# WELCOME

July already, with the summer ahead of us! What will your plans be? Some of you will be looking forward to the school holidays, maybe going away visiting new or familiar places, spending time with family and friends. Others planning a couple of months ahead, maybe starting at college, Uni, a new job or even moving house.

And, maybe, with hopefully sunny weather and longer days, you might finally get round to sorting out that shed or garage, giving that bedroom a fresh look, creating that rockery you always wanted ... or maybe not! Just decide to sit out in the garden with a refreshing long iced drink and admire the fruits of your past labours. Whatever you do, please enjoy.

With the school holidays coming towards the end of July, the village hall be open Mondays to Fridays 2-4pm offering cold drinks, ice cream and other refreshments so don't forget to pop in and say hello.

**REMEMBER** NEXT ISSUE IS A JOINT AUGUST/SEPTEMBER ONE, so if you have anything you want in the next issue, then please get it to us by 15<sup>th</sup> July.

Enjoy the summer!

Anne and the team

## REEPHAM WI

**Broadland District Council - The Scope of Household Waste**

It's something we all produce, yet not everyone sees the challenges that come with managing it every single day. Broadland's goal is not just to deal with waste but to work together to reduce its impact on our environment and community. Every week, Broadland households generate a significant amount of waste—ranging from food scraps and packaging to garden clippings and unwanted household items. On average, each home in the district creates roughly 400-500 kg of waste per year. Multiply that by tens of thousands of homes, and the volume becomes enormous.

Teams collect this waste regularly, ensuring it's properly sorted and processed. But what many people don't see is what happens after collection—and how your choices at home make a real difference.

## VILLAGE VIEWS

Were the Reeve's Tale in Chaucer's Canterbury Tales made into a film today, it would surely score an '18' rating. Not so the renditions in our monthly magazine, although there are whispers that a recent item was censored for its content. However, that aside, the kith and kin living in Bawdeswell and Foxley are stalwart and indeed active supporters of the Arts and Literature in all its various forms, locally, and both county and U.K. wide.

Recently we marvelled at an intrepid villager taking to the stage at 'The end of the Pier Show' in Cromer receiving well-earned plaudits. We heard of visits to Glyndebourne, the ABBA spectacular at the Olympic Stadium, a trip to see 'Oliver' in the West End. Some of us saw the Festival Choir performing to a capacity audience at Reepham, and who can forget the rousing performance by Fakenham Ukeleles at Foxley's VE Celebrations? Well done to our lady villager making her debut, you were ace! And what an asset to our village is James, our resident Choirmaster and Organist. His renditions at All Saints VE Sunday service were so moving.

At gatherings and coffee mornings residents have shared information on visits to the Turner exhibition at Norwich Castle, Swanton Morley Art Club held an exhibition at Bawdeswell Garden Centre recently, the village hall hosted its first live production from Creative Arts East followed up by a video screening of The Importance of Being Earnest and recent cinema showings of 'Paddington in Peru' and 'Conclave' have attracted sell-out performances.

The monthly Book Club and Cafe Philosophique meetings are well attended and are a tribute to Caroline and Peter providing a forum enabling us to debate and discuss a wide range of topics and broaden our reading. The Mobile Library offers a welcome alternative to both villages rather than a trip to the nearest town and the bookcase at the village hall enables everyone to read for 'free'.

For collectors of precious artefacts, jewellery and items, Foxley Village Hall hosted an Antique and Arts valuation day in May and several items, subsequently sold at auction, achieving excellent prices.

Further afield, The Sainsbury Centre, the Forum, Wells Maltings, Houghton Hall and other venues hold exhibitions featuring both local, national and international artists and sculpture. The National Trust and Sandringham host headline acts. Norwich and other towns offer concerts and music festivals to suit a wide range of musical tastes. Theatre features strongly throughout the county and locally open-air performances have been hosted at Bylaugh Hall.

We really are spoiled for choice when it comes to Creativity and the Arts and privileged to have so many talented people living locally. Thank you for sharing your talents and expertise with us to enrich our lives.

