DEREHAM WALKERS ARE WELCOME

Dereham Walkers are Welcome is a not-for-profit organisation.

Please come and join us for a walk in the local area.

Our Jubilee themed walk was a delight; warm sunshine after the rain and as we finished, we were able to gather for drinks and delicious cakes and enjoy a chat sitting down!

We meet on the first Friday of each month to complete a short walk of up to four miles.

Please come and join our friendly group for our next walk on Friday July 1st.

VILLAGE NEWS

Platinum Jubilee at Bawdeswell Village Hall

Well, what can I say but wow and a big THANK YOU to all the people involved in making the Jubilee Sunday a very special day.

All the organisers woke that morning to rain and cold weather, thinking no one would turn up! How wrong they were. Once the word was out that we were open to celebrate, people arrived to join in the fun. Toddlers, teenagers, adults, mums, dad, grans and grandads all came to the Village Hall and were very surprised to see how much effort had been put in place to make the day go well.

Cakes covered the reception counter with many and various red white and blue decorations adorning the cake tops. All the volunteers had been madly baking to ensure all the people who attended would get at least one cake. (I think one or two had more than one!!).

On display was a wonderful account of the 70 glorious years our Queen has been on the throne along with the excellent picture/posters/stamp designs the children of Bawdeswell School had completed as part of a competition, judged by Mr John Mallen. Well done to all the children. It really was difficult to judge as all the exhibits were brilliant. On the television screen there was a constant stream of all the events taking place in London so anyone could watch and enjoy.

In the kitchen our brilliant team was constantly making hot dogs and, from the comments received, they were thoroughly enjoyed. Well done Reephams butchers for the great sausages.

VILLAGE NEWS

A wonderful tombola was set up in the activities room with so many people willing to buy tickets that they soon sold out even though the table was overflowing with prizes. Thank you to all who donated.

Now, the story goes that one little boy spotted the bouncy castle in the hall and without a backward glance had kicked off his wellies at the door, run through the reception and taken a huge leap onto the castle with his mum saying he was so excited to hear there was a bouncy castle. Other children also loved the castle and yet were respectful to the younger age group and were willing to take turns. Well done you guys.

On the car park was a fire engine with three fire fighters showing the children all the equipment and explaining how each one works. We were so pleased they could make it as they are always on call and would have to leave if an emergency came through.

On the field there were races held for all children such as, egg and spoon, dressing up, bean bag race, three legged and then tug of war. This is when the mums and dads joined in as the firemen had the tug of war rope. Well, hilarious or what. It was so good to see such fun and everyone was enjoying themselves.

The various entertainers were brilliant. We had a great show given by a local busker who had a lovely voice and sang songs that people commented on saying how good he was. The Punch and Judy man gave two shows and had the children enthralled. They all shouted, booed and cheered in the right place and went out smiling. The magician/juggler/balloon man was magnificent. The whole of the hall was held in his spell as he interacted with people so well.

All who wanted it were given candy floss, ice creams, hot dogs and cakes all free of charge. This is thanks to the donations received especially for this event. A great big thank you from the village hall committee for the generosity to all who donated to make the day such the success it was.

During the afternoon the children of the village school gave a wonderful display of dancing which showed how hard they had worked on getting the routine correct. It was so good to see that mums and dads had come along to support them and had also enjoyed the rest of this celebratory day at the village hall.

Although the whole day was over within a few hours people were very complimentary about how well the day had gone, despite the weather. It was so good to see so many enjoy themselves. Roll on the next big celebrations.

VILLAGE NEWS

Platinum Jubilee at Foxley Village Hall

On the Saturday afternoon of Jubilee weekend over seventy residents and friends of Foxley met at Foxley Village Hall for a traditional Afternoon Tea. Tables groaned with plates of sandwiches, scones and sausage rolls not to mention the vast number of cakes provided by ladies from the village. A truly magnificent feast appreciated by everyone. The highlight of the afternoon was a short speech from Nicky Mears, the chair of the Parish Council, and a glass of fizz to toast the Queen. Much to our amazement, considering the amount of food we started with, there wasn't a lot left at the end of the afternoon.

To go with the tea there was an exhibition of the history of Foxley; pictures and maps from the past, information about the church and photographs of various locations around the village. My thanks to Jackie Cunliffe, who kindly gave us her archive of materials about Foxley that she had collected over the years. The display that everyone found most interesting was Andy Wells talk with souvenirs from the two plane crashes in Foxley during the Second World War.

