WELCOME

A Magazine for all

Here we all are, already three months into this new year of 2024 and the village seems to be buzzing with activity!

The different clubs continue to meet and are well attended, the weekly Tuesday coffee mornings and the monthly Soup and Pudding Lunches are full of chatter and catching up with friends and acquaintances.

As a village we are fortunate to have the benefit of a shop (open all hours!), a go-to destination with the Garden Centre, a very active Church community (with a fantastic Organist and Choir), a Community Car scheme (much appreciated by its users), a Mobile Food Store and Mobile Library and even a visiting Post Office twice a week. You can even pick up your repeat prescription at the shop!

The Advertising in the magazine also meets almost every householders need and some we may not have been aware we even needed!

So, a big thank you to all who contribute to making our village so vibrant and active and a wonderful place to live.

Anne and team

Tuesday, 19th March 7.15pm

Kathy Gray - 'Plant Hunters'

Kathy is the Programme Organiser for Norfolk Plant Heritage Group. She will start her talk with 'Tradescants' (John Tradescant [c.1570 – 1638] is one of the most captivating characters in the story of gardens) with the talk continuing with very early plant hunters - Joseph Banks, the father of plant hunting, Frances Masson who is maybe less well known but introduced so many plants that we use today, mainly from South Africa, then David Douglas who gave us many of our conifers, and finish with Ernest 'Chinese' Wilson. Kathy tries to include a bit about the people themselves rather than just the plants.

New members and visitors always welcome. Members, £1.00 non-members £3.00 (inc. tea/coffee and cake).

For more information call Jeff Johnson on 01362 680066 or visit our website: www.Reephamgardenclub.org.uk or email Jeff at jeffandcaroljohnson@yahoo.co.uk

Dogs Mess

This is a plea to the inconsiderate dog owner/s who think that it is acceptable to allow their dog/s to run free and poop on the recreation ground in Bowdeswell, especially around the children's play equipment and not clear it up!

Don't you know that it's illegal not to clear up after your dog? Aren't the numerous large signs politely asking you to clean up after your dog clear enough? Aren't the litter bins into which you can place bagged dog poo easily accessible? Don't you understand the risk to health from dogs mess, or worse still, don't you care?

My grandchildren (and I'm sure other children) really want to play on the park. It's an amazing facility and they just want to run around, play and have fun.

Nobody wants to have to watch where they are putting their feet all the time, to have to check the area before letting little ones play. Nobody wants to have to clean dog mess from little one's hands or wash their clothes and scrape shoes because you can't be bothered to clear up after your dog. It's not nice and it's so unnecessary!

Come on, I don't believe there is any excuse that you can offer which makes this acceptable. All I'm asking is that you keep an eye on your dog at all times when they are on the recreation ground and clear up when they do their business, it's really not difficult!

Thank you.

A concerned and frustrated Nanny

Five ways to look after your mental health

Money and mental health struggles often come as a package. When finances are difficult, our mental health can take a hit, and vice versa: poor mental health can lead to difficulty managing money. As millions of us continue to face challenges when it comes to money, it's so important that we take steps to look after ourselves and prioritise mental wellbeing.

Talk it out

When it comes to our finances, we too often feel we must face the problem alone. Many people feel too ashamed or embarrassed to seek help but find that when they finally reach out, things start to change! If you're struggling with money, open up to someone you trust, or get free help from an organisation like Christians Against Poverty (CAP). You can find out about all the services we offer at capuk.org/help.

Write it down

Our emotions can easily build up and become too much to bear. Putting your thoughts down on paper can help you process how you're feeling and provide a healthy outlet for anger, frustration, grief and lots of other emotions.

Sweat it off

According to the NHS, physical exercise causes chemical changes in the brain that help to improve our mood. However, you don't need an expensive gym membership or pricey equipment to do this – walking, running and playing games in the park are all great ways to get a bit more active (and they're free!).