# VILLAGE NEWS

## Bawdeswell Village Hall Update

The regular monthly Monday meeting took place at the beginning of June with a lot of planning ahead for both June and July. As usual it was very well attended by the stalwart band of volunteers who so freely give of their time to ensure that as far as possible everything continues to run smoothly. With so many different groups from all over the county now making the most of the facilities on offer and each one wanting something to suit and fit in with their specific requirements one could easily think it might be an impossible task. But, no, nothing seems to phase people and there is always a solution! This month, time was spent discussing the forthcoming family barbecue scheduled for the end of June with contingency plans put in place dependent on the weather. Decisions were made on what to offer food-wise, ensuring that vegetarian options were catered for and what would be on offer to drink. Should we, for example, be offering non-alcoholic beverages, something which appears to be gaining in popularity. If you are reading this and have a view, do write in or contact us.

And then, of course, how much to charge! The consensus was 'affordable' for a family so hopefully we will hit the mark! Then of course there is the car parking to be sorted, the advertising, the siting of the musical entertainment and the barbecue, but never fear it all worked out with people allotted or volunteering for specific tasks. Thank you to Dave Shannon, OIC of the barbecue and his band of helpers, and to Anne for the advertising. As in previous years, the Village Hall offers a drop-in for children and families every afternoon during the school holidays from 2-4 for refreshments or to use the toilet facilities so a rota of Volunteers needed to be drawn up. Again people came forward offering their time. So if you are reading this and currently don't volunteer but would like to do so, why not come along to our next Volunteer meeting to be held at 10am at the Village Hall on 7th July you would be most welcome. The Hall will be open this year from 28th July to 29th August from 2-4, Mondays to Fridays but excluding the August Bank Holiday. Do pop in for a drink or ice cream.

Our Chair, Carolyn, informed us that we have nearly reached the target to pay for the solar panels and during the meeting we were informed that another £100 had been granted, so only another £400 to raise. What a fantastic achievement and thank you to everyone who has been involved.

This month, a special mention to Jo Porter, who tirelessly sorts out all the bookings for the Hall, negotiating each group's wants and needs, ensuring there are the requisite items available and volunteers available as well as drumming up more custom. Thank you Jo, your efforts and time spent do not go unnoticed.

### ***“The Year of Sitting Dangerously”* by Simon Barnes**

When I first started reading this book my thoughts were ‘my kind of book’ and immediately felt a rapport with the author around some of the thoughts he expressed, *‘sometimes I just sit and thinks and sometimes I just sits’* and in the dedication to his father *‘a bad birdwatcher’*. I liked his style and narrative, *‘I set off along the path in search of unfamiliar places- I sat on a chair at the bottom of my garden’* and loved some of his descriptive phrases *‘the nacreous sky of Norfolk’*, wonderful alliteration!

I also enjoyed that he would reference a literary quotation or refer to a painting or piece of music e.g. Ulysses, Van Gogh, Beethoven’s Ode to Joy, Monet, T.S.Eliot, Noel Coward, Harry Potter.

Also, every now and again he enjoys inserting a phrase like *‘a harrier a day keeps the psychiatrist at bay’* and *‘I had been ‘midget’* referencing the fact that for midges they need a blood- meal as it is essential to their egg laying process, rather gross but informative!

And appealing to many of us *‘empirical evidence that if you shout at a computer they don’t change their image’*.

He also showed through his writing what a very caring and supportive father he is and a loving husband.

However, after digesting around about half of the book, I had frankly had enough, it all seemed very same’y and became quite boring which to be fair it probably was, as how can you sit day after day observing the same view and find something new and exciting or provocative to write about?

At the same time as reading this, a friend of mine had given me Ronald Blythe’s *Next to Nature* which details the Suffolk countryside over the course of a year and I did wonder if in fact Simon Barnes had used this as a template for his book. Ronald Blythe wrote 40+ books during his lifetime, many of which meditated on his life, faith, on literature, art and history and our place in the landscape. If you are not familiar with his writings, maybe dip into one.