It was lovely to see so many people enjoying themselves, but the committee couldn't have managed it without the help of all those who provided cakes, photographs and memorabilia, and in particular Andy Wells. Thank you all.

CLUBS AND SOCIETIES

Book Group

The Book Group now meets in the Village Hall. We meet on the second Thursday of each month, starting start at 8pm. Each member pays a Group Subscription fee; currently £12, for the period April to December 2022. New members are welcome and will be able to come for two meetings before deciding to join the group and pay their subscription.

Our June Book Choice: *“Playing Nice”* by JP Delaney

What a difference a month makes; last month we read what I described as “a quiet book; this month’s choice was anything but.....

The book cover shows a quote describing the book as ‘a psychological thriller’, and it certainly lives up to that description. This is very much a ‘page-turner’, until it becomes almost too frightening to contemplate turning the page.

There are two family groups each with a child. The story is presented through short intense chapters.

What starts as a frightening possibility, a mistaken swap of their babies in a neonatal hospital ward, spirals into in an increasing nightmare. Seemingly innocent actions lead towards devastating consequences.

I must confess that some of us (me included), couldn’t bear some of the suspense, to such an extent that we had to ‘sneak a peek’ at the end page to make sure that our heartbeats could sustain reading the remaining chapters.

We all agreed it was a well plotted story and a compelling read!

Next Months’ Book Group Choices:

We are currently reading *“Signs preceding the end of the world”* by Yuri Herrera for discussion on 14 July.

Our following book will be *“The Running Hare: the secret life of farmland”* by John Lewis-Stempel.

Bell Ringing at Foxley Church

We are enjoying our ringing at Foxley Church, and occasionally at Great Ryburgh, Weston Longville and Swanton Morley churches too. One of the great facets of bell-ringing is visiting other towers to ring different bells and enjoy the company of other ringers.

We also welcome visitors to Foxley Church and were delighted to have a family from Poringland visit the church recently and to give a young person a go on the ropes.

Ringing is generally from 4-5pm on the 1st Sunday of the month before Evensong. If any young people are interested in having a go, do get in touch, we are keen to teach the younger generation this ancient art.

CLUBS AND SOCIETIES

Bintree Bowls Club

The outdoor bowls season is in full swing now with busy months in June and July. At the time of writing this article, we have played 19 league games. We have played 5 in the Elmham league, 4 in the Cawston league, 8 in the Age UK league and 3 in the Hempton league.

All fixtures and results for our league and cup games can be seen on our website bintreebowlsclub.co.uk. Also, on the website are posts under the following headlines NEWS, SOCIAL EVENTS and CLUB HISTORY.

On 03 July, we have a visit to Sandringham to play a friendly against them. A few years ago, The Nora Langley Cup was given in memory of Annabel Johnson's mum, and currently Sandringham Club hold this cup following a friendly match held prior to the pandemic. Annabel is the wife of our current president, Richard Johnson. Apparently, the bowls green at Sandringham is part of the Queen's estate. Not sure if she'll be there to watch our game!

3 members of our club, Dawn Spiteri, David Webb and Dave Garner have fought their way through to the Area final of the Norfolk County 2 wood mixed rinks competition. Well done to them!

Don't forget, we have a roll-up every Tuesday afternoon at 14.00 normally followed by tea/coffee and biscuits/cake. All are welcome!

Bridge Club

Sponsored by Bawdeswell Village Hall (Registered Charity No 800970)

The JayCee Bridge Club meets in the Village Hall on the 2nd & 4th Tuesday of every month at 7pm and on Friday afternoons at 2pm. Whilst we aspire to play well, our range of bridge abilities means that it's really bridge for fun. No regular partners are needed. If you think you might like to start playing bridge then you are welcome to come along and watch to begin with.

Please contact Roger or Patsy for information, or to confirm a session is to take place.

SERVICES

Community Car Scheme: Bawdeswell, Bylaugh, Foxley

The Community Car Scheme is for residents of the above villages who have no other transport to get to medical appointments. This includes local doctors, dentists, hospital, chiropodist or any other medical appointment. The whole of Norfolk is covered from Cromer to King's Lynn.

