## Update from Reepham & District Rotary

Rotary help for Turkey and Syria.

Reepham Rotary Club is sending boxes for shelter and water treatment to Turkey and Syria via Aquabox.

Because stocks of Aquaboxes and Shelter boxes are always ready for dispatch, these are often the first items that reach families in desperate need after a major disaster. Distribution is overseen by local Rotary and charity partners which overcome many of the difficulties of responding to disaster areas.

In January 2023 we were able to send £1,800 for the purchase of 12 Gold Boxes which hold water treatment and survival equipment for a family. These would have replenished stocks sent to Pakistan and have already been sent for use in Turkey and Syria.

Now Reepham Rotary is paying £4,800 for eight Shelterboxes which will provide temporary accommodation for 60 homeless people. Club President Jim Fraser explained that this donation leaves the Club needing to raise more funds. "We have donated to many causes already this year and sent substantial sums and generators to Ukraine last week. We have scraped together all we can at this stage so expect more fund raising projects soon".

You can help:

This continued supply of funds is ensured by our 100 club. Each ticket costs £2. Four winning tickets are drawn each month. All funds go to Aquabox which is run entirely by volunteers. See more at [www.aquabox.org](http://www.aquabox.org).

To join the 100 club, contact organiser Paul Smith [100Club@reephamrotary.org.uk](mailto:100Club@reephamrotary.org.uk).

## The Mystery of the Missing Glass Bowl

Once upon a time there were two glass bowls in the church porch decorated with holly and ivy and each containing a candle. They made a lovely welcoming sight as people came to worship or to the post office.

One day, when cleaning the church we found to our horror that one of them had disappeared! Was it fairies? Was it a hurriedly covered up accident? The greenery had carefully been replaced around the silver charger plate and the candle back in the middle but no glass bowl.

Has it been spirited away or is there a very lucky goldfish in the village swimming around in his new home? We would hate to evict him into something smaller or less desirable but we would like to have our bowl back please to complete the set of 8 which grace our windowsills.

## **Fakenham Choral Society Come & Sing Day Saturday 15 April 2023 Celebrate Nelson's Mass in Nelson's County**

Fakenham Choral Society will be holding one its popular Come & Sing Days at Fakenham Academy on Saturday 15 April 2023, and will be celebrating in music local Norfolk hero, Horatio Nelson!

Singers will be working on Haydn's Nelson Mass, which was written around the time Nelson defeated Napoleon, and hailed 'the saviour of Europe'.

The day will be led, in his usual exuberant style, by FCS musical director Mark Jones with accompanist James Mooney Dutton. Singers will take part in morning and afternoon workshops, culminating in a short, free performance at 4.30pm open to everyone.

As well as enjoying a fun day of singing, there will be the chance to support, through singers and audience donations and a raffle, the local charity EACH - East Anglia's Children's Hospices. EACH has three hospices in East Anglia, supporting families and caring for children and young people with life- threatening conditions.

The Come & Sing Day is open to all voice parts and costs £15 (under 21s £3), which includes score hire. Singers are asked to register by the 10 April 2023 either through the Fakenham Choral Society website [www.fakenhamchoralsociety.org](http://www.fakenhamchoralsociety.org) (follow the Come & Sing 2023 link for further information and registration forms) or by contacting Rosemary Dear via email [rosemary\\_dear@hotmail.com](mailto:rosemary_dear@hotmail.com) or ring 01328 851776

Even if you are not a singer, do come along at 4.30pm to enjoy the free performance at the Academy and help raise funds for EACH.

## The Performance of the Parish Council

Bawdeswell Parish Council is far from perfect and the members are happy to take **informed** criticism from residents and this happens regularly at our meetings. On the basis of attending a handful of meetings and finding the rules and procedures different to what he has been used to in private industry Mr Coles has concluded that the Parish Council needs changing. I appreciate that he found our way of operating both slow and frustrating but those rules and procedures are in place to protect the public. They have not been invented in Bawdeswell but are national operations covered by long-standing legislation which is amended periodically by parliament in the light of experience.

