NOVEMBER/DECEMBER PROGRAMME

Saturday 8th November **MR. BURTON**

Starring Harry Lawtey, Toby Jones, Lesley Manville

It's 1942 and Richard Jenkins (Harry Lawtey) is at school in Port Talbot, caught between the pressures of an alcoholic father, a devastating war, and his own ambitions. A new opportunity beckons when Richard's natural talent for drama catches the attention of his teacher, Philip Burton (Toby Jones). The young man thrives under Philip's strict tutelage and the guidance of a kindly landlady, Ma Smith (Lesley Manville). But as the acting world comes within Richard's reach, the burden of his past risks holding him back forever.

Saturday 13th December **FOUR LETTERS OF LOVE**

Starring: Helena Bonham Carter, Pierce Brosnan

Based on the novel by Niall Williams. Nicholas (Fionn O'Shea) and Isabel (Ann Skelly) are soulmates destined to meet, but love's path is anything but smooth. Whilst Nicholas's father pursues a divine calling to paint, shattering their quiet life, Isabel's world falls apart after a family tragedy. Sent to a convent, she and Nicholas endure heartbreak and separation. Yet, through twists of fate, their lives intertwine in a miraculous reunion.

WELCOME

Well, now in the 11th month of the year, and looking forward to Christmas! Well done to all you wonderful children and young people who once again surpassed yourselves this year with so many different Halloween costumes, so imaginative! Thank you to all of you and your parents for once again ensuring the event went well, everyone was so friendly and polite, we do hope you all enjoyed yourselves and didn't eat too many sweet things!

With the nights now drawing in please be careful both walking, cycling or driving through and around the village and if the weather should turn a bit nasty, maybe spare a thought for a neighbour who might appreciate a bit of help.

Next month's magazine will be covering both December and January so if you want to advertise or comment please make sure you make the 15th November deadline.

Have a Happy Month!

Foster Carers wanted

6,500 more fostering households needed across England. Could you be the one to make a difference?

Ever fancied making a real difference in someone's life, all while still enjoying your morning cuppa in your favourite chair? Nexus Fostering is urgently seeking additional foster carers to join our fostering community. With an estimated 6,500 more fostering households needed across England, Norfolk is a key area that needs ordinary people to come forward who can offer a child or young person a safe, stable, and supportive home.

It's not about being perfect (none of us are!). It's about offering a listening ear, sharing kind words, and a place where children can be children. Whether it's for a short period or something longer-term, foster carers play a vital role in helping young people feel secure, valued and loved. Children of all ages come into foster care, but the most significant need is for foster carers who can support sibling groups, teenagers and parent and child arrangements.

Foster carers aren't superheroes in capes, just everyday people who want to give back. Some are single, some are couples who might have children who have flown the nest, and some still have children living at home. What they all share is a passion for making a difference and welcoming a child into their home.

Foster carer Mary shared, *"It's the small things that stay with you, like seeing a shy child open up for the first time in weeks or watching their confidence grow day by day. It's such a precious thing to be part of their journey."*

You don't need fancy qualifications or to own your own home to foster. What matters most is your time, patience, and willingness to provide a nurturing environment. Full training is provided, along with ongoing support and financial allowances to help you support and care for a child.

Fostering can be one of the most rewarding things you'll ever do. Yes, it can be challenging at times, but with the support from Nexus Fostering and our strong fostering community, fostering is filled with making memories, laughter, and genuine connection. Many foster carers say they get just as much out of fostering as the children do.

Whether you're simply curious about fostering or ready to take the next step, we're here to answer your questions and support you as you begin your fostering journey. Our Norwich office hosts free fostering information events each month, providing a perfect opportunity to meet some of the team and chat over a cup of tea about fostering. Call [01603 811118](tel:01603811118) or visit www.nexusfostering.co.uk/anglia to find out more about fostering and our free local events.