To book a Community Car, **please ring David Wheeler on 07909 901015**. We cannot guarantee transport but we will do our best to assist. For example, we were recently able to respond within an hour to an urgent request the very same day! This was an exceptional circumstance but we were delighted to help nonetheless.

The cost to the passenger is 20p per mile with the remaining 25p per mile coming from our Parish Councils.

Please remember to give as much notice as possible and be prepared to answer a few questions in confidence as part of our risk assessment to protect our volunteer drivers without whom the scheme would not operate.

If you are interested in helping with this valuable local service, please do get in touch.

Breckland Mobile Food Store

This new community facility will be available to Bawdeswell residents from 26 April – look out for it!

The Breckland Mobile Food Store will be outside the School on Tuesdays from 11am – 12pm.

The store will follow a regular route around rural areas of Breckland, providing a way to shop for healthy, nutritious food and store cupboard staples at a reduced price. If increasing living costs or difficulty getting to the shops are problems for you, the store is a way to help.

The Breckland Mobile Food Store is funded by Breckland Council and Norfolk Community Foundation and run by local charity Kickstart. Friendly expert staff on the bus are also trained to offer wider support. If you need advice on things like debt management, mental health and wellbeing, chat to the staff and they'll connect you to a range of services.

To use the Breckland Mobile Food Store you'll need to become a member. You'll make a one-off payment of £3.50 per household and be issued with a membership card. Membership applications can be completed on your first visit to the bus, or online at breckland.gov.uk

PARISH COUNCILS

MEETING OF BAWDESWELL PARISH COUNCIL HELD ON WEDNESDAY 1st JUNE 2022
AT 7.00pm

**Present: J. Mallen (Chair), A. Toomey, J. Lilwall, D. Coles, K. Ewing and R. Reed.
Mrs. J Boxall (Clerk), Members of the public – 4**

Village Hall roof considerations

Cllr Lilwall gave an update on the situation and confirmed that the Village Hall Trustees were looking to put £10000 of reserves into the roof fund, set up a crowd funding initiative and look for any grant opportunities to reduce the liability. It was confirmed there was a need to go to tender to understand the full cost; therefore the Village Hall Trustees were asking the Parish Council to support this by agreeing in principle to borrowings of up to a maximum of £75000. The Trustees confirmed that a sub-committee will be looking to come back to the Parish Council with recommendations, and would look at what terms the loan could be repaid without jeopardising the running of the hall. An open public meeting has been arranged for 21st June to inform residents on the situation and consult on the plans for funding the repairs and carrying out the work. The Council agreed in principle to approach the Public Works Loan Board for a loan of up to £75000 to support the Village Hall roof repairs.

Speeding / HGV's on Reepham Road

Cllr Coles circulated reports on his meetings with Dereham Police Beat Manager, Highway Engineer and Westcotec Manager. A summary of conclusions was presented to Council.

Cllr Coles kindly agreed to formulate a proposal for the purchase of Speed Awareness Monitoring units / Parish Partnership Funding application for approval at the July meeting. (If successful the Parish Partnership funding would meet 50% of the costs of the scheme). County Councillor Bill Borrett to be approached for any additional funding.

Windfarm

Cllr Coles gave a report following the Vattenfall Community Benefit Fund meeting. A report was circulated for consideration.

As 1000 HGVs per week anticipated on B1145 as a result of the work to install the cables, and concern was expressed about the impact the onshore cabling would have on the landscape, the Parish Council agreed they should actively participate in the opposition of the onshore cabling and write to various bodies as recommended by the Norfolk Parish Movement for an OTN. District Cllr Bambridge confirmed that no electricity generated from this scheme was going to be available in Norfolk despite there being a need and it was agreed to include this point in any letters sent.

Other matters

Work has been carried out to replace the timber planters on the village green with support from volunteers. There had been a significant saving over the quotes received. The Village sign has been repaired and repainted and has now been put back in place. Thanks were extended to all those volunteers who contributed.

Finance

The balance of the Community account as at 31st May 2022 was confirmed as £22,879.23, Business Money Manager was £36144.36 after £1.49 interest had been received.

The next Parish Council Meeting will be held on Thursday 7th July at 7.00pm. These meetings will be held at the Village Hall. Members of the public are warmly invited to attend. The Council usually meet on the first Thursday of every month except for January & August. Please check the website or noticeboard for any changes.