Cook it up

The food we eat affects not only our physical health, but our mental wellbeing too. Planning your meals before you head to the shop can help you choose healthier options and cut down on non-essential costs, bringing a little peace of mind. Christians Against Poverty (CAP) provides local groups in communities like yours with lots more guidance on shopping and cooking healthily on a budget. Find out more at capuk.org/help.

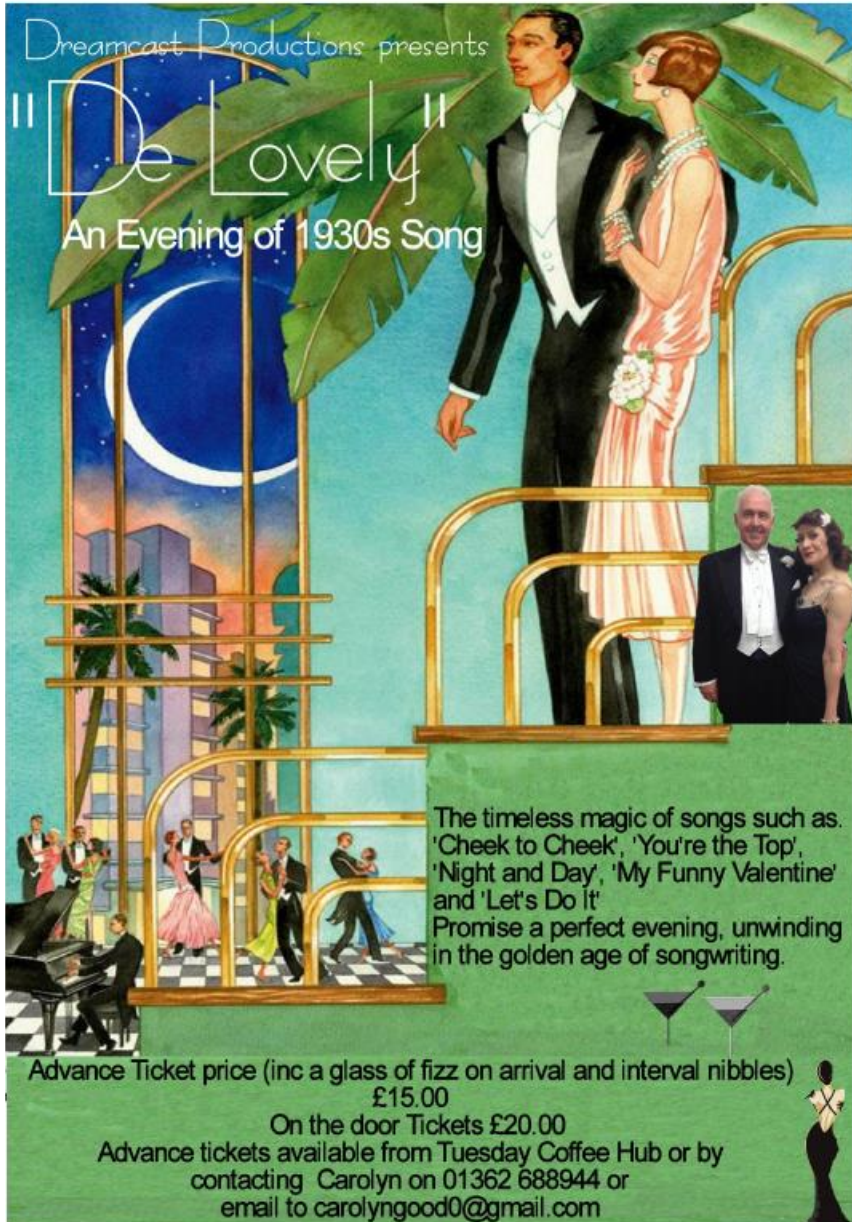

Know it well

Whatever emotions you're feeling, it's important to know that they are valid and worth taking seriously. You can honour this by taking the time to get to know your emotions better, learning about what causes you to feel a certain way and why. This might include speaking to a trustworthy source such as **Samaritans (call 116123)** or **SHOUT (text 85258)**, or asking your GP about counselling.