VILLAGE VIEWS

Yet another tale to share with you about my friend Ermentrude (surely you remember the saga of the husband and the Air Fryer?). Well, recently, their daughter, Gaynor, came for a visit, 'just to check up Mum, that Dad's behaving himself and to take you out for a trip to Cromer to buy a crab'.

Trip undertaken, crab purchased, together with some kippers for breakfast the next day, and on their way home, Ermentrude suggested they return to Bawdeswell along the more scenic route, passing by Blickling, one of their favourite Norfolk landmarks and the scene of many happy family holidays before they finally moved up to Norfolk.

Her daughter, driving carefully and wending her way down windy country lanes marvelled at the bushes either side of the road, heavy with blackberries, 'coo don't find these up North', she said, 'wouldn't mind taking some home with me AND we could make Dad a nice blackberry and apple crumble with some of those windfalls in your garden, Mum'.

Ermentrude agreed but wondered what they could use to collect them in, 'I haven't even got a spare carrier bag'.

Gaynor pulled into a handy passing place, nipped to the boot and appeared triumphantly holding a Male Urinal bottle aloft, 'what about this Mum, should do the trick, and it's got a lid so they won't spill out!'.

Ermentrude was struck dumb but hastily recovered . 'Whatever'... she stuttered.

'Well, I saw them advertised on Amazon, Dad's not getting any younger and I thought if you could gently introduce it into the conversation one day or produce it if you and him are out on a trip and he gets caught short'.. her voice tailed off as she saw her mother's face.

Ermentrude realising that her wonderful thoughtful daughter had indeed inherited her genes, stretched out her hand, unscrewed the lid and started filling the brand-new bottle with luscious ripe hedgerow blackberries and was quickly joined by Gaynor.

Mind you they did get some rather odd glances from passing motorists but the next day, they all sat down to a wonderfully fragrant pudding and the bottle has been hidden away waiting for just the right moment for it to appear.

VILLAGE NEWS

Bawdeswell Village Hall Update

The first Monday in every month sees a gathering of village volunteers armed with a calendar of booked forthcoming events. This has been painstakingly completed by Jo together with what is needed for each booking. Volunteers will offer to open and close, prepare the hall or a room, provide refreshments and tidy up. A massive thank you to Jo for all her time and effort and to every volunteer who gives so freely and willingly of their time. The compliments and thanks from all users continue to be very positive and bookings continue to increase. Feedback on previous events is shared and if there is the odd 'hiccough', a solution is discussed. Fortunately, this is a rare occurrence and our volunteers are extremely resourceful!

The Tuesday Coffee Mornings and monthly Soup and Pud benefit from the generosity of Volunteers as every cake, scone, savoury and biscuit provided, is donated. Volunteers are NOT paid for ingredients they use, so it is sometimes a little disappointing to find that attendees pay for the refreshments on offer with pennies rather than pounds. Please, before you put your donation in the bucket, think what it would cost you at a local cafe or coffee shop in Dereham, Fakenham, Reepham or Norwich or even a cafe at a supermarket. AND you wouldn't be able to have a refill coffee and another scone! So please, give a thought as to what is a reasonable and realistic donation. The proceeds, alongside income from lettings, events and clubs go towards the upkeep and maintenance of the Hall which costs around £2000 a month to run.

A successful Evacuation/Fire drill took place last month in a record time of 3 minutes using the majority of exits. Thank you to Chris for organising this and ensuring it ran smoothly.

An evening event in early October saw the Hall turned into a night club with two singers belting out Jazz and classic French and Jazz songs from the 30's to the 50's, the monthly cinema took place and the month ended with Bawdeswell's BIG Quiz and a Children's Halloween party. Creative Arts East returned with a recorded live performance of Mrs Warren's Professional. So hopefully something to suit all tastes and ages as well as all the usual regular clubs, groups and societies. Thank you to all of you who continue to attend and support the Village Hall.