Council members are corporately responsible for the actions of the council, that fact alone means there must be agreement before action, that public monies are protected and the actions are properly considered. A good example of this is the consideration of measures to curb speeding in the village. It was agreed to install Speed Awareness units and a set of village gates at our July meeting. At the November meeting it was agreed to delay the project due to a concern about a lack of volunteers to move the units regularly and the Council were unconvinced that they would be particularly effective and worth the money that would have to be raised by the parish precept. We were also conscious of the present financial climate and that we already needed to increase the precept a small amount to cover our present costs. Moreover the council have regularly expressed the view that the only way to solve speeding issues is enforcement and this has been regularly requested.

Parish Councillors are volunteers, are not paid and give their time freely to the village. Much of their duties are outside the meetings and they offer their services where they can but also employ professional services for maintenance and repairs. Recent examples are the Jubilee Garden and the area around the village sign where volunteers as well as paid helpers keep the areas looking good. This is especially necessary recently when the costs of materials and of labour have rocketed!

## The Performance of the Parish Council, continued

My special interest has always been the development of the play area next to the village hall and I have often been frustrated by the cost of equipment, the lack of funds and the destruction caused by some users. I know that I have to persuade my fellow councillors to agree to the spending of funds on the area because resources are scarce and there are lots of competing projects. That process actually means that money is carefully spent and not wasted and we get value for our community. Other members have other interests but these have to go through the same discussions.

The Council should always welcome new ideas and ways of working together and some of the suggestions are well worth consideration but given that we will have a new Parish Council after May, this year, the present council felt that any discussion of new ways of working should be carried out after the new council had settled in. Yes we do always need new blood and new ideas but members of the Council are members of a team who are jointly responsible for the council's actions. There really is no point in volunteering if you want to wield power, are not willing to listen to guidance from the clerk who has greater experience than many of the councillors, to work with fellow volunteers, to attend the meetings and have the good of the community at heart. Of course you can pursue your interests but with the agreement of your fellow councillors and within strict financial procedures, after all it is public money we are spending.

If you want to contribute to the wellbeing of the village please volunteer. We desperately want younger members as most of us are retirees because we have the time. Younger members bring new ideas and the energy to improve our village but also to see that the good things we do are not lost.

**It is certain that if you do not offer your services then we will be replaced by people who do not necessarily have the interests of the village at heart because the lack of a Parish Council means that Breckland Council step in and people from the village are no longer involved.**

## **Bawdeswell traffic issues –an update**

Following on from my previous articles in The Reeve's Tale, I wanted to keep residents advised of developments on these issues for our village.

## **Wind farm cabling projects –Vattenfall and Hornsea**

**Vattenfall** -the situation in respect of the plans for this developer remains as before – they have said that detailed plans for the ducting installation for their cabling works and how traffic will be managed, should be available around June this year. They are currently building a construction website that will show upcoming construction activities and will feature detail of the works in each area and when they will take place.

I will keep in close touch with this developer to see they keep to their commitment that details of works will be notified “well in advance so that the community know before they begin work in and around Bawdeswell”. I will also continue to press them to ensure that any impact this may have on our village is kept to the minimum possible level.

**Hornsea** –as mentioned previously the work on the installation of approx 55km cabling from Weybourne to the Norwich Main National Grid Substation is more advanced than is the case with Vattenfall and preparatory work is ongoing affecting Cawston and other areas. As mentioned last month, Orsted the developer, has confirmed that “no construction traffic will travel along the B1145 between Reepham and Bawdeswell” and their detailed Construction Traffic Management Plan (CTMP) does indeed set out zero construction traffic on this road and that penalties will apply to contractors where there is non-compliance.

I received a response from Orsted in the last few days to my detailed follow up questions on the unique identifiers that construction traffic will be using and about the exceptional circumstances where suppliers can “make use of the wider highway network to travel to site”. This said that “the information I requested is not yet available and as soon as it is we will provide a full response”.

I am also staying in touch with Parish Councillors from Cawston and Reepham on this as there is a suggestion that Hornsea may seek to “revise” the CTMP or possibly submit a joint plan with Vattenfall. Hornsea have pencilled a meeting with Cawston PC for the end March to discuss this. In the meantime, Norfolk Council have re-assured Reepham Parish Council that Orsted were given approval on the basis that “no traffic would travel into Reepham from Bawdeswell.”