Christians Against Poverty (CAP) is a UK charity working with over 800 affiliated churches to deliver debt help, budgeting guidance, support to find work, life skills education and more. Visit capuk.org to find out more.

VILLAGE NEWS

Bawdeswell Village Hall Update

As winter gives way to Spring, we all begin to look forward to warmer weather, longer days and more activities outside. The village hall has hosted, through the winter months, a variety of events and activities which have been well attended and a good remedy to chase away those winter blues.

Whether it has been meeting up with friends over a coffee and cake on a Tuesday morning, a bowl of soup and a delicious dessert on Soup and Puds Thursday, or relaxing at the movies on cinema night, we have had a regular turn out despite inclement weather and we thank our regulars who support and enjoy each of the events we put on. It is good to see new faces too at our events and numbers are increasing regularly which is great to see and we welcome one and all.

We are looking forward now to upcoming events for the rest of the year and excitement is mounting as we look forward to celebrating the 100th year of a village hall being in Bawdeswell. In 1924 a wooden army hut was brought from Thetford to the village and erected in place of what had been the Parish Reading Room in The Street. Over time it served the village well and eventually changed its venue and became the village hall we now know. To celebrate its centenary, we are in the process of planning a celebration at the Hall on the 18th August 2024 and invite the village as a whole to come together and have an afternoon of fun and refreshments. More details will be published as we move forward so do keep the date free in your diary as all are invited.

We have a good number of bookings each month for birthday parties and we are pleased to welcome these. However, we have experienced a slight problem with a few hirers wanting to use smoke machines with their music and lighting. Unfortunately, the smoke machines actually set off the fire alarms so we have to make the decision not to allow them. So, if you are hiring the hall for a party, please understand why we have to say no to their use.

So do keep watching for posters around the village and advertisements in the Reeves Tale, on Facebook and the Hall's own website, giving news of what is going on. We look forward to seeing as many of you as possible in the coming months and if you would like to hire the hall for an event do please contact our Bookings Manager for a chat.

CLUBS AND SOCIETIES

Book Group

The Book Group meets in the Village Hall. We meet on the **second Thursday** of each month, starting at **7:30pm**. Each member pays an annual Group Subscription Fee, currently £20, to cover charges for our room hire and library charge.

New members are welcome and will be able to come for two meetings before deciding to join the group and pay their subscription.

“HAMNET” by Maggie O’Farrell

Our January read was one definitely to be read on winter’s evening by the fire.

It is an absorbing tale of fiction, but realistically and beautifully written, of the short life of Shakespeare’s son, the plague, and the impact of grief on the family. This is a thought provoking book, and was recommended by 99% of the group.

Some found it just as wonderful on a second reading – it leaves a poignant and lasting visualisation of a loved child.

We are currently reading *“A Single Thread”* by *Tracy Chevalier* for discussion at our meeting on 14th March.

The music repertoire is broadly 'Bach to Broadway'. We strive to perform at the highest possible level.

If you like the sound of what we do, have some singing experience, and can commit, we have vacancies in all departments.

Please contact the MD, James Lilwall on 01362 688499 or pjlilwall@hotmail.com for an initial conversation, you would be most welcome!

Bawdeswell Bowls Club

Bawdeswell Bowls green is looking good considering the large amount of rain though we did have a day or two dry at the end of January when it was possible to give the green a good spiking, four to five inches in depth which has allowed the water to drain. The next three to four weeks will be very busy to get the green ready for playing;- the target is Friday the sixteenth of April so if there is any body interested in having a go at bowls please give Paul a call on 01362688615 Mob 07796964574 email paul.digby5@hotmail.co.uk P.S. bowls are available in different sizes.