Bawdeswell traffic issues –an update

Following the update provided in the last edition of The Reeve's Tale, Councillor Coles met with our Highways Engineer, the Dereham Beat Police Manager and the Technology Manager for the preferred supplier of speed monitoring equipment to the Highways Agency. The outcome of these meetings was presented by him to the Parish Council meeting on 1st June and the following is a summary of the outcome of these meetings and the next steps;

- Councillor Coles will have a further discussion with our Highways Engineer to firm up on our requirements for the advanced speed monitoring equipment part of this will be to agree the locations for the fixing posts as the cameras will need to be re-sited every 4 weeks. The 2 cameras can therefore monitor traffic across a number of locations in the village. The aim is that this will not be confined to the B1145 from Norwich Road to Reephams Road but could include the B1145 Dereham Road and The Street. The cameras can easily be reset to cover speeds from 20-40mph, and we will be able to download the data of speeding motorists for each location. As the Highways agency will be part funding the equipment, we have to agree the locations for the cameras with them.
- The Highways Engineer suggested we have village gates installed and that the ideal spot would be either side of the road outside the Garden Centre. This will also be covered by the partnership funding agreement with Highways and Councillor Coles will firm up the costs for this and the speed monitoring equipment and present this at the council meeting on 7th July in order that a formal funding application can be considered.
- During the visit by the Highways Engineer the existing 30 mph signage on the B1145 was examined. The number of these are in line with Highways regulations although some are faded and could be replaced by the new reflective signage. However, a number of the signs are partly or wholly obscured by hedges/tree branches and, in addition, some hedges are overhanging the boundary line of properties and obstructing pavements or footpaths.
- **Norfolk County Council has a duty under the Highways Act 1980 to ensure that footpaths, pavements and road signs are not obstructed where they can pose a hazard to people who are disabled, visually impaired, wheelchair users and people pushing a pram or buggy. It is a requirement that anything overhanging a footpath must be at least 2.3 metres above the footway, cycleway, verge and 5.3 metres above the road surface. Could you please check if you have any vegetation fronting roads or pavements that does not meet this requirement and, if so, to cut them back to the boundary line. Understandably, Highways will not replace faded road signs if they are obscured in this way.**
- As far as the data from the census on speeding infringements was concerned, the Dereham Beat Police Manager was sympathetic and during his visit (in plain clothes!) he saw for himself the number of motorists speeding past the 30mph warning equipment. He agreed that when we have the new speed monitoring equipment that enables us to download this data, they would attend our council meetings to discuss and agree ways to tackle this. In the meantime, they would add our village to those where they carry out random speed camera checks.

A further update will be provided in the next edition of The Reeve's Tale.

CHURCH NEWS

Church Letter

What a glorious start to June we had, with the Queen's Platinum Jubilee events and two weddings in our parishes. So much to celebrate and enjoy. We might ask 'how do you follow that?' Picnics with ma'amalade sandwiches, perhaps?

In our churches, we follow it with more weddings in July and August – I always get that tingle of excitement as I stand on the pavement waiting for the bride to arrive. That moment, when she pledges, as did our beloved Queen, to give her whole life to another. The only - and significant - difference is that the groom also makes this pledge, so that the couple begin married life with this balance of commitment to one-another.

Thinking of the wedding rings, there's a sense of eternity, as the band has no beginning and no end. A life-long commitment, which will go beyond the bounds of time. There's a point in the wedding ceremony when the priest pronounces the couple 'husband and wife' and wraps his/her stole around their hands to 'tie the knot': "Those whom God has joined together let no one put asunder".

I think that one thing that the Platinum Jubilee celebrations taught us is that we all do better when we work together; when we look beyond our own boundaries and think about how we can each contribute our 'bit' to make our communities work. I see this all the time in our villages: from cake-baking to giving lifts; from phoning someone who is on their own or popping in for a cup of tea.

I was in North Elmham School last month, leading an Assembly on "The Marvellous Picnic", or *the Feeding of the 5,000*, as some of us will know it. Not ma'amalade sandwiches, but a couple of fish and five loaves of bread (John 6:1-14). At the end of a long day, listening to Jesus' teaching, the people were tired and hungry. The packed-lunch of a small boy was transformed by God's blessing to provide a picnic to fill everyone's bellies.

In this time of fuel-poverty and the struggle to put food on the table for some, please support our Food-Banks and initiatives such as the Church Larder at St Mary's North Elmham. Thank you.

Yours, in Christ,
Revd Sally