I will update on any developments in the next issue.

## Bawdeswell Village Hall Update

So here we are with another Reeves Tale full of exciting programmes of events for April around the village and at the Village Hall. As many of you will have seen, the scaffolding went up around the Hall roof successfully at the beginning of March and the repair work on the leaking section should have started on the 6<sup>th</sup>. Unfortunately, the weather has altered some of the timings but we hope by the time you read this all will be done. The original finish date was going to be 6<sup>th</sup> April and, weather permitting, we are hoping that this might still be the case.

Access to the car parking for the Hall and the playing field has been open most of the time, and we are grateful to all visitors who have been mindful of the notices and parked carefully.

Building work aside – the Hall has been very busy and our bookings are gathering at great speed. Jo Porter, our very efficient Hall Bookings Manager, is very busy showing new hirers around the premises and is enjoying the challenge of fitting everyone in for the times they want. Our usual Tuesday Hub Coffee mornings have still been running during the building work and the exercise classes have also continued as long as it was safe to do so. Cinema night has seen larger numbers of audiences recently which is lovely so do keep a look out for the posters advertising what's on. If you have an event or party coming up and want a really warm, welcoming and well-prepared venue then do please contact Jo on the Bawdeswell Village Hall number.

Work is also going on for our Coronation Celebrations on the 8<sup>th</sup> May at the Village Hall when we invite the Village as a whole to come and enjoy an afternoon of celebration. One of our village youngsters – Joe Chesworth – has been instrumental in producing the posters within the Reeves Tale for this month and next, as well as the ones that will be put around the village. We are extremely grateful for Joe's help also at the Village Hall over recent weeks as he is working for his Duke of Edinburgh's Award by volunteering each weekend to do jobs around the Hall. Thank you, Joe, for being a good ambassador for our Village youth. Your enthusiasm and attitude are much appreciated.

As always, we welcome anyone who would like to come and join our band of wonderful volunteers who help to keep things running at the Hall. Come and have a chat on a Tuesday coffee morning or phone Lin Leppard on 01362 688774 if you would like to know more.

### ***'The Postscript Murders' by Elly Griffiths***

This book is the second of a series of three titles featuring DS Harbinder Kaur. Although a series, each of the books can be read as a 'stand-alone' story.

This time Elly Griffiths takes us from Shoreham, a sleepy seaside town near Brighton, to Aberdeen and a safe house in the wilds of Scotland.

The death of a ninety-year-old woman living in sheltered housing who is known to have a heart condition, couldn't be murder, could it? No. However DS Kaur begins to think it might be. After all Peggy was a 'murder consultant' who helped authors plot the crimes and murders in their books. She was credited by numerous authors for her assistance.

Our group felt that there was an overabundance of clichés. Within the character line-up we have a gay Sikh detective in her thirties who still lives at home with her parents; a Ukranian care worker who also trades in cryptocurrency; a gay octogenarian who retired from the BBC as well as an ex-priest/ex-monk who owns a coffee shack on the beach.

Publicity says this is a 'literary murder mystery'; it certainly has an abundance of clues, red herrings and a final denouement. No, I'm not telling you the ending!

Is it worth a read? Well, it's a cosy whodunit without too much blood and gore. For some of our group, it was much too cosy.

---

We are currently reading ***"The Confession" by Jessie Burton*** for discussion at our meeting on **13<sup>th</sup> April**. (This might be a bit of a surprise as I'd mentioned previously that we'd be reading a different title, but sometimes we have a hiccup!).

Our next book will be ***"How it All Began" by Penelope Lively*** for discussion in May.