Bridge Club

Sponsored by Bawdeswell Village Hall (Registered Charity No 800970)

The JayCee Bridge Club meets in the Village Hall on the 2nd & 4th Tuesday of every month at 7pm and on Friday afternoons at 1.30pm. Whilst we aspire to play well, our range of bridge abilities means that it's really bridge for fun. No regular partners are needed. If you think you might like to start playing bridge then you are welcome to come along and watch to begin with.

Preparations are well underway for the new season, with fixtures being made and other bits and pieces being arranged. We play in 4 Leagues, the Cawston League and the Elmham and District League which are both evening leagues and the AgeUK League and the Hempton League which are afternoons. We usually start around the 3rd week in April, with league games beginning in early May and continue to early September.

Last year we played 70 competitive games in the Leagues, Cups and a few friendlies. This worked out at more than a game every two days so it is a busy summer. We play on the Green behind Bawdeswell Village Hall which is one the best in the leagues we play in, if not the best. We have over 30 members, men and women, but are always on the lookout for new members to help with our busy schedule.

If you live in Bawdeswell or Foxley (but you do not have to) the chances are you already know someone who is a club member, so why not ask them about us or get in contact with me. It does not matter if you are experienced or have never played before. Tuition can be given and we will lend you some bowls to start with. All you will need is a pair of flat soled shoes. Get outside, meet new friends and chat and laugh on those warm summer evenings.

CLUBS AND SOCIETIES

Lakeside Pilgrims Bowls Club

This season has been a very successful season on two counts. We won the Whissonsett League, came second in the EBA North1 League and were in the running for a place in the Cawston League up to the start of August and then we blew it – finishing in fifth place.

But, the other success was that we were the club responsible for the Cawston League Charity for the season and we raised £4070 for the Alzheimer's Society. We hope to play next season in the same three Bowls Leagues, Whissonsett, Cawston and the Norfolk EBA North 1 league but we are finding the lack of players a trying time so even though the season is over we would still like anyone interested in playing for us to let us know – normally players will get at least two games per week.

After our home games we have refreshments of tea or coffee and biscuits or cake and a chance for after match socialising. Anybody who is interested in playing for us contact **Cyril on 07966169806** or Email cyriljanes@btinternet.com

Community Car Scheme: Bawdeswell, Bylaugh, Foxley

Thank you to our wonderful volunteer drivers and our Parish Clerk Jo Boxall for their service this year. 2023 has been another successful year with 87 journeys completed by our volunteer drivers who have covered almost 2,000 miles.

We have taken passengers to medical appointments in Cromer, Fakenham, Dereham, Norwich, Reepham, Wymondham, Postwick and of course to our local surgeries.

We are very fortunate to have this scheme which is funded by our parish councils and we welcome new passengers in 2024. For new passengers there are just a few questions to answer, such as the mobility of the passenger (we can't help with wheelchairs) and general health.

If you think you could offer the occasional lift to a local resident in 2024, do please get in touch with me – the more drivers we have the lighter the load on everyone. Drivers are reimbursed for mileage expenses at 45p per mile. It's a great way of meeting your neighbours and making friends.

Do keep the requests for assistance coming in **with as much notice as possible please** and we will try our best to help if a volunteer driver is available. I am sometimes unavailable to take calls, so please leave a message for me and I will get back to you. Thank you.

PARISH COUNCILS

MEETING OF BAWDESWELL PARISH COUNCIL HELD ON THURSDAY 1st FEBRUARY 2024 AT 7.00pm

Present: D. Shannon, A. Hartley-Walder and C. Good. Mrs. J Boxall (Clerk)
Members of the public – 2

Councillors

The Council are looking for two new Councillors to join the Council. Are you interested in your community? Do you want to help facilitate change? Do you have ideas for the council? Do you have concerns about a specific issue and want to do something about it?

No special qualification is required to be a councillor. If you think you'd like to join the Parish Council or would like to know more, please get in touch with the clerk or a Councillor who would be happy to talk with you about the role and what's involved.