If there is something we do not provide or an event you would like repeated, do let us know.

Book Group

The Book Group meets in the Village Hall. We meet on the **second Thursday** of each month, starting at **7:30pm**. Each member pays an annual Group Subscription Fee of £25 to cover our room hire and library charges.

New members are welcome and are invited to attend for two meetings before deciding to join the group and pay their subscription.

“Small Pleasures” by Clare Chambers

Small Pleasures written by Clare Chambers set in the 1950s, tells the story of a woman regional journalist, investigating what appears to be a 'Virgin birth'. During her interactions with the family, she becomes more and more drawn into their family dynamics, losing her critical and independent stance, and becomes personally emotionally involved both with individual members of the family and embarks on a love affair. Alongside this is the difficult relationship she experiences at home with an overbearing and demanding mother.

The book is well written and very evocative of the 1950s and has an unexpected twist. The relationships between the characters in the book are realistic and believable with one reader saying 'I couldn't put it down'. Although it may not appeal to everyone, it is an interesting story with a sense of realism.

Described by readers as well written, gripping, haunting, evocative of the time, a page turner with an unexpected ending.

We are currently reading *“Girl, Woman, Other”* by Bernardine Evaristo for discussion at our next meeting.

Our next meeting: 13th November.

You can still access the service through our website as usual. However, please note that the online form has a new look and may include some different and detailed questions.

Our triage doctors review a high volume of requests every day. To make sure we can help you as quickly and accurately as possible, please include clear and detailed information about what you need when submitting your request.

We suggest you take your time when completing the form, to ensure all sections are completed with as much accurate information as possible.

Opening times Elmham site

SERVICES

Community Car Scheme: Bawdeswell, Bylaugh, Foxley

I am very proud and thankful for our volunteer drivers and all who support this local scheme.

I know that without this service our passengers would really struggle to attend urgent medical appointments and this would be detrimental to their health.

But there is always a **but**.

This scheme can't continue unless we can find enough volunteer drivers to fulfil the requests.

So, this is an urgent appeal for new volunteer drivers. Please come forward and help with an occasional journey. There is no minimum or maximum, simply what you can manage to help your neighbours.

We use our own cars but we are reimbursed at 45p per mile, it is our time that we are giving, and who knows, we may need the service ourselves one day?

Please spread the word, volunteer if you can, to keep this critical local service going.

Thank you.

PARISH COUNCIL

AT 7pm**

Cllrs; D. Shannon (Vice Chair), C. Good, A. Hartley-Walder, M. Bailey and R. Hannent, Mrs. J Boxall (Clerk)

Breckland Local Plan

Breckland Local Plan is soon to enter the Regulation 18 consultation stage of the Local Plan, meaning that a draft of the Local Plan, **including site allocations for housing** and employment as well as the development management policies against which planning applications are considered, will be formally consulted on. The plan period runs from 2024 – 2042, so the consultation responses will inform and influence how the district grows, develops and thrives over the next two decades. The formal regulation 18 consultation will run for 6 weeks from the 31st October subject to Cabinet approval.

The Parish Council will be discussing Bawdeswell's proposed housing allocation at their meeting in November. Residents are encouraged to submit their views to Breckland.

Highway matters

Following concern expressed about speeding HGVs, the matter was raised directly with the HGV company and they have subsequently confirmed that they will re-brief all their site teams and ensure driving rules are reinforced. They have asked that if anyone has details of specific vehicles breaking the speed limit, that these are passed to the Parish Council who will share them with the company (which will enable a full investigation to take place and decisive action to be taken).

Change of speed limit - Norfolk County Council (Bawdeswell, Various Roads) (20 mph & 30 mph Speed Limit) Consolidation and Variation Orders 2025 - The Notice for the 20mph limit on Foxley Road and Billingford Road appeared in the Eastern Daily Press on Friday 19th September 2025 and the public consultation period for this scheme closed on the 14th October 2025. The Parish Council fully supports the speed reduction proposals.

