjoy it.

The Book Club meets in the ‘Lounge’ outside the Workhouse Bar on the first Thursday of every month at 8pm. We mostly obtain books from the library so there is not the expense of buying new books each month. We are currently reading “Tigers in Red Weather” by Lisa Klaussman for discussion at our meeting on 1st August. Our next book will be “The Fish Ladder” by Katherine Norbury for discussion on 5th September. New members are always welcome. **Enquiries: Carolyn Good 01362 688944.**

Foxley Village Hall

Every Monday 7pm - 9pm and Friday 7pm - 9pm.

Our short mat bowls is not the game you may have watched on TV where the game is played in absolute silence: a single cough incurring instant glares of castigation. No, this is a game where chatter and a considerable amount of laughter (and a cup of tea and biscuit at half time) are an intrinsic part of the evening. The atmosphere is distinctly friendly and sociable. Why not come along and have a go? There will be bowls for you to try and plenty of help and encouragement from members.

We're a friendly group who play at the bowls green behind Bawdeswell Village Hall. We play for fun and also play in several local leagues. Our Men's Singles Trophy was first played for in 1924. Most of our current members live in Foxley and Bawdeswell.

Club roll ups are every Tuesday at 2.00 pm at the Bawdeswell green. Sessions start in April and run every week through to early September. New players welcome, whether experienced or complete beginners. Coaching can be arranged.

Please check our website bintreebowlsclub.co.uk for news of club contacts, fixtures, match results and social events.

Beck WI

The Beck is an enthusiastic group which meets on the second Monday of each month at 7.30pm in the Old School Room at Sparham.

This month our invited speaker was Juyna Lewis. Juyna is from Bangladesh, from a catering background, and described her early days in the UK helping at the family restaurant which gave her a passion for cooking and eating healthily.

She gave us a very practical demonstration on how to create four easy picnic dishes. The tasty, (and healthy) food was enjoyed by all the members afterwards and given a definite thumbs up!

On August 12th we have Maria Pennington coming to tell us all about Pearls!

We will continue to run a very varied programme in 2019 and non-members are always welcome to join us. We are always looking to recruit new members. Please contact Liz Waddy on 01362 688910 for further information.

Bawdeswell Parish Council Meeting held on 4th July

County Councillor B. Borrett and the Police were not in attendance, no apologies were received. District Cllr G. Bambridge updated the Council on the Local Plan.

Matters Arising

Following the meeting at Billingford where speeding concerns were raised, it was agreed that there was no further action to be taken at this time. Work to carry out repairs to the Church Wall has started.

The Parish Council are looking to purchase new play equipment for the recreation ground to replace pieces that are starting to become worn. Quotes are being obtained for a new activity trail.

Planning and development

Cllr Cunliffe attended a meeting with Breckland District Council and the developer regarding a proposed development off Reepham Road for 25 houses. The Parish Council agreed there was no need to hold a public meeting at present as there's no indication that the developer intended to take the proposal further and no planning application has been submitted. The Parish Council will closely monitor the situation.

Finance

The balance of the community account after June payments is £14,135.30. The balance of the business money manager is £2,254.52, Project Bawdeswell account was £3,291.90 as it was agreed this account would be used for ringfenced funds.

A copy of the grant funding terms and conditions can be viewed on the website. Grants are considered at Council Meetings following receipt of application

CHURCH NEWS

The Friends of Bawdeswell Church

We've decided to change our Harvest Supper this year to a Harvest Lunch on Sunday 20th October, 12pm for a 12.30pm lunch. Harvest remains a very popular festival and All Saints will be holding its traditional Harvest Thanksgiving service led by Canon Christopher that morning, so we thought it would be a wonderful idea to follow this with a lunch party and complete the celebrations of 'All is safely gathered in'.

'protecting & enhancing this
unique building for the future'

The format remains the same with excellent seasonal food and good wine, so one not to miss and suitable for all the family. Tickets are on sale at £15 more details to come.

2019 Events:

CHURCH NEWS

Church Letter

Dear Friends,

I have just been reading a fascinating article about the transition of power from one Prime Minister to the next and by the time you read this we will, indeed, have a new Prime Minister.

In the same journal was a more intriguing juxtaposition between the old and the new in the report from General Synod which met recently in York; The Church of England is to bring back monastic orders (in other words officially recognise and foster vocations to the religious life). At the same time electronic giving, in the form of collection plates which can be tapped by a debit card, is to be piloted in some dioceses.

In these two decisions the church is making quite a powerful statement that we must embrace the future but not jettison all that has been good in the past. Of course, the monasteries of the Middle Ages assumed secular power and influence that was inappropriate and contrary to the simplicity and self-denial required by those seeking the religious life, but increasingly people are coming to value the opportunities of space, silence and reflection offered by the monastic life.

In a similar way there has been a revival of Retreats and Pilgrimage; The Pilgrim's Way or "Comino" to Santiago de Compostella is more popular than ever and numbers have to be restricted. More locally I was delighted to hear that the pilgrims' route to Walsingham is to be revived. A substantial grant from the EU will enable signage to be erected across the old known route informing those walking and cycling of the direction and distances to hostels on route. Part of the route will come through our benefice at North Elmham.

Whether we are people of faith or not, we all need space in our busy lives to simply sit and reflect away from the "business" which seems to drive us for most of the time. This may be in the form of a Retreat or Pilgrimage or it may simply be on a country walk or in our own garden.

Do give yourself some time, the benefits are incalculable.

Enjoy the summer.

With every Blessing

Fr Christopher

CHURCH NEWS

Bawdeswell Church News

There has been an upsetting report of flowers being removed from a family grave in Bawdeswell cemetery on more than one occasion. There is very little we can do about this other than ask people to respect the graves and keep an eye out when visiting the graveyard for anybody acting oddly.

On a happier note, we are looking forward to a Christening service on Saturday 3rd August. Loki Winterbone is to be baptised, and we are expecting quite a large turnout of family and friends

More good news. Our 'retired' vicar, Father Christopher Davies, has been persuaded to come out of retirement and accept the post of Team Vicar in the Heart of Norfolk Benefice. When this was announced in Bawdeswell church, the congregation erupted in spontaneous applause!

His principal responsibilities are Bawdeswell, Foxley, Bintree, Themelthorpe and Guestwick. Bintree and Themelthorpe churches are currently closed, and Foxley and Guestwick are heading that way if they don't get more support. Thankfully Bawdeswell is alive and flourishing.

As mentioned last month, Father Christopher has endeared himself to us for his regular attendance at Bawdeswell every Sunday, and at the Tuesday Hub and visits to the school, the sick in hospital and the housebound. We are delighted he will now be amongst us for longer.

Repairs to the church wall on The Street have been carried out by the Parish Council together with a voluntary donation from the Friends of the Church. When the churchyard was closed in 1889 it became the responsibility under Law of the Parish Council. The cemetery on the other hand is still the responsibility of the Parochial Church Council, and we do our best to keep it tidy with our very limited funds from burials and church giving. Any help in cutting the hedges adjacent to your homes is always appreciated.