### Bawdeswell Bowls Club

It's the time of year when we start preparation for the start of the new season. It starts in May so we need to be able to open up the green in mid-April for practice. I will be starting to cut the green once a week, gradually dropping the mower each week until we get down to five mm. Then in between cuts I will spray Hepasol to control moss, and one week later sacrificing from corner to corner both ways. Then I will spray liquid fertiliser 12-4-8 and repeat every month through the season. Bawdeswell's first game of the season is home to Marham on 2nd May. For more information call **Paul on 01362688615 Mob 07796964574 email [paul.digby5@hotmail.co.uk](mailto:paul.digby5@hotmail.co.uk)**

### Bintree Bowls Club

Summer is approaching! Latest information suggests that the Bawdeswell green will be available to play on by the 17 April. Our Opening Day has been arranged for 30 April and our first league game is on 10 May. All Cawston, Elmham, Age UK and Hempton league fixtures have been arranged for the 2023 season and can all be seen on our website [bintreebowlsclub.co.uk](http://bintreebowlsclub.co.uk) under FIXTURES.

Membership application forms have been received back from members wishing to register for the 2023 season. In 2022 we had 35 members registered and, at present, we have retained the same number.

At the time of writing this article, our teams in the indoor leagues at the Gallow Sports Centre, Fakenham are doing well. At present, Nick Mear's team are top of the Evening League and Alistair Hunter's team is top of the Australian Pairs League. Dave Beresford's two teams are 4<sup>th</sup> out of 17 teams in the Friday league and 3<sup>rd</sup> in Division 1 of the Afternoon league. Colin Harris also runs a team in Division 3 of the Afternoon league. Presentation night has been arranged for 21 April and we will find out then where we all finish up!

New members are always welcome and you can track us on our website, [bintreebowlsclub.co.uk](http://bintreebowlsclub.co.uk)

## Bell Ringing at Foxley Church

### Ring for the King

Throughout the country plans are being made to **Ring for the King** at the Coronation of King Charles III on 6 May 2023.

For hundreds of years church bells have rung out, not only to call communities to worship, but also to celebrate special occasions, in remembrance of others and to signify special events. They are part of the soundscape of the UK. In June 2022 we all celebrated Queen Elizabeth II's Platinum Jubilee with the sound of bells. Bells also rang out with a muffled sound throughout the nation as a mark of respect at her passing in September 2022.

Following the announcement of King Charles' Coronation, the Central Council of Church Bell Ringers has initiated an appeal to recruit more ringers so they are trained in time to *Ring for the King*.

If you're interested in learning to Ring for the King, find out what it takes to become a bellringer:- <https://ringforthe king.org/learning-to-ring/>

You can learn to ring the bells at St Thomas Church, Foxley.

## CLUBS AND SOCIETIES

### Lakeside Pilgrims Bowls Club

We are one of the three clubs that plays at the Bawdeswell Bowls Green and have been there since April 2015 when the Lakeside Indoor and Outdoor club at Lyng was closed in November 2014. We kept the outdoor club running renaming it to the current name.

We play in three Bowls Leagues, two under Federation rules, Whissonsett and Cawston Leagues and the Norfolk EBA league with matches played against clubs in the Northern area of Norfolk. Last season we won the Whissonsett League, came second in the Cawston League and third in the EBA League.

We have a small membership and are looking for additional members to boost our playing capacity – normally players will get at least two games per week. After our home games we have refreshments of tea or coffee and biscuits or cake and a chance for after match socialising.

In addition, we have an after-match Football Card to raise money for club funds but this coming season all profits will be going to the Alzheimer's Society.

## Community Car Scheme: Bawdeswell, Bylaugh, Foxley

2022 has been another busy year for the Community Car Scheme! We have covered over 60 journeys which is a fantastic achievement with very few volunteer drivers.

A very big thank you to our volunteer drivers who by giving their time to help others, contribute so much to our local community. Our heartfelt thanks to you all.

I feel strongly that, as the demand upon our NHS grows, we should help each other to attend medical appointments - they are hard enough to get in the first place. I know that requests for help under the CCS are a last resort so it becomes doubly important to offer help if we can.

But my fear for 2023 is that **unless we can recruit some more volunteer drivers, then this scheme will not be able to provide the service we would all like to provide.**

So I would urge you to consider whether you could give a little time for an occasional journey to help a neighbour attend a medical appointment, whether it be to the N&N or a local doctor's surgery? You will be reimbursed for mileage expenses.

Please give me a ring to volunteer - **David Wheeler on 07909 901015.**

Meantime, do keep the requests for assistance coming in and we will try our best to help if a volunteer driver is available. Thank you and best wishes for the New Year.