Bawdeswell Heath

Norfolk Wildlife Trust have agreed to pay £30,000 to Bawdeswell Heath Trust (BHT) and take on the ownership and management of the heath subject to agreement by the Parish Council. It was confirmed that 2 acres of land at Bawdeswell Heath is held in trust by the Parish Council and is tied into the same trust as Adams Pit (charity number 294439).

A copy of the charity's Governing Document was circulated to Councillors. It was understood that if the Parish Council are looking to sell the land at Bawdeswell Heath then the Charity Commission will need to approve this in the first instance.

Robert Gurney, Chair of BHT, was in attendance and circulated a report for consideration. Strong conditions of sale were highlighted and it was confirmed that the Trustees were unanimous in agreeing the sale of the Heath to Norfolk Wildlife Trust. The Parish Council were asked to come back with a proposal regarding their share of the proceeds from the sale.

It was unanimously **AGREED** that on the basis of what BHT have put forward with the conditions of sale and process, the Parish Council agrees in principle to go forward with the sale of its 2 acres of land held under Trustee of Allotment to Former Highway Surveyors trust, in parallel with BHT land, subject to permission from the Charity Commission.

It was agreed that the Chair of the Parish Council would sit down with BH Chair / Trustees to go forward with the process in tandem and seek clarification on whether they can sell the Heath and dispose of assets. As BHT would look to wind down following the sale of the heath, there was discussion over the distribution of funds which it is understood had to meet the criteria of 'conditions of need, hardship and distress'. Future discussions to include consideration of the Parish Council taking over the Bawdeswell Heath Trust role with a view to the distribution of funds from the sale as the Parish Council have been involved with the management of the Trust since inception. As part of the decision process, Clerk to check records held re sale of Reepham Road surveyors land.