To sum up, enjoyable for a bit; liked his turn of phrase, he came across as a kind person but I will probably stick with Ronald Blythe!

At our meeting on **10<sup>th</sup> July** we will discuss ***“Bookworm: A Memoir of Childhood Reading”*** by **Lucy Mangan**

## Community Car Scheme: Bawdeswell, Bylaugh, Foxley

I am very proud and thankful for our volunteer drivers and all who support this local scheme.

I know that without this service our passengers would really struggle to attend urgent medical appointments and this would be detrimental to their health.

But there is always a **but**.

**This scheme can't continue unless we can find enough volunteer drivers to fulfil the requests.**

So, this is an urgent appeal for new volunteer drivers. Please come forward and help with an occasional journey. There is no minimum or maximum, simply what you can manage to help your neighbours.

We use our own cars but we are reimbursed at 45p per mile, it is our time which we are giving, and who knows, we may need the service ourselves one day?

Please spread the word, volunteer if you can, to keep this critical local service going.

Thank you.

### Online Triage

We would like to remind patients that if you cannot access the internet, you struggle to complete online or do not have a smartphone, you can call the surgery between 10 am - 12 noon. A member of the team can then complete the online triage form for you on your behalf, alternatively paper copies of the form can be found in reception at the surgery. We are here to help so please do not hesitate to ask.

### Non NHS Chargeable Fees

Most of the services offered by the surgery are free under the NHS however there are non-NHS services which are chargeable. Our website explains why we charge for some services and what the current charges are.

Due to the number of requests which have not been paid for or not being collected from the surgery we must now request that all non-NHS work be paid in advance of being sent to the Dr to complete.

### Samples

Patients are now able to deposit their samples in the appropriate bin located on the table in the corner of the reception area. Patients can also collect sample pots from this area and do not have to queue and ask Reception for these.

Please note that if you have deposited a sample that was not requested by a Clinician or with no information/white information sheet the sample will be discarded.

If you have concerns/or symptoms you would like to discuss, please submit an AccuRx Triage request.

### Missed Appointments

We are experiencing an increased number of patients not attending their appointments. The impact on the surgery is:

- Wasted time – Clinicians prepare for each appointment in advanced
- Waiting times – This results in longer waiting times for patients who need an appointment

Please can we ask:

- Cannot attend? Let us know as soon as possible—even short notice helps.
- Ensure we have the correct mobile number and that you have opted to receive SMS. You will get a reminder if you are signed up.
- Cancel online via our website or the NHS App—it is fast and easy.
- Set reminders on your phone or calendar so you do not forget.

### Information

Please remember our website contains lots of information and updates.

# PARISH COUNCILS

## THE BAWDESWELL PARISH COUNCIL MEETING HELD ON THURSDAY 5<sup>th</sup> JUNE 2025

AT 7pm

**Present: D. Shannon (Vice Chair), C. Good, A. Hartley-Walder, M. Bailey, R. Hannent and Mrs. J Boxall (Clerk) Members of the public – 6 & District Cllr G. Bambridge**

### **Bawdeswell Heath**

Cllr Shannon confirmed that Bawdeswell Heath Trustees (BHT) had offered the Heath to Norfolk Wildlife Trust (NWT) on a 7-year rolling lease but NWT were looking for a 70-year minimum lease, BHT would now need to make a submission to the Charity Commission. It was understood NWT would pay any associated legal fees.

### **Planning**

Proposed change of use of land for the formation of 1no. Gypsy/Traveller pitch comprising 1 static caravan (mobile home), 1 touring caravan and erection of 1 dayroom, and use of land for equestrian purposes at Land off Reepham Road (Grid ref 604634 321649) Appeal ref APP/F2605/W/25/3364054

It was unanimously agreed to submit further comments in respect of road safety concerns as further HGV traffic is going to be prevalent on the B1145.