This new community facility is available to Bawdeswell and Foxley Residents.

### The Breckland Mobile Food Store Update

**The Breckland Mobile Food Store will be at the Church on Tuesdays from 11am – 12.30pm. (card payments only)**

The store will follow a regular route around rural areas of Breckland, providing a way to shop for healthy, nutritious food and store cupboard staples at a reduced price. If increasing living costs or difficulty getting to the shops are problems for you, the store is a way to help.

The Breckland Mobile Food Store is funded by Breckland Council and Norfolk Community Foundation and run by local charity Kickstart. Friendly expert staff on the bus are also trained to offer wider support. If you need advice on things like debt management, mental health and wellbeing, chat to the staff and they'll connect you to a range of services.

To use the Breckland Mobile Food Store you'll need to become a member. You'll make a one-off payment of £3.50 per household and be issued with a membership card. Membership applications can be completed on your first visit to the bus, or online at [breckland.gov.uk](http://breckland.gov.uk).

## Bawdeswell Church News

On 11<sup>th</sup> March Nigel Bailey's ashes were interred in the cemetery. May he rest in peace.

On Saturday 18<sup>th</sup> March we had another wedding, that of Hanna Templeman and James Astbury. Once more a happy and joyful time for them and the church. Music was provided by visiting organist Matthew Bond from Wroxham. Father Christopher returned again specially to conduct the wedding.

We welcomed back the Rural Dean, Revd Keith Rengert on the first Sunday of March, and the Revd Canon Sally Theakston, Bishop's Chaplain, on Mother's Day. Our thanks to them both.

On Palm Sunday we are expecting Revd Keith Rengert, on Good Friday our Team Rector Revd Sally Kimmis, and on Easter Sunday Revd Christine Wheeler will preside.

It is a five Sunday month and it is our turn to host the Benefice Service on 30<sup>th</sup> April. On this occasion all the elected churchwardens from around the Benefice will be sworn in by Sally our Team Rector.

We are currently carrying out the required Annual Revision of the church Electoral Roll. If anyone would like to be added to this Roll, there are forms in the church porch; or would like to be removed, please tell Sandi. Date for the Annual Parochial Church Meeting is April 16 at 12.15pm.

*Thank you,  
RT Churchwarden.*

# CHURCH NEWS

## Church Letter

The first week of April takes us into Holy Week, beginning on Palm Sunday, 2<sup>nd</sup> April.

The Palm Sunday service begins joyfully, as we remember Christ's triumphal entry into Jerusalem. "A very large crowd spread their cloaks on the road, and others cut branches from the trees and spread them on the road. The crowds were shouting:

'Hosanna to the Son of David!

Blessed is the one who comes in the name of the Lord!

Hosanna in the highest heaven!' " *Matthew 21:1-11*

At church, we begin the service outside. Our palm crosses are blessed and then we move into the church, singing a song of praise to Jesus (*Ride on, ride on, in majesty*). The mood quickly changes, however, as we enter into Christ's passion: his arrest, suffering and death on the cross. *Matthew 27:11-54*

During the rest of Holy Week, there are other opportunities to come together to reflect on this most sombre week. Sombre, yet deeply moving, before we once again celebrate Jesus' Resurrection on Easter Day.

Every year, I'm reminded of what the experience of being one of Jesus' disciples must have been like, as they accompanied him through his last days. The dinner at the house of Mary, Martha and Lazarus, when Mary poured costly perfume over Jesus' feet. Jesus' rage at the traders and money-changers in the Temple; and finally, the events of Maundy Thursday and Good Friday.

One of Jesus' final acts at the Last Supper was to wash his disciples' feet – the job of a servant. He was demonstrating the servant-nature of his leadership, as an example to them and to all those who wish to be his disciples. The word 'minister' means just that – "to render aid or service".

As a Minister of the Church, I would find it difficult – impossible even – to experience the joy of Easter, without first accompanying Jesus through his Passion. You would be most welcome to join us on this journey (please see the list of services).

With blessings for Holy Week and Easter,  
Revd Sally