Vandalism of play equipment and dogs on the playing field

The Parish Council continues to investigate the legalities of banning dogs from the recreation ground / play area following on going anti-social behaviour and vandalism of play equipment. Signage is being obtained in the first instance asking dog owners to keep their dogs away from the play equipment in the hope this may make a difference.

PARISH COUNCIL

Bawdeswell continued....

Planning

An email was sent to Planning Enforcement following concerns over works commencing on land at Reepham Road (currently on appeal), planning responded confirming 'The site is being cut back in preparation for the Planning Inspectorate site visit. The owner's planning agent has assured the planning department (verbally and in writing) that there is no intent to carry out any works requiring planning permission, and his client has been made aware of their interest. '

Finance

The balance of the Community account as at 30th September 2025 was confirmed as £35913.35, Business Money Manager (Earmarked reserves) was £38894.14.

The next Parish Council Meetings will be held on the 6th November and 4th December 2025 at 7pm. These meetings will be held at the Village Hall. Members of the public are warmly invited to attend. The Council usually meet on the first Thursday of every month except for January & August. Please check the website or noticeboard for any changes.

If you have any concerns please contact the Parish Clerk Jo Boxall, White House, Pettywell, Reepham, NR10 4RN, Tel: 01603 879480, Email: bawdeswellpc@hotmail.com

CHURCH NEWS

Bawdeswell Church News

On Sunday 5th October All Saints Church Bawdeswell celebrated Harvest Thanksgiving and collected a record 83kg of items for the Dereham Food Bank. Thank you all who donated at the church and at the school. The staff at the Food Bank were delighted. Thanks also to Carol and Josie who took the gifts to Dereham.

On that Sunday we also celebrated the completion of the new church roof and said Thank You again to all the donors and the local builders. We are proud to have such talent amongst us.

In November we have a Remembrance Day service on Sunday 9th. At 1045 we remember residents of Bawdeswell and Foxley who gave their lives in both World Wars and also the airmen, American and British who died in the local aircraft crashes of WW2.

On the last Sunday of November look out for Bawdeswell's Advent Carol Service with the Bawdeswell Festival Choir. This is not to be confused with our Christmas Carol Service on 21st Dec but well worth attending.

Thank you everyone.

CHURCH NEWS

Reverend Richard Reflects

‘We plough the fields and scatter the good seed on the land, but it is fed and watered by God’s almighty hand.’ These are the opening lines of a popular harvest hymn. You might be wondering why I’m writing about a harvest hymn in November, when all our harvest services are done: but I actually want to reflect on the relationship between us, our environment, and our creator.

The hymn acknowledges that, in order for us to produce a harvest on which to live, we work with God. God creates and sustains, and our role is to tend and care.

Our churches are at the beginning of an exciting journey when it comes to tending and caring. We have signed up for the Eco Church initiative, and are beginning to explore what this will look like for each parish. In most cases, we are already doing things that fit with the aims of Eco Church. Now we need to look at all of these and see how we can continue to move in the right direction. As churches, we know that God holds all things. But we also need to recognise that we have a part to play in tending and caring for God’s creation.

As we undertake this journey, we will need to link in with our communities more closely than ever. I am sure there are groups and individuals reading this who are already involved in caring for the environment, and we would be keen to hear from you. Perhaps you will be able to offer us some suggestions or advice. Perhaps you would be willing to partner with us in what we might do. Perhaps you would be interested in joining a team to work across the eight parishes of our group so that there is a cohesive plan for the area.

Creation is a gift. How we treat that gift says something about us. I hope and pray that in the eight parishes of the Bawdeswell Group of Churches, it will say something good about us.

Revd Richard Turk

Curate-in-Charge of the parishes of Foxley, Foulsham, Lyng, Elsing, Bawdeswell, Bylaugh, Sparham, and Themelthorpe