### **Local Plan**

Several Councillors attended the Village Clusters round table meeting held on 3rd June 2025. The plan is still in the draft stages with informal discussions and there would be a formal consultation in July on potential development sites with a draft plan expected in October. As previously highlighted, there was concern over Bawdeswell remaining a Key Service Centre due to lack of infrastructure. It was acknowledged that housing will need infrastructure improvements including access to medical facilities and school places. Roads and access to development sites will need adjustment and employment opportunities, improved public transport to local villages, improved retail facilities are needed. Bawdeswell would look to be considered a Primary Village.

Six potential development sites, 2 for Foxley and the barracks at Swanton Morley (acknowledging that this will cause demand on infrastructure in Bawdeswell) were put forward.

Cllr Shannon put forward a draft commentary for consideration / comment, concentrating on access to and from the sites. It was agreed that all sites had some varying degree of access issue. Following discussion on the individual sites, it was agreed that Cllr Shannon would amend the commentary to reflect the discussion / agreement and that the amended document would be approved via email with a view to submitting to Breckland at the earliest opportunity. Please check the PC website under minutes where this document will be published once approved.

### **Likely heavy traffic on the B1145 from the Solar Farm at Pettywell**

No representation was made to local villages who may suffer from the impact of the solar farm development, it was acknowledged that there was already an increase in HGV traffic from the windfarm traffic. ## Bawdeswell Church News

At long last the senior staff of the Diocese have agreed a name for the new Benefice of which Foxley and Bawdeswell have become part of:- **The Bawdeswell Group.**

To satisfy them it had to be a name that would make clear where it was. Well, everyone knows where Bawdeswell is, right bang in the middle of Norfolk with signposts pointing to it from North, East, South and West. It's also well known for its Garden Centre and Village Hall. So, the "Bawdeswell Group" it is. It comprises Foulsham, Foxley, Themelthorpe, Bawdeswell, Sparham, Lyng, Bylaugh, and Elsing.

**Church Roof Repairs.** These are due to start this month.

We still need to raise £10k to cover all costs and would be very grateful if anyone could see their way into making a contribution.

All repair work has to be funded by the congregation and The Friends of the Church. If you are a tax payer, we can claim gift aid on donations and all transactions are confidential. I always have payment details with me wherever I go!

# CHURCH NEWS

## Reverend Richard Reflects

July is one of those slightly odd months in the Church. None of the big Church celebrations tend to happen in July, the liturgical colour used tends to remain green throughout, and links with schools can give the impression of gearing up for a summer holiday. Yet, July often sees a few weddings in the diary. And there can be quite a number of school trips and events, and end of year assemblies to get involved with as the local vicar across a number of schools. Add to that the fetes and summer events that parishes arrange, and preparations for possible holiday clubs, and July ends up being quite busy. The lack of 'named' days in a Church diary is not a good indicator of busyness during the month!

However, in spite of a busy diary, I would like to think about the mission of the Church in this area during July. As the clergy-person appointed to the parishes of the Bawdeswell Group of Churches, I obviously need to think about where God is calling me to minister; what it is that God is doing here that I am called to join in with, and what new things might be able to happen. But God's mission is not just for people with clerical collars to get involved with: it is for all believers. And so, we will be thinking more about how the Church interacts with its community, and about its role in the area. We'll need to think about what is practical and manageable for us as a Church community, and about what the communities in which we serve might need. Many people don't realise that the way the Church is funded means parish churches aren't financed by the wider Church of England. What we can afford to do, as much as what we have the volunteer capacity for, relies on the generosity, skills and dedication of our congregations and supporters. So, this will also play a part in our thinking.

One of the things I am keen to do this month is hear from the communities of the Bawdeswell Group (Foulsham, Foxley, Lyng, Elsing, Bylaugh, Bawdeswell, Sparham, and Themelthorpe) about what they think; to get to know the communities outside the congregations. My role involves the cure of souls for all 8 villages, regardless of whether the souls in question attend worship. I pray for everyone. So, I have decided to have a session this month where anyone can come and ask me questions. The questions might be about faith, the Church, my role; they might be about my background. I will do my best to answer. I may not know the answer, or I may not be able to give an answer, but I will try. The Church of England aims to be a Christian presence in every community, and I want all of our communities to feel able to approach me when they need to.