Bawdeswell Church News

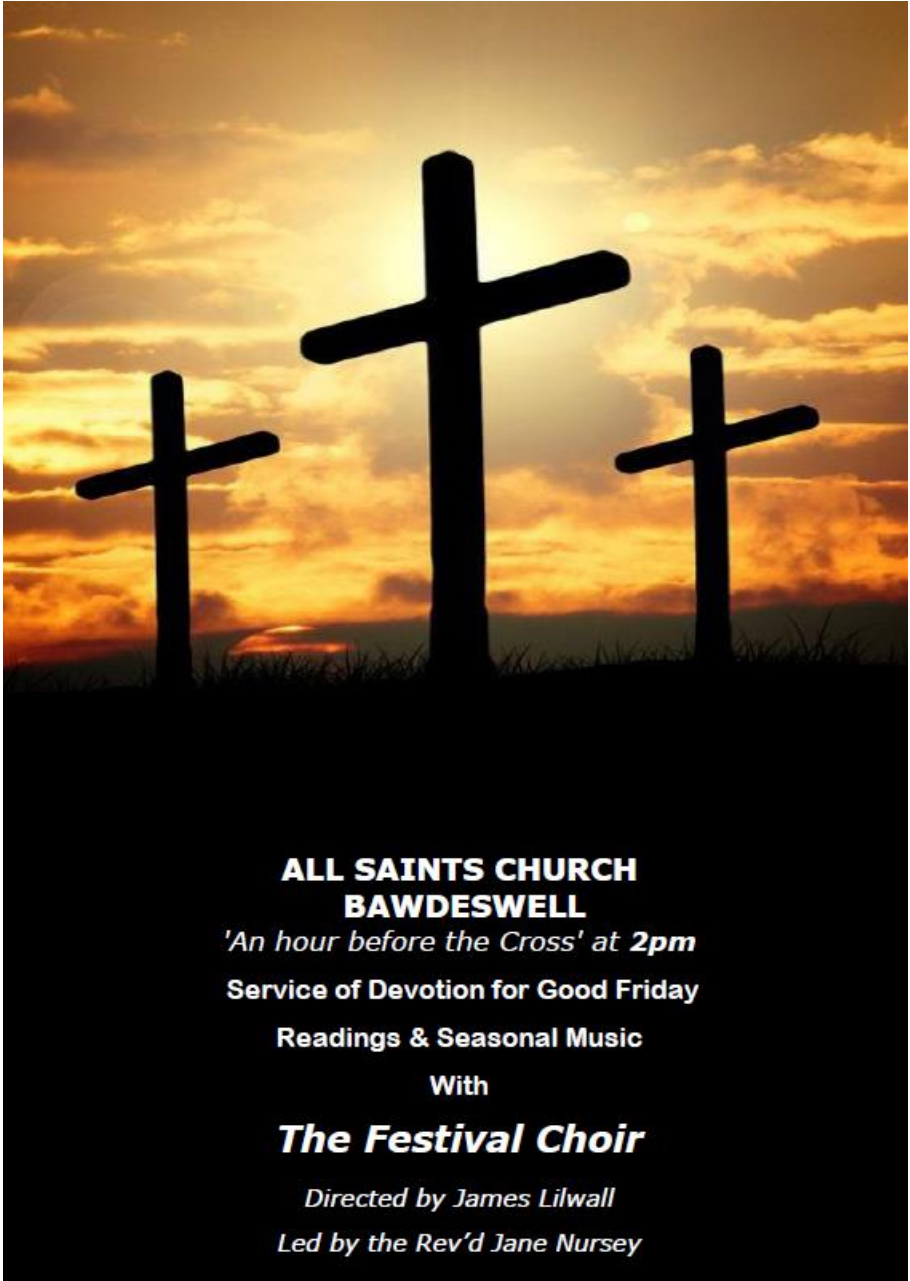

We are still without a regular priest and are very grateful to the retired clergy who have been filling the gap at least twice a month. With churchwardens standing in the remaining Sundays, it has enabled us to maintain our service pattern every Sunday at 10.30am. The congregation averages 20 – 25 and we thank you too for your loyalty and support.

On special Sundays we are extremely fortunate to have The All Saints Festival Choir in attendance which almost doubles those present. They come from far and wide, rehearsing in our church twice a week and singing at occasional concerts, weddings and funerals elsewhere. There are some very talented soloists amongst them and the choir as a whole is very professional and a delight to listen to. Their choirmaster is James Lilwall our organist and a great credit to him also.

CHURCH NEWS

Church Letter

Welcome to March, the month that heralds the start of spring. Towards the end of the month we have the momentous events of Easter and just before, the clocks spring forward giving us British Summer Time although as I write this on a grey February day, summer seems a long way away.

As we look around us there will be signs of new and regrowth in the landscape that shapes the Norfolk countryside. Daffodils will be showing their sunshine best and although the snowdrops will have passed their best other flowers will be growing, searching for the sun.

I have always been fascinated by the seasons and their connections and one of those mirrors the events of Easter. Autumn or as the Americans call it “the Fall” is a vital need of Spring. The leaves on many trees lose their green hue turning to reds, browns and other colours then fall from the branches to wither and die. Their decayed remains blend into the earth. It is the process that helps the process of regrowth in Spring.

Throughout the Gospels Jesus reminds the disciples of what will happen to him, something they find hard to take on board. But Jesus also knows that without the events of Good Friday, he cannot rise again in the glory of light, and take his place beside the Father. For Christians Easter Sunday is perhaps the most important happening in the church year.

The great message of Easter is that of love and hope. It is my most sincere wish that you all enjoy Easter and if you can find time why not visit your Church even if it is just for a few minutes of peace and quiet.

Yours in Christ's love
Norman Johnson
Licensed Lay Minister
Heart of Norfolk Benefice

The service which will be held at Wood Norton on Good Friday is open to all in the benefice and will start at Noon lasting 3 hours. However, it will be in half hour segments consisting of a reading, a piece of music, an action followed by silence until the next segment. You can stay as long as you wish but please arrive and leave at the beginning of each half hour. It will conclude with Compline (Night Prayer). More info contact Norman on 01362683344.
